EXCLUSIVE QUALITY TAPES

By now you have had a chance to listen to your Delco-GM/Bose demonstration tape, and realize that its quality far exceeds that of standard commercially available tapes. This is due to superior recording and duplication techniques.

While standard tapes will sound better than you probably ever heard them before, the Delco-GM/Bose Music System has the capability to take advantage of superior tapes. Your demonstration tape reveals how much more enjoyment is available from the system if you use superior tapes.

Because you purchased a car equipped with a Delco-GM/Bose Music System, you automatically qualify to become a member of the Private Performances Collection. This tape club features tapes of the same very high quality as the demonstration tape you received with your car.

You should receive an invitation to join the Private Performances Collection approximately two months after you purchased your car equipped with the Delco-GM/Bose Music System.
