Wake Up Call By Victoria Ashley:

Wake Up Call Victoria Ashley, 2013-08-08 My heart stopped and suddenly it was hard to breathe His voice always had that affect on me It was like poison slowly running through my veins killing me bit by bit Like a drug that I couldn't get enough of even though I was almost down to my last breath Jace took a step forward and grabbed my hand He slowly trailed his fingers over my face and backed me into the wall My heart stopped again if that was even possible You can't leave he whispered I need you His warm breath kissed my lips as he bit his bottom lip and placed both of his hands around my face They were warm and soft to the touch Too big for my fragile face although I wanted to bury myself in them Breathe There is no one here but the two of us Breathe he whispered Avery Hale had spent her whole childhood abused by her drunken drugged up parents Broken from a lifetime of hatred and pain she grew up realizing that trust and love just didn't exist Not in her world at least After turning the age of eighteen she packed up and moved far away determined to escape her painful past and start a new life for herself Once on her own she comes to the conclusion that the emptiness still exists In order to survive she found herself mixed up in exotic dancing and meaningless sexual relationships numb to any emotion for anyone She was sure that her life was worthless and there was nothing left for her this was the best it would get After meeting a beautiful stranger her life suddenly is turned upside down Everything she believed suddenly gets questioned She is left to figure out if there is really more to her than she could ever have imagined Jace having some secrets of his own puts the pain of his own past behind to do what he can to help Avery Can the love of another broken person be enough to help Avery or is she already too far gone Avery's life is pulled in many directions as she tries to find herself and not everyone and thing is what they seem to be in this story of love trust and opening up Finding herself and learning to love herself might just be the hardest thing she's ever had to do

Private investigator Rick Talbot shuns polite society preferring to keep horrific memories at bay by hunting the most hardened of criminals Tracking down stolen bridles at a California racetrack is a mind numbing assignment that's way beneath his pay grade Besides he isn't burned out and he doesn't need a working vacation no matter what his employer says Rookie trainer Eve Lewis has enough struggles coping with her boss's antagonistic wife and a track community that resents outsiders Theft and sabotage have made riding impossible and so far none of her horses have even made it to the starting gate The last thing she needs is a badass investigator reporting on all her problems and threatening her ability to provide for her young son But Rick is tough smart and drop dead gorgeous and seems like the best man to help when the sabotage reveals more sinister undertones In fact as their attraction builds she begins to believe he's the perfect man in every way

However when hostilities turn deadly Rick must conquer old demons or risk losing Eve forever Wounded as he is can he ever be anything more than a paid protector *Somebody's Child* Lynne Van Luven, Bruce Gillespie, 2011 Twenty five contributors discuss their experience of the adoption process Blood Line Samantha Shu, 2009-08-21 A gripping mystery begins to unfold in the mile high city A young journalist discovers herself drawn into murky waters A CIA investigation begins to unravel and two people become the center of it all Fake It Hard Nora Kensington, 2025-05-07 Fake dating was supposed to be simple Then he kissed her like he meant it NFL rookie Matthew has it all looks talent a championship contract and a reputation as the hottest player on and off the field But when a wild night out lands his face on the front page for all the wrong reasons his career teeters on the edge The only way to fix his image A fake girlfriend Fast Enter Ashley She s fun feisty freshly heartbroken and swearing off athletes forever After one explosive one night stand with a cocky stranger the last thing she expects is to see him again Let alone find out he s the newest NFL golden boy and he needs a favor Pretending to date the guy who rocked her world Bad idea Pretending she doesn t still want him Even worse But what starts as a PR stunt turns into something dangerously real With sparks flying secrets brewing and a photo that could ruin everything Ash and Matt are in over their heads and falling hard **Superpower Britain** Ashley Jackson, Andrew Stewart, 2025-01-13 History tells us that the Second World War broke Britain as a great power diminishing its military strength ruining its economy and precipitating a striking wave of decolonization Nationalists and new superpowers dominated the post war landscape and the country was on the slide But no one knew this in 1945 the leading politicians the top civil servants and the most knowledgeable experts all expected the British Empire to remain intact long into the future There was no hint of imminent collapse and the governing elite and key opinion shapers weren t considering decline and decolonization evincing instead a new zeal for imperial renovation and a belief that an empire which had just survived another global conflict was vital for the peace and security of all humankind They were even looking to expansion securing the spoils of victory as they had done at the end of the First World War Fully expecting to continue leading a great empire as well as a bloc of European nations recovering from war the British had their own vision of the new world order Furthermore and astonishingly given what actually happened British leaders were convinced that parity could be gained with the Americans and the Soviets Britain was to remain a superpower in its own right What actually happened differed radically from these expectations The question is how do we account for the difference between what it was thought would happen and the actual course of events *Superpower Britain* is the first book to focus in depth on this fascinating counterpoint and to fully integrate the history of Britain and the effects of the Second World War with the history of the British Empire It explains what the British planned to do in the post war world why they thought their plans for regeneration and the future world order were viable and what the war had actually done to British world power and its imperial foundations *The Personal Life of David Livingstone... William Garden Blaikie... William Garden Blaikie,1881 *A Matter of Trust* Wendy Davy,2014-03-14 Uncover the secrets in this high stakes suspenseful romance Federal Agent James Montgomery is used to getting what he wants Right now he wants to find out what Victoria Connor knows about her grandfather s illegal activities Prepared to do whatever it takes he plunges into her life with single minded determination intent on gaining the trust she is so reluctant to give But when his compassionate suspect challenges him to face the past that still haunts him he discovers he has much more to learn from her than he first assumed TV Guide ,2006 *Encompassing Darkness* Terah Marie,2018-10-04 For as long as she can remember twenty four year old Cali Stenson has experienced vivid nightmares and disruptive paranormal activity everywhere she goes When she moves to Vancouver from her home city of Toronto she hopes to outrun the dark forces At first things are looking up she gets a promotion at work meets new friends and is even falling in love with a seemingly wonderful man But her life soon starts to spiral out of control and the supernatural events that follow her refuse to give her peace The difference is this time she is not alone she has a group of friends willing to do whatever it takes to help her battle these demons once and for all Faced with her greatest challenges yet Cali must find the strength to listen to what the forces are trying to tell her and most of all to listen to her heart *The Making of a Tory Evangelical* David Furse-Roberts,2019-03-08 As one of Victorian Britain s pre eminent social reformers Lord Shaftesbury 1801 85 exerted a lasting impact surpassing all of his parliamentary contemporaries Despite being born into one of England s aristocratic families a combination of early childhood deprivation an earnest Evangelical faith and an abiding sense of noblesse oblige made him a champion of the poor His seminal contribution to the Victorian factory reform movement represented just one of his manifold legacies This contextual study of the Seventh Earl of Shaftesbury probes the mind behind the man to evaluate the religious and philosophical ideas and their leading figures that ignited his lifelong activism in the public sphere This book reveals that far from representing a relic of the Victorian age the Earl of Shaftesbury whilst a conservative by predilection was essentially a forward looking and farsighted reformer The principles that Shaftesbury espoused of industrial justice class harmony subsidiarity volunteerism selfless individualism religious observance strong families and private enterprise tempered by moderate state intervention are essentially those prized by liberal democracies today as the foundation for social cohesion prosperity and human flourishing The Personal Life of David Livingstone LL.D., D.C.L., Chiefly from His Unpublished Journals and Correspondence in the Possession of His Family William Garden Blaikie,2024-04-25 Reprint of the original first published in 1881 **The Personal Life of David Livingstone** William Garden Blaikie,1881 Thin Ice Ryan Minkoff,2020-11-01 Ryan Minkoff was blessed with athleticism perseverance and an unquenchable passion for playing hockey His journey to the pros against lofty odds was as he says unconventional Minkoff s love for the game began in Minnesota the State of Hockey where his youth and high school experiences were anything but ordinary His suitcase always packed he played for seven different hockey programs in a fourteen year span While Minkoff s confidence wavered and was

often challenged his determination and passion stayed strong and he found his way to the University of Washington to play in the unfamiliar world of club hockey Despite discouraging circumstances such as games in empty arenas starting well after midnight to hitchhiking home after a long road trip Minkoff not only set records captained the squad and ran the club as the president he also formed strong bonds with his coaches and teammates Following an illustrious club career Minkoff landed in the professional ranks of Finland where in the midst of nearly crashing a Zamboni acting as the town s Santa Claus and sleeping at the rink he truly discovered his gift of a lifetime in the game of hockey Thin Ice is an honest witty inspirational coming of age story Ryan Minkoff s debut memoir is for anyone who roots for an underdog whose dreams will not fade no matter the obstacles

Judy,1890 **A Room Without Toys** Suzanne Person,2008-12-29 A Room Without Toys is essentially the story of Victoria Windsor beautiful and brilliantly gifted star of the London stage and apparently a woman to be envied Yet when we go behind the velvet curtain which would ordinarily separate the actress from her audience we find the reality of her life to be quite different From a childhood which with one touching exception is a lonely one we follow her through the frustration of endless auditions to the years of growing theatrical renown years which at the same time are ironically the emptiest of her life and finally to her meeting with the one man able to awaken her to her full potential both as a human being and as a woman The theme of all this is stated in the title for through much of Victorias life she is indeed like a child in a room without toys Many different elements combine to make this a compelling and yet highly readable novel 1 A strong central character equally as fascinating as any of the real life actresses who has recently felt the urge to tell all in an autobiography 2 The elegance and charm of its London setting London with its theatres its parks its pubs its centuries old association with the majesty of the British crown 3 The glimpse it provides of the backstage world of the theatre a world most people would otherwise never see A Room Without Toys is more however than merely the whole constituted of these parts which are after all only things of the surface and the novel goes much deeper than that Will a child starved for love and caring grow into an emotionally crippled adult for whom normal interpersonal relationships are all but impossible It is this vital psychological issue which the work attempts to explore as slowly Victoria Windsor learns to believe in herself learns to trust and most important of all learns to love
