Fashion and Cultural Studies Susan B. Kaiser, Denise N. Green, 2021-11-04 Bridging theory and practice this accessible text considers fashion from both cultural studies and fashion studies perspectives and addresses the growing interaction between the two fields Kaiser and Green use a wide range of cross cultural case studies to explore how race ethnicity class gender and other identities intersect and are produced through embodied fashion Drawing on intersectionality in feminist theory and cultural studies Fashion and Cultural Studies is essential reading for students and scholars This revised edition includes updated case studies and two new chapters The first new chapter explores religion spirituality and faith in relation to style fashion and dress The second offers a critique of beauty and considers dressed embodiment inclusive of diverse sizes shapes and disabilities Throughout the text Kaiser and Green use a range of examples to interrogate the complex entanglements of production regulation distribution consumption and subject formation within and through fashion

Classified Karen Pittelman, Resource Generation, 2005-12-23 Use your advantage to fight for social change with this resource guide for people with class privilege who are tired of cover ups and ready to figure out how to use privilege for the good of the world The fight for economic justice can draw stark battle lines with the fight portrayed simplistically as Us versus Them with the rich in the role of Them So where does that leave young people with wealth who believe in social change Afraid of being branded the enemy yet deeply committed to social justice they're left in a confusing no man's land This conflict can lead most young people with wealth to keep their privilege hidden making it impossible for them to bring their resources access and connections to the struggle for social change Coauthored by Karen Pittelman who dissolved her 3 million trust fund to cofound a foundation for low income women activists Classified is a resource guide for people with class privilege who are tired of cover ups and ready to figure out how their privilege really works Complete with comics exercises and personal stories this book gives readers the tools they need to put their privilege to work for social change

Forget Them Not Joanne M. Hemenway, 2010-07-09 To witness effectively and powerfully to Christian testimonies of care and compassion of justice and mercy of healing and wholeness it is necessary to foster awareness of the realities of the present system of retributive justice if there is to be any hope of transformation to a system of justice which is restorative Forget Them Not provides a history of the prison system as a means of punishment contrasting it with the relatively recent but growing practice of restorative justice Joanne Hemenway explores the concept of disconnection as radical evil as a

separation from God who is the source of our being and shows how our present approach to punishment fosters this evil The present system with its motif of retributive justice generates shame rejection and loneliness which stokes the fires of anger and rage This breeds deep disconnection which only serves to fuel further cycles of violence Hemenway presents three vignettes designed to help explore forgiveness in the context of both retributive and restorative justice To promote healing and connection Forget Them Not introduces compassionate witnessing in prison ministry as a way to develop awareness and empowerment

War and Money Maurizio Lazzarato, 2025-05-13 Maurizio Lazzarato's War and Money explores the connections between capitalist expansion international economic conflict and war via an analysis of the imperialism of the American dollar He examines why contemporary left wing theorists such as Michel Foucault and Antonio Negri have failed to recognize war as a fundamental aspect of capitalism Renewed readings of Marx Lenin and Rosa Luxemburg argue for class struggle against capitalist war as a fundamental aspect of leftist theory

A Critical Pedagogy of Resistance James D. Kirylo, 2013-11-04 The diverse range of critical pedagogues presented in this book comes from a variety of backgrounds with respect to race gender and ethnicity from various geographic places and eras and from an array of complex political historical religious theological social cultural and educational circumstances which necessitated their leadership and resistance How each pedagogue uniquely lives in that tension of dealing with pain and struggle while concurrently fostering a pedagogy that is humanizing is deeply influenced by their individual autobiographical lens of reality the conceptual thought that enlightened them the circumstances that surrounded them and the conviction that drove them To be sure people of justice people who resist are framed by a vision that embraces an inclusive tolerant more loving community that passionately calls for a more democratic citizenship That is just what the 34 critical pedagogues represented in this text heroically do Through the highlighting of their lives and work this book is not only an excellent resource to serve as a springboard to engage us in dialogue about pivotal issues and concerns related to justice equality and opportunity but also to prompt us to further explore deeper into the lives and thought of some extraordinary people

A Critical Pedagogy of Resistance 34 Pedagogues We Need to Know is an ambitious undertaking Kirylo's narrative enterprise which seeks to chronicle the lives of transformative pedagogues is a project whose time has come This text is an excellent resource for all those interested in the aesthetic that as Kierkegaard believed exercised power for the common good Luis Mir n Baby, You are My Religion Marie Cartier, 2014-09-11 Baby You Are My Religion argues that American butch femme bar culture of the mid 20th Century should be interpreted as a sacred space for its community Before Stonewall when homosexuals were still deemed mentally ill these bars were the only place where many could have any community at all Baby You are My Religion explores this community as a site of a lived corporeal theology and political space It reveals that religious institutions such as the Metropolitan Community Church were founded in such bars that traditional and non traditional religious activities took place there and that religious ceremonies such as marriage were often conducted within the bars by staff Baby You are My Religion examines

how these bars became not only ecclesiastical sites but also provided the fertile ground for the birth of the struggle for gay and lesbian civil rights before Stonewall

Eminem and Rap, Poetry, Race

Scott F. Parker, 2014-10-21 Eminem is the best selling musical artist of the 21st century. He is also one of the most contentious and most complex artists of our time. His verbal dexterity ranks him among the greatest technical rappers ever. The content of his songs combines the grotesque and the comical with the sincere and the profound, all told through the sophisticated layering of multiple personae. However, one finally assesses his contribution to popular culture, there is no denying his central place in it. This collection of essays gives his work the critical attention it has long deserved. Drawing from history, philosophy, sociology, musicology, and other fields, the writers gathered here consider Eminem's place in Hip Hop, the intellectual underpinnings of his work, and the roles of race, gender, and privilege in his career, among various other topics. This original treatment will be appreciated by Eminem fans and cultural scholars alike. **Perspectives on Justice, Indigeneity, Gender, and Security in Human Rights Research**

Laura E. Reimer, Katerina Standish, 2023-06-26 This book is a compendium of emergent global Human Rights Scholarship offering current ruminations on justice, indigeneity, gender, security, and human rights. This edited collection examines Access to Justice, Allyship and Equality, Human Rights and Social Justice, the Rights of Indigenous People, Indigenous Rights and the University, Transgender Healthcare, Femicide, Women Workers, Extremism and Misogyny, Human Rights and Aging, cyberwarfare, climate change. *Playing the Game* Gary F. Green II, 2025-11-04 *Playing the Game* investigates the intersection of race and ethics in cultural misinterpretations of Black athleticism in the United States. The book demonstrates the way Black athletes expose the colonizing logic of white supremacy and the story it tells of a post-racial society. It applies womanist theological ethics and theologies of embodied spirituality to three exemplars: Marshawn Lynch, Steph Curry, and Deion Sanders, who epitomize the play of racial politics surrounding depictions of the Black male athlete as beast. All three are celebrated public figures who illustrate and then frustrate cultural attempts to flatten the embodied brilliance of Black athletes based on moral rationalities that reflect a racist history. The book reads the athleticism of Lynch, Curry, and Sanders in light of theological perspectives that question human as a category, reimagining them as embodiments of divine freedom who creatively transform the racial politics of sport. Learning to recognize the theological significance of Black athleticism makes legible ethical possibilities that contribute to the play of anti-racism in the United States.
