Un Lun Dun By China Miéville:

Un Lun Dun China Miéville, 2008-09-04 The iron wheel began to spin slowly at first then faster and faster The room grew darker As the light lessened so did the sound Deeba and Zanna stared at each other in wonder The noise of the cars and vans and motorbikes outside grew tinny The wheel turned off all the cars and turned off all the lamps It was turning off London Zanna and Deeba are two girls leading ordinary lives until they stumble into the world of UnLondon an urban Wonderland where all the lost and broken things of London end up and some of its lost and broken people too Here discarded umbrellas stalk with spidery menace carnivorous giraffes roam the streets and a jungle sprawls beyond the door of an ordinary house UnLondon is under siege by the sinister Smog and its stink junkie slaves it is a city awaiting its hero Guided by a magic book that can't quite get its facts straight and pursued by Hemi the half ghost boy the girls set out to stop the poisonous cloud before it burns everything in its path They are joined in their quest by a motley band of UnLondon locals including Brokkenbroll boss of the broken umbrellas Obaday Fing a couturier whose head is an enormous pincushion and an empty milk carton called Curdle Winner of the Locus Award for Best Young Adult Book China Miéville's **Un Lun Dun** is an extraordinary vivid creation is populated by astonishing frights and delights that will thrill the imagination **China Miéville** Tony Venezia, Sherryl Vint, Raphael Zähringer, Dougal McNeill, Joe Sutcliffe Sanders, Paul March-Russell, Ben De Bruyn, Matthew Sangster, Anthony F. Lang, Jr., Mark P. Williams, Roger Luckhurst, 2015-12-01 The chapters in this collection respond to the range of interests that have shaped Miéville's fiction from his influential role in contemporary genre debates to his ability to pose serious philosophical questions about state control revolutionary struggle regimes of apartheid and the function of international law in a globalized world This collection demonstrates how Miéville's fictions offer a striking example of contemporary literature's ability to imagine alternatives to neoliberal capitalism at a time of crisis for leftist ideas within the political realm **Art and Idea in the Novels of China Miéville** Carl Freedman, 2015-09-07 This book offers in the first six chapters critical readings of six novels by China Miéville which are followed in the seventh chapter by a theoretical meditation on some of the conceptual issues raised by and engaged in the Miéville oeuvre There comes a moment in *The City* the City though it is not necessarily the same moment for every reader when you realise that Beszel and Ul Qoma are not separate realms but the same space divided Likewise art and idea are often subject to absurd partition but then along comes an author such as China Miéville who shows them to be in truth indissoluble So argues Freedman's inordinately readable and just as rigorous account of Miéville's major novels Highly recommended Mark Bould University of the West of England Freedman offers a compelling interpretation of Miéville's novels informed equally by an impressive range of literary influences and a carefully documented exploration of historical antecedents Seeing Miéville's genre hybridity as an illustration of the power of dialectical thinking Freedman illuminates the complex utopian project of Miéville's fiction Freedman is one of our finest critical voices on Miéville one of the most important speculative writers of the 21st century
