Thud! Terry Pratchett, 2009-12-01 FOR THE ENEMY IS NOT TROLL NOR IS IT DWARF BUT IT IS THE BALEFUL THE MALIGN THE COWARDLY THE VESSELS OF HATRED THOSE WHO DO A BAD THING AND CALL IT GOOD In the city of Ankh Morpork tension is rising between dwarf and troll communities A dwarven fanatic has been stoking the flames of an old hatred born of the Battle of Koom Valley an ancient war between the races that neither side has quite got over When the dwarf is murdered with a troll the only witness Commander Sam Vimes of the City Watch must solve the case before history repeats itself With his beloved Watch crumbling around him and war drums sounding Vimes must unravel every clue outwit every assassin and brave any darkness to find the solution But darkness is following him And at six o'clock every day he must go home to read a bedtime story to his son There are some things you have to do Consistently funny consistently clever and consistently surprising in its twists and turns SFX *Thud* is the seventh book in the City Watch series but you can read the Discworld novels in any order

The Modern Literary Werewolf Brent A. Stypczynski, 2013-05-16 Throughout history from at least as far back as the Epic of Gilgamesh mankind has shown a fascination with physical transformation especially that of humans into animals Tales of such transformations appear in every culture across the course of history They have been featured in the Western world in the work of such authors as Ovid Petronius Marie de France Saint Augustine Jack Williamson Charles de Lint Charaline Harris Terry Pratchett and J K Rowling This book approaches werewolves as representations of a proposed shape shifter archetype examining with reference to earlier sources how and why the archetype has been employed in modern literature Although the archetype is in a state of flux by its very definition many common threads are linked throughout the literary landscape even as modern authors add modify and reinvent characteristics and meanings This is especially true in the work of such authors examined in this book many of whom have struck a chord with a wide range of readers and non readers around the world They seem to have tapped into something that affects their audiences on a subconscious level

Thud! Terry Pratchett, 2009-10-13 Start with Douglas Adams's comic science fiction *A Hitchhiker's Guide to the Galaxy* and J R R Tolkien's alternative worlds mix in James Ellroy's gritty realism and Jonathan Swift's unflinching satire and if you're lucky you'll get something like Terry Pratchett's *Thud* Wall Street Journal City Watch Commander Sam Vimes must solve the murder of a prominent dwarf or watch as Discworld is plunged into a bloody civil war in Terry Pratchett's delightful Discworld satire a brilliant tale of prejudice ancient feuds and tender fatherhood Long long ago in a gods forsaken hellhole called Koom Valley trolls and dwarfs met in bloody combat Centuries later each side still views the other with simmering animosity that has been heightened of late because of one Grag Hamcrusher The influential dwarf has been fomenting unrest among a section of Ankh Morpork's citizenry a volatile situation made far worse when the petite provocateur is discovered bashed to death with a troll club lying conveniently nearby If he doesn't solve the murder of just one dwarf Commander Sam Vimes of Ankh Morpork City Watch is going to see it fought

again right outside his office But more than one corpse is waiting for Vimes in the eerie summoning darkness of a labyrinthine mine network being secretly excavated beneath Ankh Morpork s streets With war drums beating ever louder Vimes must unravel every clue outwit every assassin and brave any darkness to find the solution And the darkness is following him pulling him deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself Until six o clock every day when without fail the Commander goes home to read Where s My Cow with accompanying farmyard noises to his little boy Because there are some things you must do The Discworld novels can be read in any order but Thud is the 7th book in the City Watch collection and the 34th Discworld book The City Watch collection in order Guards Guards Men at Arms Feet of Clay Jingo The Fifth Elephant Night Watch Thud Snuff **Thud!** Terry Pratchett,2014 A seemingly routine day in the life of City Watch commander Sam Vimes is abruptly interrupted by an unsolved murder an impending war an unwanted new recruit and a pesky government inspector By the author of Going Postal It s a game of Trolls and Dwarfs where the player must take both sides to win It s the noise a troll club makes when crushing in a dwarf skull or when a dwarfish axe cleaves a trollish cranium It s the unsettling sound of history about to repeat itself THUD It s the most extraordinary outrageous provocative insightful and keenly cutting flight of fancy yet from Discworld s incomparable supreme creator Terry Pratchett Commander Sam Vimes of the Ankh Morpork City Watch admits he may not be the sharpest knife in the cutlery drawer He might not even be a spoon But he s dogged and honest and he ll be damned if he lets anyone disturb his city s always tentative peace and that includes a rabble rousing dwarf from the sticks or deep beneath them who s been stirring up big trouble on the eve of the anniversary of one of Discworld s most infamous historical events Centuries earlier in a gods forsaken hellhole called Koom Valley a horde of trolls met a division of dwarfs in bloody combat Though nobody s quite sure why they fought or who actually won hundreds of years on each species still bears the cultural scars and one views the other with simmering animosity and distrust Lately an influential dwarf Grag Hamcrusher has been fomenting unrest among Ankh Morpork s more diminutive citizens with incendiary speeches And it doesn t help matters when the pint size provocateur is discovered beaten to death with a troll club lying conveniently nearby Vimes knows the well being of his smoldering city depends on his ability to solve the Hamcrusher homicide without delay Vimes s secondmost pressing responsibility in fact next to being home every evening at six sharp to read Where s My Cow to Young Sam Whatever it takes to unstick this very sticky situation Vimes will do it even tolerating having a vampire in the Watch But there s more than one corpse waiting for him in the eerie summoning darkness of the vast labyrinthine mine network the dwarfs have been excavating in secret beneath Ankh Morpork s streets A deadly puzzle is pulling Sam Vimes deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself **Night Watch** Terry Pratchett,2009-12-01 DON T PUT YOUR TRUST IN REVOLUTIONS THEY ALWAYS COME ROUND AGAIN THAT S WHY THEY RE CALLED REVOLUTIONS PEOPLE DIE AND NOTHING CHANGES The twenty fifth of May is an important

sombre day in Ankh Morpork the anniversary of one of the city's bloodiest rebellions But crime stops for nothing as Commander Sam Vimes of the City Watch knows When a notorious serial killer emerges from hiding the chase leads the Watch to the roofs of Unseen University where a magical storm is brewing It's a case of wrong place very wrong time For Vimes finds himself back in his own rough tough past with only a killer for company and a city on the brink of revolution to contend with But he must survive because he has a job to do track down the murderer and change the outcome of the rebellion And get back to the future before his wife gives birth of course All in a day's work The best Discworld book in the whole world ever Until next time SFX Night Watch is the sixth book in the City Watch series but you can read the Discworld novels in any order Night Watch Terry Pratchett,2011 Don't put your trust in revolutions They always come round again That's why they're called revolutions People die and nothing changes For a policeman there can be few things worse than a serial killer at loose in your city Except perhaps a serial killer who targets coppers and a city on the brink of bloody revolution The people have found their voice at last the flags and barricades are rising And the question for a policeman an officer of the law a defender of the peace is Are you with them or are you against them **Night Watch** Terry Pratchett,2008-09-04 Don't put your trust in revolutions They always come round again That's why they're called revolutions People die and nothing changes For a policeman there can be few things worse than a serial killer at loose in your city Except perhaps a serial killer who targets coppers and a city on the brink of bloody revolution The people have found their voice at last the flags and barricades are rising And the question for a policeman an officer of the law a defender of the peace is Are you with them or are you against them Night Watch Terry Pratchett,2014-03-27 Sixth book of the original and best CITY WATCH series now reinterpreted in BBC's The Watch The best Discworld book in the whole world ever Until next time SFX The Discworld is very much like our own if our own were to consist of a flat planet balanced on the back of four elephants which stand on the back of a giant turtle that is Don't put your trust in revolutions They always come round again That's why they're called revolutions People die and nothing changes For a policeman there can be few things worse than a serial killer loose in your city Except perhaps a serial killer who targets coppers and a city on the brink of bloody revolution For Commander Sam Vimes it all feels horribly familiar Caught on the roof of a very magical building during a storm he's found himself back in his own rough tough past without even the clothes he was standing up in when the lightning struck Living in the past is hard especially when your time travel companion is a serial killer who knows where you live But he must survive because he has a job to do track down the murderer and change the outcome of the rebellion The problem is if he wins he's got no wife no child no future Feet of Clay Terry Pratchett,2013-07 Someone is murdering old men the Patrician has been poisoned the clay workers have started committing suicide and there is a werewolf suffering from pre lunar tension

Pyramids Terry Pratchett,2012-11-05 Look after the dead said the priests and the dead will look after you Wise words in all probability but a tall order when like Teppic you have just become the pharaoh of a small and penniless country rather

earlier than expected and your treasury is unlikely to stretch to the building of a monumental pyramid to honour your dead father He d had the best education money could buy of course but unfortunately the syllabus at the Assassin s Guild in Ankh Morpork did not cover running a kingdom and basic financial acumen *Snuff* Terry Pratchett,2011 The 39th installment in the New York Times bestselling Discworld canon from Terry Pratchett the purely funniest English writer since Wodehouse Washington Post Book World *Jingo* Terry Pratchett,2009-12-01 IT WAS SO MUCH EASIER TO BLAME IT ON THEM IT WAS BLEAKLY DEPRESSING TO THINK THAT THEY WERE US War is brewing on the Discworld An island has appeared from the ocean depths right in the middle of the sea which separates the proud empires of Klatch and Ankh Morpork Of course no one would dream of starting a war with the neighbours without a perfectly good reason such as a strategic piece of old rock for instance But when a Klatchian Prince is almost assassinated peace talks break down and violent nationalism begins to spread Ankh Morpork prepares to fight Only thing is they don t have an army Or much in the way of weapons Commander Sam Vimes and the officially disbanded City Watch get caught up in a deadly political game where the enemy appears to be on both sides and no one will listen to reason And if they don t stop this absurd war no one will Generous amusing and the ideal boarding point for those who have never visited Discworld Sunday Telegraph *Jingo* is the fourth book in the City Watch series but you can read the Discworld novels in any order **Feet Of Clay** Terry Pratchett,2008-12-16 IT WASN T BY ELIMINATING THE IMPOSSIBLE THAT YOU GOT AT THE TRUTH HOWEVER IMPROBABLE IT WAS BY THE MUCH HARDER PROCESS OF ELIMINATING THE POSSIBILITIES Commander Sam Vimes of the City Watch is used to trouble There s always trouble in Ankh Morpork But this is new people are being brutally murdered and there s no evidence of anything alive having been at the crime scene At the same time the most powerful man in the city has been poisoned and is clinging on to life by a thread It s a conundrum of a case With the help of Captain Carrot the only watchman who knows the law inside out Corporal Cheery Littlebottom an unconventional dwarf with an eye for forensics and Constable Angua a werewolf with an excellent sense of smell Vimes tries to solve the mystery But time is of the essence for something extremely dangerous is loose in the city its red eyes glowing in the night Fantastical inventive laughter waiting to be uncovered on each page Observer **Feet Of Clay** is the third book in the City Watch series but you can read the Discworld novels in any order

Interesting Times Terry Pratchett,2013-07 The oldest and most inscrutable empire in the Discworld is in turmoil brought about by the revolutionary treatise What I Did On My Holidays Workers are uniting with nothing to lose but their water buffaloes Warlords are struggling for power War and Clancy are spreading throughout the ancient cities **Feet of Clay** Terry Pratchett,2014-01-28 It s murder in Discworld which ordinarily is no big deal But what bothers Watch Commander Sir Sam Vimes is that the unusual deaths of three elderly Ankh Morporkians do not bear the clean efficient marks of the Assassins Guild An apparent lack of any motive is also quite troubling All Vimes has are some tracks of white clay and more of those bothersome clue things that only serve to muck up an investigation The anger of a fearful populace is already being

dangerously channeled toward the city's small community of golems the mindless absurdly industrious creatures of baked clay who can occasionally be found toiling in the city's factories And certain highly placed personages are using the unrest as an excuse to resurrect a monarchy which would be bad enough even if the king they were grooming wasn't as empty-headed as your typical animated pottery

The Streets Of Ankh-Morpork Stephen Briggs, Terry Pratchett, 2020-04-16 Lose yourself in the glorious technicolour of Ankh Morpork mapped in meticulous detail for the very first time A beautiful gift edition complete with fold out map and pull out information booklet and a fantastic accompaniment to the novels Tells you the answers to all the questions you had about Ankh Morpork Reader review The whole thing is really charming Every time you look at it something new is revealed Reader review A fascinating look into the streets of Terry Pratchett's mind Reader review THERE'S A SAYING THAT ALL ROADS LEAD TO ANKH MORPORK AND IT'S WRONG ALL ROADS LEAD AWAY FROM ANKH MORPORK BUT SOMETIMES PEOPLE JUST WALK ALONG THE WRONG WAY from Moving Pictures Ankh Morpork City of One Thousand Surprises according to the famous publication by the Guild of Merchants All human life is there Although if it walks down the wrong alley often quite briefly The city celebrated in the bestselling Discworld series by Sir Terry Pratchett has been meticulously mapped for the first time It's all here from Unseen University to the Shades from major landmarks like the Patrician's Palace to little known er nooks like Dwarf Bread Museum in Whirligig Alley See the famous streets beaten by Sam Vimes and the Ankh Morpork City Watch the cobbles along which so many heroes have walked in some cases quite hurriedly As leading Ankh Morpork entrepreneur C M O T Dibbler would say a nip at any price and that's cutting our own throat Well close A deluxe and stunning gift edition with pull out booklet and fold out map the ultimate present for every Discworld fan who has ever dreamed of seeing the world of Sir Terry Pratchett come to life

Snuff Terry Pratchett, 2011-10-13 THE JURISDICTION OF A GOOD MAN EXTENDS TO THE END OF THE WORLD Commander Sam Vimes of the Ankh Morpork City Watch is having some time off Apparently But crime doesn't take a break it's a truth universally acknowledged that a policeman on holiday would barely have time to open his suitcase before he finds his first corpse In the seemingly peaceful countryside Vimes discovers much more than a body in the wardrobe For the local nobles are hiding a deep dark secret There are many many bodies and an ancient atrocity more terrible than murder Vimes is out of his jurisdiction out of his depth and out of his mind But never out of ideas Where there is a crime there must be a punishment They say that in the end all sins are forgiven This might be the exception As effortlessly generously funny as only Pratchett can be Snuff doesn't stint on laying bare the darker side of life either Sunday Times Snuff is the eighth book in the City Watch series but you can read the Discworld novels in any order

Thief of Time Terry Pratchett, 2013-10-10 Time is a resource Everyone knows it has to be managed You mess with it at your peril You can let it move fast or slowly but what you mustn't do is allow it to stop On the Discworld time management is the job of the Monks of History who store it and pump it from the places where it's wasted like the underwater how much time does a codfish need to places like cities where there's

never enough time But the construction of the world's first truly accurate clock starts a race against well time for Lu Tze and his apprentice Lobsang Ludd Because it will stop time And when time stands still everything stops with it Then there really is no future Men at Arms Terry Pratchett, 2013-02-14 What's so hard about pulling a sword out of a stone The real work's already been done You ought to make yourself useful and find the man who put the sword in the stone in the first place The City Watch needs MEN But what it's got includes Corporal Carrot technically a dwarf Lance constable Cuddy really a dwarf Lance constable Detritus a troll Lance constable Angua a woman most of the time and Corporal Nobbs disqualified from the human race for shoving And they need all the help they can get because someone in Ankh Morpork has been getting dangerous ideas about crowns and legendary swords and destiny And the problem with destiny is of course that she is not always careful where she points her finger One minute you might be minding your own business on a normal if not spectacular career path the next you might be in the frame for the big job like saving the world *The Fifth Elephant* Terry Pratchett, 1999 The Fifth Elephant is the latest installment in the Discworld cycle starring dwarfs diplomacy intrigue and big lumps of fat Sam Vimes is a man on the run Yesterday he was a duke a chief of police and the ambassador to the mysterious fat rich country of Uberwald Now he has nothing but his native wit and the gloomy trousers of Uncle Vanya don't ask It's snowing It's freezing And if he can't make it through the forest to civilization there's going to be a terrible war But there are monsters on his trail They are bright They are fast and they are catching up
