values in the media world of newspapers TV and radio over the past twenty years in particular those of integrity independence of thought and accuracy He was prompted to start work on his book by the low standing of journalists at the bottom near estate agents and politicians in recent opinion polls on the esteem in which the public holds those in different professions He takes the reader through a whole gamut of journalistic tricks which pinpoint the failings of the media in over fifty short chapters including the death of the reporter prejudicial words shovel it all in the sub s role my beautiful career same old celebrities money worship and headlines and fib lines In snubbing we see how a colourfully dramatic conflict or a cauldron of ill will can be created where possibly none exists The general public is becoming increasingly aware of the unsatisfactory state of affairs in media journalism which is highlighted by the periodic distortions caused by the political ambitions of chief executives and tycoons misleading headlines and its extraordinary obsession with celebrity culture Tricks Journalists Play is essential reading for the majority of us who care about the pernicious effects of spin misrepresentation and deception and social and international prejudice the purveying of half truths in relation to crucial issues that affect our future and the failure to report fully and accurately on matters that have a bearing on freedom and democracy in this country An experienced journalist himself Dennis Barker has worked for the Guardian since the 1960s in many roles from feature writer and media correspondent to general columnist and at the moment is a contributor of obituaries mainly in the media and entertainment spheres Sarah Birke in New Statesman Journalists are seen as a cynical bunch not just by politicians but by the general public as well Noble ideas of honesty accuracy and a bit of hard graft seem to have been abandoned in favour of networking and re spun press releases Barker does well to call for more investigative journalism and a public campaign to rethink within the profession Tom Easton in Lobster no 55 summer 2008 Apropos of Flat Earth News he writes Other reporters including for example a Guardian writer of a slightly earlier vintage than Nick Davies Dennis Barker have given insider insight on what goes on Barker s low key book deserves a wide audience for its breadth and witty clarity Roger Silver on Amazon co uk August 2008 four star One way of being forearmed would be to read this book and learn from the insights it provides into much journalistic behaviour Writing as an insider he gives examples of the tricks and sleights of hand used by journalists in a host of different situations His book is a valuable navigational aid for anyone thrust willingly or unwillingly into the potentially treacherous waters of media relations It is also a disturbing commentary on declining journalistic values which Dennis Barker so demonstrably deplores The Lost Testament Alan Gold,1996 A suspense filled thriller ripped from tomorrow s headlines when the sacred meets the secular mankind will stop at nothing in the name of the word When the news is heard that a prophetic testament written by Jesus Christ may yet exist scholars fortune hunters religious groups and reporters converge on the site within hours Their reasons vary but their desire is the same **The Darkest Valley** J. A. Bouma,2024 Stand Against the Darkness One small town six deaths all females all from the same small Baptist church Not just any kind of deaths either The despairing kind that ends it all on one s own terms There is no rhyme or reason for the

perfectly normal teenage girls and women ending it all engulfing the town in frightening questions that beg for clarifying answers they aren't sure they're ready to discover Rising to the challenge to solve this inexplicable case is Group X The Church's investigative agents Elijah Fox and Gina Anderson race to Mill Creek Junction to investigate this cluster of self death that threatens to bloom into a monstrous contagion and consume a reeling community In a case ripped from the headlines that speaks prophetically to our age Group X must solve this unfathomable mystery menacing one small town and confront a haunting fearsome darkness from consuming more innocent lives Dark gritty supernatural suspense at its finest fans of Frank Peretti and Dean Koontz will devour this briskly paced heart pounding puzzle mystery that will leave you breathless a haunting tale highlighting the fantastical side to life waged by the dark powerful forces of the Unseen Realm
