adolescent dreams of ballet school and Harvard are displaced by the reality of learning to survive Nell and Eva wait for the power to come back and the world they understand to return but as time goes on they are forced to realize that civilization is perhaps nothing more than a temporary condition a fugue state the world has allowed us At once a poignant and lyrical portrayal of the power of sisterly loyalty and a horrifying cautionary tale about the future of man and his place in the world INTO THE FOREST is a deeply moving account of human nature and our fragile existence on earth **Make a Scene**
