Army Of Israel Mormon Battalion Narratives:

Army of Israel David L. Bigler, Will Bagley, 2000 For more than a century the history of the American Frontier particularly the West has been the speciality of the Arthur H Clark Company We publish new books both interpretive and documentary in small high quality editions for the collector researcher and library **The Mormon Military Experience** Sherman L. Fleek, Robert C. Freeman, 2023-04-12 The Mormon military experience is unique in American history The Church of Jesus Christ of Latter day Saints LDS is the only denomination to field military units for its own support and purpose rather than national interests an effort which began in Missouri in 1838 and lasted through the Spanish American War of 1898 From World War I onward however the military exceptionalism of the LDS Church faded and Mormon soldiers came to serve national interests as loyal citizens alongside their fellow Americans The Mormon Military Experience 1838 to the Cold War is the first book to present a historical overview of the Mormon military experience Sherman Fleek and Robert Freeman tell this unique story of how the Church of Jesus Christ of Latter day Saints has experienced war and military service and of their teachings concerning participation in armed conflict The LDS Church s distinct relationship between religious life and military service is rooted in its adherence to the Book of Mormon and its unique doctrine based in ancient and then modern revelations from church leaders Religious and military exceptionalism went hand in hand during the nineteenth century when LDS Church leaders dictated when and how members would serve in armed conflict Mormon militiamen were often more loyal to church interests and the guidance of LDS leaders than they were to government policy from mustering of the Mormon Battalion during the Mexican War to orchestrating the armed effort during the Utah War of 1857 1858 to serving as Civil War volunteers in the West Similarly they followed Church leaders teachings not to serve in the Civil War s bloody campaigns in the East While LDS leaders adapted church practices and policies to support national objectives at times there were also occasions when Mormon militia units defied state and federal military forces sometimes to the point of open combat No other American denomination has done this This is a story about changing loyalties as the LDS Church transformed from a personalist religious movement on the edge of society to a mainstay of American religious and political life Mormons have moved from battling the US military to serving with distinction within it Massacre at Mountain Meadows Ronald W. Walker, Richard E. Turley, Glen M. Leonard, 2011-02-09 On September 11 1857 a band of Mormon militia under a flag of truce lured unarmed members of a party of emigrants from their fortified encampment and with their Paiute allies killed them More than 120 men women and children perished in the slaughter Massacre at Mountain Meadows offers the most thoroughly researched account of the massacre ever written Drawn from documents previously not available to scholars and a careful re reading of traditional sources this gripping narrative offers fascinating new insight into why Mormons settlers in isolated southern Utah deceived the emigrant party with a promise of safety and then killed the adults and all but seventeen of the youngest children The book sheds light on factors contributing to the tragic event including the

war hysteria that overcame the Mormons after President James Buchanan dispatched federal troops to Utah Territory to put down a supposed rebellion the suspicion and conflicts that polarized the perpetrators and victims and the reminders of attacks on Mormons in earlier settlements in Missouri and Illinois It also analyzes the influence of Brigham Young's rhetoric and military strategy during the infamous Utah War and the role of local Mormon militia leaders in enticing Paiute Indians to join in the attack Throughout the book the authors paint finely drawn portraits of the key players in the drama their backgrounds personalities and roles in the unfolding story of misunderstanding misinformation indecision and personal vendettas The Mountain Meadows Massacre stands as one of the darkest events in Mormon history Neither a whitewash nor an exposé Massacre at Mountain Meadows provides the clearest and most accurate account of a key event in American religious history

Mormons at the Missouri Richard Edmond Bennett, 2004 The Mormon trek westward from Illinois to the Salt Lake Valley was an enduring accomplishment of American overland trail migration however their wintering at the Missouri River near present day Omaha was a feat of faith and perseverance Richard E Bennett presents new facts and ideas that challenge old assumptions particularly that life on the frontier encouraged American individualism With an excellent command of primary sources Bennett assesses the role of women in a pioneer society and the Mormon strategies for survival in a harsh environment as they planned their emigration coped with internal dissension and Indian agents and dealt with tribes of the region This says Bennett Mormonism in the raw on the way to what it would be later Now available in paperback for the first time with a new introduction by the author Mormons at the Missouri received the Francis M and Emily Chipman Award from the Mormon History Association and was honored as a Choice Outstanding Academic Title by the American Library Association

Mormon Historical Studies, 2000

The Mormon Rebellion David L. Bigler, Will Bagley, 2011-11-19 In 1857 President James Buchanan ordered U S troops to Utah to replace Brigham Young as governor and restore order in what the federal government viewed as a territory in rebellion In this compelling narrative award winning authors David L Bigler and Will Bagley use long suppressed sources to show that contrary to common perception the Mormon rebellion was not the result of Buchanan's blunder nor was it a David and Goliath tale in which an abused religious minority heroically defied the imperial ambitions of an unjust and tyrannical government They argue that Mormon leaders had their own far reaching ambitions and fully intended to establish an independent nation the Kingdom of God in the West Long overshadowed by the Civil War the tragic story of this conflict involved a tense and protracted clash pitting Brigham Young's Nauvoo Legion against Colonel Albert Sidney Johnston and the U S Army's Utah Expedition In the end the conflict between the two armies saw no pitched battles but in the authors view Buchanan's decision to order troops to Utah his so called blunder eventually proved decisive and beneficial for both Mormons and the American republic A rich exploration of events and forces that presaged the Civil War The Mormon Rebellion broadens our understanding of both antebellum America and Utah's frontier theocracy and offers a challenging reinterpretation of a controversial chapter in Mormon annals

The Oatman Massacre Brian McGinty,2014-10-22 The Oatman massacre is among the most famous and dramatic captivity stories in the history of the Southwest In this riveting account Brian McGinty explores the background development and aftermath of the tragedy Roys Oatman a dissident Mormon led his family of nine and a few other families from their homes in Illinois on a journey west believing a prophecy that they would find the fertile Land of Bashan at the confluence of the Gila and Colorado Rivers On February 18 1851 a band of southwestern Indians attacked the family on a cliff overlooking the Gila River in present day Arizona All but three members of the family were killed The attackers took thirteen year old Olive and eight year old Mary Ann captive and left their wounded fourteen year old brother Lorenzo for dead Although Mary Ann did not survive Olive lived to be rescued and reunited with her brother at Fort Yuma On Olive s return to white society in 1857 Royal B Stratton published a book that sensationalized the story and Olive herself went on lecture tours telling of her experiences and thrilling audiences with her Mohave chin tattoos Ridding the legendary tale of its anti Indian bias and questioning the historic notion that the Oatmans attackers were Apaches McGinty explores the extent to which Mary Ann and Olive may have adapted to life among the Mohaves and charts Olive s eight years of touring and talking about her ordeal

Army of Israel David L. Bigler,Will Bagley,2000 For more than a century the history of the American Frontier particularly the West has been the speciality of the Arthur H Clark Company We publish new books both interpretive and documentary in small high quality editions for the collector researcher and library **Patriots, Prostitutes, and Spies** John M.

Belohlavek,2017-07-05 In *Patriots Prostitutes and Spies* John M Belohlavek tells the story of women on both sides of the Mexican American War 1846 48 as they were propelled by the bloody conflict to adopt new roles and expand traditional ones American women back home functioned as anti war activists pro war supporters and pioneering female journalists Others moved west and established their own reputations for courage and determination in dusty border towns or bordellos Women formed a critical component of the popular culture of the period as trendy theatrical and musical performances drew audiences eager to witness tales of derring do while contemporary novels in tales resplendent with heroism and the promise of love fulfilled painted a romanticized picture of encounters between Yankee soldiers and fair Mexican señoritas Belohlavek juxtaposes these romantic dreams with the reality in Mexico which included sexual assault women soldaderas marching with men to provide critical supportive services and the challenges and courage of working women off the battlefield In all Belohlavek shows the critical roles played by women real and imagined on both sides of this controversial war of American imperial expansion **Mormonism** W. Paul Reeve,Ardis E. Parshall,2010-08-10 It began in upstate New York with Joseph Smith s miraculous vision It spread across the American West with Brigham Young s founding of over 300 settlements and his establishment of Utah as its headquarters Today Mormonism is continually expanding with more members outside the United States than within Mormonism A Historical Encyclopedia helps readers explore a church that has gone from being an object of ridicule and sometimes violent persecution to a worldwide religion counting prominent businesspeople and political

leaders among its members including former Massachusetts governor and 2012 presidential candidate Mitt Romney

From Texas to San Diego in 1851 Samuel Washington Woodhouse, 2007 Samuel W Woodhouse physician and naturalist with the 1851 Sitgreaves expedition to explore the southwestern territories won in the war with Mexico kept a journal of the expedition from San Antonio to San Diego describing the people topography plants and animals encountered This is the first publication of his account Provided by publisher **The Oxford Handbook of History and Material Culture** Ivan Gaskell, Sarah Anne Carter, 2020 Most historians rely principally on written sources Yet there are other traces of the past available to historians the material things that people have chosen made and used This book examines how material culture can enhance historians understanding of the past both worldwide and across time Deploying material culture to discover the pasts of constituencies who have left few traces in written record the authors present familiar historical problems in new ways This volume offers case studies arranged thematically in six sections that address the relationship of history and material culture to cognition technology the symbolic social distinction and memory *Utah Historical Quarterly* J. Cecil Alter, 2018 List of charter members of the society v 1 p 98 99 *The Great Medicine Road, Part 1* Will Bagley, 2014 Between 1841 and 1866 more than 500 000 people followed trails to Oregon California and the Salt Lake Valley in one of the greatest mass migrations in American history This collection of travelers accounts of their journeys in the 1840s the first volume in a new series of trail narratives comprises excerpts from pioneer and missionary letters diaries journals and memoirs many previously unpublished accompanied by biographical information and historical background *Dale Morgan on the Mormons* Dale Morgan, 2014-02-27 Dale L Morgan 1914 1971 remains one of the most respected historians of the American West and his broad and influential career one of the least understood Among today s scholars his reputation rests largely on his studies of the fur trade and overland trails yet throughout his life Morgan s perennial goal was to complete a history of the Latter Day Saints In this volume the second of a two part set Morgan s writings on the Mormons finally receive the attention and analysis they merit Dale Morgan on the Mormons is a far reaching compilation of the historian s published and unpublished writings Edited and annotated by Morgan scholar Richard L Saunders the collection includes not only essays but also book reviews and bibliographic studies many published here for the first time At the heart of this second volume is a newly corrected presentation of Morgan s unfinished magnum opus The Mormons Also included are a number of forgotten treasures including Morgan s still definitive article on the Emmett Company which headed west from Nauvoo in 1844 as the first party of westering Latter Day Saints his privately distributed bibliography of the lesser Mormon churches and the historian s last published reflections on the Mormon experience Throughout Saunders provides informative introductions that place each of the writings or groups of writings into biographical and historical context **The Zamorano 80 Revisited** Gordon J. Van De Water, 2010-04-16 The vademecum to the legendary Zamorano 80 goal of many bibliophiles of the Golden State A great reference and a sirens call to the world of bibliomania W Michael Mathes Professor Emeritus University

of San Francisco Holder of the Orden Mexicana del guila Azteca author of numerous books in Spanish and English **At Sword's Point, Part 1** William P. MacKinnon, 2016-10-27 The Utah War of 1857 58 the unprecedented armed confrontation between Mormon Utah Territory and the U S government was the most extensive American military action between the Mexican and Civil wars At Sword s Point presents in two volumes the first in depth narrative and documentary history of that extraordinary conflict William P MacKinnon offers a lively narrative linking firsthand accounts most previously unknown from soldiers and civilians on both sides This first volume traces the war s causes and preliminary events including President Buchanan s decision to replace Brigham Young as governor of Utah and restore federal authority through a large army expedition Also examined are Young s defensive aggressive reactions the onset of armed hostilities and Thomas L Kane s departure at the end of 1857 for his now famous mediating mission to Utah MacKinnon provides a balanced comprehensive account based on a half century of research and a wealth of carefully selected new material Women s voices from both sides enrich this colorful story At Sword s Point presents the Utah War as a sprawling confrontation with regional and international as well as territorial impact As a nonpartisan definitive work it eclipses previous studies of this remarkably bloody turning point in western military and Mormon history **Blood of the Prophets** Will Bagley, 2012-09-06 The massacre at Mountain Meadows on September 11 1857 was the single most violent attack on a wagon train in the thirty year history of the Oregon and California trails Yet it has been all but forgotten Will Bagley s Blood of the Prophets is an award winning riveting account of the attack on the Baker Fancher wagon train by Mormons in the local militia and a few Paiute Indians Based on extensive investigation of the events surrounding the murder of over 120 men women and children and drawing from a wealth of primary sources Bagley explains how the murders occurred reveals the involvement of territorial governor Brigham Young and explores the subsequent suppression and distortion of events related to the massacre by the Mormon Church and others **Doctors, Disease, and Dying in the Pikes Peak Region** Tim Blevins, 2012 Readers will learn about some of the formidable health challenges of our region challenges often overcome by advancements in medical science about the early development of health care as a thriving industry and about the scientists doctors nurses and other concerned professionals who have led the cause for a better quality of life in the Pikes Peak area Among the causes of death discussed in the book readers will learn about combat disease injury murder and many other forms of demise Doctors Disease and Dying in the Pikes Peak Region includes tales of the pioneers traders and military personnel who were both the purveyors and the recipients of needed care There are chapters about the women and men who practiced medicine in this region discussions about internationally significant developments for the treatment of tuberculosis and cancer the impacts of epidemics on the community mental health issues and poverty **The Settlement of America** James A. Crutchfield, Candy Moutlon, Terry Del Bene, 2015-03-26 First Published in 2015 This encyclopaedic collection includes Volumes 1 A L and 2 M Z as well as essays on the settlement of America It can be argued that the westward expansion occurred only one week after

the English landfall at Jamestown Virginia on May 14 1607 Beginning on May 21 Captain John Smith one of the colonization company s leaders and twenty one companions made their way northwest up the James River for some 50 or 60 miles 80 or 96 km

When somebody should go to the book stores, search instigation by shop, shelf by shelf, it is in fact problematic. This is why we provide the ebook compilations in this website. It will unconditionally ease you to see guide **Army Of Israel Mormon Battalion Narratives** as you such as.
