Atonement Adam J. Johnson, 2015 *Christian Experience: Or, A Guide to the Perplexed* Robert Philip (D.D.), 1872

Progressive Creation and the Struggles of Humanity in the Bible Zoltan Dornyei, 2018-03-22 Why does the

Christian walk often feel like an ongoing struggle and why does God's creation include imperfection let alone forces that are intent on thwarting God's creative work In seeking a response to these questions this book argues that the biblical accounts describe creation in terms of a progressive transformation process whereby the initially incomplete created order will reach perfection only in the fulfillment of new creation The following discussion then outlines a comprehensive framework for the biblical theology of humanity's struggles centered on three key themes corporeal temptation deficient social structures and the much debated notion of spiritual warfare The book presents an overarching canonical narrative that threads together a series of diverse biblical topics from Job's temptation to the Atonement The final part surveys biblical teaching on how human conduct can be aligned with God's creative purpose and discusses three assignments from Jesus to believers to celebrate the Eucharist to pray the Lord's Prayer and to fulfill the Great Commission **The Seven Stories that Shape Your Life**

Gerard Kelly (Author), 2016-02-15 The most basic questions everyone faces in life is Why am I here What is my purpose Gerard Kelly presents the stories that make up the overall story of God in the world And here we find our purpose for each of our individual Christian lives Our purpose is as distinctive as our fingerprint and we will connect with it when we connect with our identity and origin in God God remembers how he made us and is committed to the fruitfulness and fulfillment of our potential We discover the importance of finding our place of service and usefulness knowing that our lives have meaning in the purposes of God **The Letter to the Colossians** Scot McKnight, 2018-02-26 The Letter to the Colossians offers a

compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere **The Hermeneutics of Participation** Greg

McKinzie, 2025-07-15 Many theological interpreters of Scripture have claimed that church practices produce well formed readers But which practices Greg McKinzie argues that missional hermeneutics challenges the church to include participation in God's mission among the indispensable components of readerly formation After a quarter century of contemporary reflection on missional theology however the meaning of participation in God's mission remains vague In order to explain why it is a critical hermeneutical experience therefore McKinzie sets out to develop a theological account of missional participation that incorporates the concepts of the *sis* embodied narrativity and solidarity Then in conversation with the hermeneutical phenomenology of Paul Ricoeur the study suggests how theologically recontextualizing a model of the movement from embodied commitments to textual interpretation in terms of participation in God's mission illuminates the epistemic reconstitution of the church's theological interpretation of Scripture Understanding participation in God's mission

as theological interpretation's proper locus theologicus should reorient the notion of readerly formation because the formation of missional readers is the process in which God opens the reading community's embodied eyes of faith through the works of faith seeking understanding *Calvin on the Death of Christ* Paul A Hartog, 2023-01-01 John Calvin's understanding of the extent of the atonement achieved in Christ's death is one of the most contested questions in historical theology. In common thought Calvin's name is closely associated with the limited atonement stance canonized within the TULIP acronym but Calvin's personal endorsement of a strictly particularist view whereby Christ died for the elect alone is debateable. In *Calvin on the Death of Christ* Paul Hartog re-examines Calvin's writing on the subject, traces the various resulting historical trajectories and engages with the full spectrum of more recent scholarship. In so doing he makes clear that while Calvin undoubtedly believed in unconditional election he also repeatedly spoke of Christ dying for all or for the world. These phrases must be held central if we are to discover Calvin's own view of the subject. Hartog's conclusions will surprise some and may hold significant implications for the Calvinist tradition today. Throughout however they are cogently articulated and sensitively pitched.

A Theology of Matthew's Gospel Michael J. Wilkins, 2025-10-07 A Theology of Matthew's Gospel develops the perspective that Matthew wrote his Gospel to identify, defend and proclaim Jesus Immanuel, God with us, as the Davidic Messiah who fulfilled the OT expectations of humanity's redemption. Matthew's Gospel establishes Jesus's identity as the heir to the promises of Israel's throne through King David and heir to the promises of blessing to all the nations through the patriarch Abraham. 1.1 So this first Gospel offers evangelistic hope in Jesus's message of the gospel to Jews contending that they should turn to Jesus as their long-awaited Messiah. Matt 11:2-6. But strikingly Matthew's Gospel also offers evangelistic hope to Gentiles, emphasizing that salvation through Jesus Messiah is available to all the nations. 28:19. The book emphasizes the three horizons that comprise Matthew's gospel: history, theology, and literature. The first horizon focuses on Jesus's history ministry. Here Matthew provides for us a record of God's activities in history in the arrival of Jesus Messiah and the kingdom of heaven. The second horizon develops Matthew's theological perspective for his audience's. Here we attempt to understand and isolate Matthew's unique theological perspective of God's activities in Jesus Messiah. This is a central focus, emphasizing Matthew's theological perspective of the Old Testament, Christology, the kingdom of heaven, discipleship, the Church, church, Israel, past, present and future, the death and resurrection of Jesus, mission, commission, and eschatology, eternity. The third horizon emphasizes today's reader's engaging with Matthew's Gospel as literature. Here we attempt to capture the significance of the perspective of today's reader's understanding of Jesus Messiah's activities in history and Matthew's theological perspective for the contemporary church. In this book we view Matthew's perspective of God's activities in Jesus's unfolding earthly ministry. The alternating sections of narrative and discourse provide for his readers Jesus's example to follow and Jesus's words to obey. Therefore Matthew's Gospel is at least in part a manual on discipleship to Jesus Messiah in the kingdom of heaven. In the six Narratives Matthew reveals Jesus's true identity in his

deeds and introduces themes that will lead to instructions to Jesus's disciples in the Discourses. The six Narratives provide the example that Jesus's disciples are commanded to obey. In the five Discourses, Matthew records Jesus's instructions, commands, parables, directives, and prophecies that will guide his followers in their discipleship to Jesus until the end of the age. Combined, the narratives of Jesus's life provide Jesus's example to follow, and the discourses give Jesus's instructions to obey and are the basis of our ongoing transformation to become like Jesus.

Evil in the Modern World Laura Dryjanska, Giorgio Pacifici, 2022-03-10. This interesting volume focuses on a set of phenomena which increasingly alarm the political world and public opinion, from the more obvious ones like torture, disease, human trafficking, abuse, genocide, displacement, to more subtle forms found in sports, technology, and law. It looks at how and why these phenomena are universally condemned and could be considered to threaten the very foundations of modern democracy, yet continue to be tolerated. The volume therefore goes beyond what Hannah Arendt has called the banality of evil and discusses the presence of condemned and heinous practices in society as fluid and chaotic but as non-trivial, capable of great transmutations through various epochs. Practices and actions considered as evil manifest in situations where individuals or groups hold power or seize power, and the contributions in this volume explore the close relation between power and evil. The volume draws upon sociology, psychology, cultural studies, political science, as well as philosophy, theology, anthropology, and neurology of the individual and of the group to provide a comprehensive understanding of the multiple facets of evil in the contemporary world.

Eating Christ's Flesh Steven Nemes, 2023-10-19. What does it mean to eat Christ's flesh? John 6:53. And what does this eating have to do with the bread and wine of the eucharistic meal which Jesus called his body and blood? 1 Cor 11:23-25. These are central questions in the theology of the Eucharist. Memorialism says that to eat Christ's flesh is to take joy in Christ's person and work. The bread and wine of the Eucharist make it possible to engage in this sort of eating sacramentally by serving as symbols that represent Christ's person and work. This book presents a systematic case for memorialism. It addresses the biblical loci classici: the bread of life discourse, the words of institution, and 1 Corinthians' important early church sources: the Didache, Ignatius, Justin Martyr, Irenaeus, and Tertullian, and the philosophical/phenomenological interpretation of the Eucharist in Huldrych Zwingli and Michel Henry. It also argues against the alternative pneumatic and real presence paradigms in conversation with their historic and contemporary advocates.

A Curious Student's Guide to the Book of Leviticus Reuven Travis, 2023-02-03 Judaism has always found meaning in the sacrificial rites called avodah or service in Hebrew For more than twelve hundred years beginning with the Mishkan the Tabernacle in the Sinai wilderness and continuing through both the First and Second Temple periods animal sacrifice was the principal form of communal service of God for the Jewish people This all came to an abrupt end with the destruction of the Second Temple by the Romans in 68 CE and the Jewish people turned to prayer as their primary mode of worship From this perspective it might seem that the study of Leviticus which is largely about the laws of sacrifice would seem unnecessary if not irrelevant for young children Nothing could be further from the truth Leviticus is replete with important life lessons for children ranging from not bearing grudges to being truthful in business From the responsibility to care for the poor to the obligation to strive to be holy we find everyday aspects of one's life as opposed to limiting this to rituals and religious celebrations Throughout the book Leviticus emphasizes the dignity of human beings and what this means for our personal interactions with one another It can and ought to be taught in an age appropriate manner to young children and that is what this book strives to do

Christman, 2021-08-10 C S Lewis famously penned the phrase God in the Dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before God while we moderns have placed God there before us But what if what God s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of Adam and Eve And what if it is also the case that the gospel is often in the dock as though it is not good even for the church This book builds upon and expands the life and death stakes Lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with God with our own selves with one another and even with the natural world itself which we are meant to steward for its good In these pages the reader will discover why the gospel that requires faith is good news but why we so tragically default to our divisive and self destructive ways **The Ashgate Research Companion to**

Learning the Good Life Jessica Hooten Wilson, Jacob Stratman, 2022-05-03

Discover the Good Life as you learn from the wise voices of the past. We've lost ourselves. Disconnected from the past and uncertain about the future, we are anxious about what our lives will be and troubled by a nagging sense of meaninglessness. Adrift in the world, many Christians have their identity completely wrapped up in work and their definition of the good life is financial success. Fewer of us are staying committed to the Christian faith, finding it difficult to reconcile their experience with their longings and desires. With so much uncertainty, where can we find a true vision of the Good Life? *Learning the Good Life* speaks to this malaise with a curated collection of voices from the past, inviting Christians into an ages-old dialogue with some of history's wisest and most reflective minds. Featuring thought-provoking writings from a diverse lineup of over 35 writers and thinkers, from the classic including Confucius, Augustine, Sor Juana Inés de la Cruz, Henry David Thoreau, and Frederick Douglass, to the modern including W. E. B. DuBois, Flannery O'Connor, T. S. Eliot, and Simone Weil, to the contemporary including Wendell Berry, David Foster Wallace, and Marilynne Robinson. Together, these sage writers, philosophers, and poets address important issues such as virtue, beauty, community, wonder, suffering, and meaning. Each of these texts is introduced by experts from a variety of Christian colleges and universities to help provide a richer narrative in which Christians can participate. Each text is also accompanied by discussion questions to provoke further thought and contemplation and to facilitate discussion when used in groups. *Learning the Good Life* is ideal for any Christian seeking a deeper connection to the wisdom of the past and wanting a more cohesive vision of the good life. Though not all these writers were themselves Christians, they all have a message for you. All of them are calling you to die to yourself, to your habits of indulgence, to your pride and ambition, and to dedicate your time to learning, thinking, and loving.
