Milne,Hope Ashiabor,Mikael Skou Andersen,2019 As populations become increasingly concentrated in urban centres and mega cities while demands on transportation continue to grow the question of how to mitigate the environmental footprint of these trends is ever more pressing This comprehensive book demonstrates the potentially significant role of environmental taxation and other market based instruments in meeting these challenges The Defining Decade Harold Troper,2010-09-17 The 1960s witnessed a radical transformation in the Canadian Jewish community The erosion of longstanding barriers of anti-Semitism resulted in increased access for Jews to the economic political and social Canadian mainstream Arguing paradoxically that even as Canada became more accepting Canadian Jews became more focused on Jewish identity *The Defining Decade* examines how the 1960s redefined what it meant to be a Canadian Jew and a Jewish Canadian Domestic events such as the Quiet Revolution the eruption of Neo Nazi activity the election of Pierre Elliot Trudeau and the promise of

multiculturalism combined with international affairs such as the Six Day War Arab rejectionism with regards to Israel and the explosion of Soviet Jewish activism to radically reshape Canadian Jewish priorities In tracing the rapid changes of this tumultuous decade Harold Troper draws upon a wealth of historical documentation including more than eighty interviews to demonstrate that the expression of Canadian Jewishness was an increasingly public and political commitment The Statehood of Palestine John Quigley,2010-09-06 Palestine as a territorial entity has experienced a curious history Until World War I Palestine was part of the sprawling Ottoman Empire After the war Palestine came under the administration of Great Britain by an arrangement with the League of Nations In 1948 Israel established itself in part of Palestine s territory and Egypt and Jordan assumed administration of the remainder By 1967 Israel took control of the sectors administered by Egypt and Jordan and by 1988 Palestine reasserted itself as a state Recent years saw the international community acknowledging Palestinian statehood as it promotes the goal of two independent states Israel and Palestine co existing peacefully This book draws on evidence from the 1924 League of Nations mandate to suggest that Palestine was constituted as a state at that time Palestine remained a state after 1948 even as its territory underwent permutation and this book provides a detailed account of how Palestine has been recognized until the present day Immigration Practice ,2010 *Current Index to Journals in Education* ,1984 Abandon Ship! Michael J. Tougias,Alison O'Leary,2023-02-21 An incredible World War II account of a maritime attack off the West African coast for fans of Steven Sheinkin and Deborah Heiligman At the height of World War II the RMS Laconia was torpedoed by a German submarine five hundred miles off the coast of western Africa The attack triggered a series of unprecedented events involving allies and enemies from both sides and left survivors adrift at sea in shark infested oceans fighting to stay alive with little food or water Suspenseful and informative and featuring historic photographs this remarkable true account is a testament to the idea that compassion can rule over conflict even during the cruelties of war A Junior Library Guild Gold Standard Selection This epic story races along unspooling like a movie before our eyes artfully dramatically revealing a little known part of WWII history An intriguing book Doug Stanton 1 New York Times bestselling author of In Harm s Way The authors do an excellent job of conveying the chaos and loss of this grisly historical incident without pushing young readers too deeply into the horror Many of those who lived through the Laconia catastrophe endured weeks at sea parched and sunburned and starving in conditions that literally drove men mad Archival photos add immediacy to this sensational true life story Wall Street Journal An amazing account of a World War II event that is almost entirely unknown This story chronicles the courage compassion and perseverance of the few survivors of the incident showcasing war at its worst and humanity at its best School librarians will want to add this to their collection Booklist Technical Abstract Bulletin ,1981 *Мировая экономика и международные отношения* ,2015
