Anthony Cordingley

At The Back Of The North Wind Good Words For The Young:

At the Back of the North Wind George MacDonald, Sheba Blake, 2021-12-31 At the Back of the North Wind is a children's story about a good sweet boy called Diamond who rides the North Wind as she travels her familiar routes They do good and wreak havoc though everything seems to work towards a happy end **Haunted Childhoods in George MacDonald** John

Patrick Pazdziora, 2020-08-25 George MacDonald is generally remembered as a benevolent preacher who wrote fairy tale books for children Closer reading however reveals one of the most startlingly inventive slyly subversive Scottish writers of the nineteenth century His writings for children emerged from his own long struggle with faith and doubt in the face of multiple bereavements chronic illness and the persistent threat of early death Haunted Childhoods in George MacDonald reconsiders death and divine love in MacDonald's writings for children It examines his private letters and public sermons obscure early writings and most beloved stories Setting his work alongside texts by James Hogg and Andrew Lang it argues that MacDonald appropriated traditional Scottish folk narratives to help child readers apprehend his mystically inclined understanding of mortality George MacDonald's Children's Fantasies and the Divine Imagination Colin N.

Manlove, 2019-08-27 The great Victorian Christian author George MacDonald is the wellspring of the modern fantasy genre In this book Colin Manlove offers explorations of MacDonald's eight shorter fairy tales and his longer stories At the Back of the North Wind The Princess and the Goblin The Wise Woman and The Princess and Curdie MacDonald saw the imagination as the source of fairy tales and of divine truth together For he believed that God lives in the depths of the human mind and sends up from thence wonderful gifts into the light of the understanding This makes MacDonald that very rare thing a writer of mystical fiction whose work can give us experience of the divine Throughout his children's fantasy stories MacDonald is describing the human and divine imagination In the shorter tales he shows how the imagination has different regions and depths each able to shift into the other With the longer stories we see the imagination in relation to other aspects of the self and to its position in the world Here the imagination is portrayed as often embattled in relation to empiricism egotism and greed **The Palgrave Encyclopedia of Urban Literary Studies** Jeremy Tambling, 2022-10-29 This encyclopaedia will be

an indispensable resource and recourse for all who are thinking about cities and the urban and the relation of cities to literature and to ways of writing about cities Covering a vast terrain this work will include entries on theorists individual writers individual cities countries cities in relation to the arts film and music urban space pre early and modern cities concepts and movements and definitions amongst others Written by an international team of contributors this will be the first resource of its kind to pull together such a comprehensive overview of the field **Christian Mythmakers** Rolland Hein, 2014-01-08 Plunge into the soul of Lewis's Space Trilogy L Engle's A Wrinkle in Time and Tolkien's The Lord of the Rings Dwarves elves princes and princesses dark powers unlikely heroes and fantastic places open up to us in this excellent introduction to Christian mythopoeia This overview of the major Christian mythmakers explores how they influenced and

inspired one another and identifies the symbols and emblems in their works Rediscover the characters and worlds of authors such as C S Lewis George MacDonald G K Chesterton J R R Tolkien John Bunyan Madeleine L Engle Charles Williams Walter Wangerin *At the Back of the North Wind* George MacDonald, 2011-10-14 The unique blend of fairy tale atmosphere and social realism in this novel laid the groundwork for modern fantasy literature In the novel *Little Diamond* a kind and precocious boy living in poverty is befriended by the mysterious North Wind who takes him on her nightly adventures Written in intensely poetic language *At the Back of the North Wind* transcends the genres of children's book or fairy tale Appendices include essays on childhood by contemporaries such as John Ruskin and Charles Dickens as well as contextualizing selections from Victorian fantasy and fairy tales **At the Back of the North Wind** George MacDonald, 2022-09-08 Reproduction of the original **The Longman Companion to Victorian Fiction** John Sutherland, 2014-10-13 With over 900 biographical entries more than 600 novels synopsized and a wealth of background material on the publishers reviewers and readers of the age the Longman Companion to Victorian Fiction is the fullest account of the period's fiction ever published Now in a second edition the book has been revised and a generous selection of images have been chosen to illustrate various aspects of Victorian publishing writing and reading life Organised alphabetically the information provided will be a boon to students researchers and all lovers of reading The entries though concise meet the high standards demanded by modern scholarship The writing marked by Sutherland's characteristic combination of flair clarity and erudition is of such a high standard that the book is a joy to read as well as a definitive work of reference The Saturday Review of Politics, Literature, Science and Art, 1868 *Power, Voice and Subjectivity in Literature for Young Readers* Maria Nikolajeva, 2009-09-10 Looking at key works from the eighteenth century to the present Nikolajeva explores topics such as genre gender crossvocalization species and picturebook images in order to demonstrate how a balance is maintained between the two opposite inherent goals of children's literature to empower and to educate the child Saturday Review, 1869 *The Saturday Review of Politics, Literature, Science, Art, and Finance*, 1869 *Literature & Pedagogy* Anthony Cordingley, 2025-04-01 Building upon the approach to reading literature pioneered by Bruce Gardiner at the University of Sydney for over four decades Literature and Pedagogy is devoted to the way that texts literary texts in particular seek to instruct us Bruce Gardiner has inspired generations of teachers and scholars in the field of literary criticism He stands for a scholarly ethos which is at risk of disappearing His distinctive academic career which was entirely devoted to research led teaching invites us to think about the relationships between literary studies and pedagogy It also invites us to ask what role a unique pedagogical style plays in the evolution of a discipline How does intergenerational transmission between teacher and student play out both within and beyond disciplinary boundaries This collection explores these questions while also documenting Gardiner's methods of scholarly as much as professional resistance to the neo liberalisation and neo conservatism of contemporary academic culture Contributors draw from inspiring encounters with him to reflect upon the rhetoric and motifs of pedagogy within

literary works They put Gardiner's mode of reading into practice by offering new interpretations of pedagogical mechanisms employed within important literary works from the seventeenth century to the present and of cultural phenomena like colonial interpretations of the Australian lyrebird's song The volume also offers pieces inspired by Gardiner such as poetry art translation and creative non fiction as well as three unpublished lectures by Gardiner himself Techniques and methodologies of literary education are traditionally believed to offer students the keys with which to unlock the secrets of texts and foster their appreciation Literature and Pedagogy offers a new perspective showing teachers and students of both education and literature how literary works present their own methods for reflecting critically upon how and why we learn read and teach
