

The background of the book cover is a deep space scene. At the top, a large, pale, reddish-brown sphere (possibly a planet or moon) is partially visible. Below it, a bright, glowing yellow-orange sphere (likely the Sun or a star) is surrounded by a hazy, orange and red nebula. The rest of the background is a dark, star-filled space with a prominent, glowing blue and white spiral galaxy in the lower half. A bright star with a lens flare is visible in the upper right.
