Mpumalanga Grader Teachers Increment:

Annual Report Mpumalanga (South Africa). Department of Education, 2016 *The Rise of English* Rosemary Salomone, Rosemary C. Salomone, 2022 A sweeping account of the global rise of English and the high stakes politics of language Spoken by a quarter of the world's population English is today's lingua franca its common tongue The language of business popular media and international politics English has become commodified for its economic value and increasingly detached from any particular nation This meteoric rise of English has many obvious benefits to communication Tourists can travel abroad with greater ease Political leaders can directly engage their counterparts Researchers can collaborate with foreign colleagues Business interests can flourish in the global economy But the rise of English has very real downsides as well In Europe imperatives of political integration and job mobility compete with pride in national language and heritage In the United States and England English isolates us from the cultural and economic benefits of speaking other languages And in countries like India South Africa Morocco and Rwanda it has stratified society along lines of English proficiency In *The Rise of English* Rosemary Salomone offers a commanding view of the unprecedented spread of English and the far reaching effects it has on global and local politics economics media education and business From the inner workings of the European Union to linguistic battles over influence in Africa Salomone draws on a wealth of research to tell the complex story of English and ultimately to argue for English not as a force for domination but as a core component of multilingualism and the transcendence of linguistic and cultural borders *Debates of the National Council of Provinces (Hansard)* South Africa Parliament (1994-). National Council of Provinces, 2002 **Questions and Replies of the National Assembly** South Africa. Parliament (1994-). National Assembly, 2002 **Managing Teaching and Learning in a Multi-grade** Venes Tswene Seaga, 2016 Perspectives of Grade 12 Accounting Teachers on Employing the Universal Design for Learning Principles in the Ehlanzeni District, 2019 Teaching in diverse classrooms with learners from various socio economic backgrounds necessitates a new teaching framework which teachers could use to address the diverse learning preferences of learners in the classroom This is achievable with the Universal Design for Learning UDL UDL is an approach to curriculum design that can help teachers customise the curriculum to serve all learners regardless of ability disability age gender or cultural and linguistic background The UDL principles provide a valuable framework for accounting teachers to plan their lessons and engage their learners actively in class The UDL approach emphasises three core principles namely representation expression and engagement to assist and motivate teachers in developing accessible accounting learning activities that will increase the participation of all learners in class activities including those with special needs Spencer 2011 10 The purpose of this study was to examine information on the theory and research behind the perspectives of grade 12 accounting secondary school teachers in the Ehlanzeni District in the Mpumalanga Province of South Africa in employing the Universal Design for Learning when teaching and to explore how the challenges they experience influence quality teaching in

the classroom The employment of the UDL principles has been identified as important in dealing with the challenges faced by both teachers and learners in reaching their goal of achieving success in accounting learning
