Hugh Nibley Boyd Jay Petersen, 2002-01-01 2003 Best Biography Award Mormon History Association As one of the LDS Church's most widely recognized scholars Hugh Nibley is both an icon and an enigma Through complete access to Nibley's correspondence journals notes and papers Petersen has painted a portrait that reveals the man behind the legend Starting with a foreword written by Zina Nibley Petersen and finishing with appendices that include some of the best of Nibley's personal correspondence the biography reveals aspects of the tapestry of the life of one who has truly consecrated his life to the service of the Lord Mormonism 2010 Handbook on Mormonism , Nibley's Commentary on the Book of Mormon Hugh W. Nibley, 2014-03-17 The Purpose of this two volume series is to make easily available selections from lectures transcribed and published in four volumes as Teachings of the Book of Mormon by Hugh W Nibley Professor at Brigham Young University The Editor text scanned all four volumes of the series to about half the original by eliminating those portions the Editor felt not necessary to the verses under discussion No other changes were made to the original Nibley four volumes Readers of the Book of Mormon will benefit from Hugh Nibley's extensive historical and linguistic background from a lifetime of study of ancient documents The Editor has made an effort to provide full scripture references at the beginning of each paragraph which were not available in the original editions by Hugh Nibley These references will be helpful to students and teachers of the Book of Mormon The numbers at the beginning of each paragraph refer to the page number of the First Edition of each of the four volumes and will alert the reader to where omissions may be found in the original four volumes The Editor has expanded most chapter topic summaries as shown in brackets Proceeds from this book will be donated to Project Sprouts www.project-sprouts.com which is operated by Mondoro Company Ltd a company designs and manufactures furniture and home accessories in Asia The Divine Paradox Roger Ladd Memmott, 2011-10-08 A Compass Book Trade Paperback 130 pages AS NOTED IN THE PREFACE to this tour de force It is virtually impossible to read the scriptures without considering the multitude of contraryisms if not the profound if only apparent contradictions that embody divine truths The Divine Paradox gives consideration to a few of the remarkable and deeply profound paradoxes that lie within the scriptures paradoxes given and revealed by divinity to assure us not only of the nature of our reality but more importantly the nature of our relationship to the Father and the Son As we come to understand the Divine Paradox we come to more fully appreciate the principles that lie behind our free agency the atonement and eternal life We come to more fully appreciate what the Lord means when in Moses 1:39 he tells the ancient prophet For behold this is my work and my glory to bring to pass the immortality and eternal life of man In the Beginning: Understanding Creation in the Chaos of Life Emily Christensen, 2018-02-15 A scriptural look at the creation process and its application to everyday life Interpreter: A Journal of Mormon Scripture, Volume 24 (2017) Daniel C. Peterson, 2017-06-26 This is volume 24 of Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including Looking Back

Almost Five Years On Deuteronomy 17 14 20 as Criteria for Book of Mormon Kingship Meeting Zoram Seers and Stones The Translation of the Book of Mormon as Divine Visions of an Old Time Seer Bare Record The Nephite Archivist The Record of Records and the Book of Mormon Provenance and By the Blood Ye Are Sanctified The Symbolic Salvific Interrelated Additive Retrospective and Anticipatory Nature of the Ordinances of Spiritual Rebirth in John 3 and Moses 6 *Greed, Lust and Gender* Nancy Folbre, 2009-10-22 When does the pursuit of self interest go too far lapsing into morally unacceptable behaviour Until the unprecedented events of the recent global financial crisis economists often seemed unconcerned with this question even suggesting that greed is good A closer look however suggests that greed and lust are generally considered good only for men and then only outside the realm of family life The history of Western economic ideas shows that men have given themselves more cultural permission than women for the pursuit of both economic and sexual self interest Feminists have long contested the boundaries of this permission demanding more than mere freedom to act more like men Women have gradually gained the power to revise our conceptual and moral maps and to insist on a better and less gendered balance between self interest and care for others This book brings women s work their sexuality and their ideas into the center of the dialectic between economic history and the history of economic ideas It describes a spiralling process of economic and cultural change in Great Britain France and the United States since the 18th century that shaped the evolution of patriarchal capitalism and the larger relationship between production and reproduction This feminist reinterpretation of our past holds profound implications for today s efforts to develop a more humane and sustainable form of capitalism *My Own Pioneers 1830-1918* Kathryn J. Kappler, 2015-01-29 Follow the fascinating true stories of one family through the Mormon pioneer era stories that follow four generations and several of the author s family lines as they and their fellow pioneers help shape the early history of the Mormon Church the American West and even Mexico This memorable journey is the culmination of fifteen years of painstaking research as the author carefully reconstructs the pioneer struggles from before 1830 to 1918 using information from family journals memoirs histories and letters Volume II Pioneering the West Defending Zion 1847 1880 continues the history by recounting the family s involvement in the opening and colonization of the Great Basin It recounts in detail the dangerous crossing of the plains in covered wagons with handcarts and on foot It tells of explorations of planting tiny settlements in remote regions eating roots and rawhide to survive and fighting insect hordes and hostile Indians Volume II also tells how the Mormons faced off the U S Army and how they helped build the railroad across the plains *My Own Pioneers* is an important work illuminating the legacy of the Mormon pioneers It is a compilation of true chronological accounts through which their lives their sacrifices and their considerable accomplishments despite terrible hardship may be honored With its extensive index this book provides an excellent research tool for academics as well as history enthusiasts and it uplifts every reader by showcasing the enduring strength and mighty faith of these pioneers [The Business Turn in American Religious History](#) Amanda Porterfield, Darren E. Grem, John Corrigan, 2017 Business has received little attention in

American religious history although it has profound implications for understanding the sustained popularity and ongoing transformation of religion in the United States This volume offers a wide ranging exploration of the business aspects of American religious organizations The authors analyze the financing production marketing and distribution of religious goods and services and the role of wealth and economic organization in sustaining and even shaping worship charity philanthropy institutional growth and missionary work Treating religion and business holistically their essays show that American religious life has always been informed by business practices Laying the groundwork for further investigation the authors show how American business has functioned as a domain for achieving religious goals Indeed they find that religion has historically been more powerful when interwoven with business Chapters on Mormon enterprise Jewish philanthropy Hindu gurus Native American casinos and the wedding of business wealth to conservative Catholic social teaching demonstrate the range of new studies stimulated by the business turn in American religious history Other chapters show how evangelicals joined neo liberal economic practice and right wing politics to religious fundamentalism to consolidate wealth and power and how they developed marketing campaigns and organizational strategies that transformed the American religious landscape Included are essays exposing the moral compromises religious organizations have made to succeed as centers of wealth and influence and the religious beliefs that rationalize and justify these compromises Still others examine the application of business practices as a means of sustaining religious institutions and expanding their reach and look at controversies over business practices within religious organizations and the adjustments such organizations have made in response Together the essays collected here offer new ways of conceptualizing the interdependence of religion and business in the United States establishing multiple paths for further study of their intertwined historical development

Best Kept Secrets of the Gospel of Jesus Christ Lawrence D. Gardner, 2006-02-28 I had a religion professor at Brigham Young University who often asked What is the best kept secret of The Mormon Church After declaring all answers amiss he would make this statement The best kept secret of The Mormon Church is the Gospel of Jesus Christ Over the years of teaching gospel doctrine I have found his statement to be all too true Despite their best study efforts and the abundance of scriptural resources many members do not understand some fundamental and extremely important doctrines I invite you to feast with me upon the meat of more exalted concepts

Interpreter: A Journal of Mormon Scripture, Volume 15 (2015) Daniel C. Peterson, 2015-07-11 This is volume 15 of Interpreter A Journal of Mormon Scripture published by The Interpreter Foundation It contains articles on a variety of topics including Questioning The Divine Plan Three Streams of Gratitude for Jesus A Welcome Introduction Providing a Better Understanding for All Concerning the History of Joseph Smith s Polygamy An Easier Way to Understanding Joseph Smith s Polygamy Rediscovering the First Vision Say Now Shibboleth or Maybe Cumorah Why the Oxford English Dictionary and not Webster s 1828 Psalm 82 in Contemporary Latter day Saint Tradition Seeing Ourselves Through the Eyes of a Friendly and Thoughtful Evangelical Getting Cain and Gain The Great and Terrible

Judgments of the Lord Destruction and Disaster in 3 Nephi and the Geology of Mesoamerica Freemasonry and the Origins of Modern Temple Ordinances A Mormon Theodicy Jacob and the Problem of Evil The John Johnson Family of Hiram, Ohio Michael R Caldwell, 2015-12-30 Who were the Johnsons anyway If asked most members of the Church of Jesus Christ of Latter day Saints are not familiar with the John Johnson family However two of his sons a son in law and a nephew were all members of the first Council of Twelve Apostles organized by Joseph Smith the Church s founder John served in some of the governing councils of the Church as well and contributed significantly to the building of the Church s first temple In these pages you will learn of the significant contribution of this family and the truth about their standing in that church **The**

Spirit of Conscious Capitalism Michel Dion, Moses Pava, 2022-10-20 This book provides a constructive criticism of the emerging practice of conscious capitalism from the perspective of world religions and spiritualities Conscious capitalism to many of its adherents represents an evolutionary step forward beyond the dominant neo liberal paradigm where it often appears that just about everything is for sale Is conscious capitalism consistent with the values inherent in religious and spiritual world views and does it provide a better fit for bringing out the best that business has to offer This book answers these questions and many more An appealing read for researchers in business ethics as well as any reader critical of the excrescences of capitalism Mormonism: A Guide for the Perplexed Robert L. Millet, Shon D. Hopkin, 2015-11-19

Mormonism A Guide for the Perplexed explains central facets of the Mormon faith and way of life for those wishing to gain a clearer understanding of this rapidly growing world religion As The Church of Jesus Christ of Latter day Saints continues to grow in the United States and especially in other countries with a total membership of over 15 million more than 50% of which is outside the US and as theologians and church leaders wrestle with whether Mormonism is in fact a valid expression of modern Christianity this distinctive religious tradition has become increasingly an object of interest and inquiry This book is the ideal companion to the study of this perplexing and often misunderstood religion Covering historical aspects this guide takes a careful look at the whole of Mormonism its tenets and practices as well as providing an insight into a Mormon life

Brigham Young University Studies Brigham Young University, 2006 Mormonism (or the Church of Jesus Christ of Latter-day Saints) Terryl Givens, 2020 Mormonism or the Church of Jesus Christ of Latter day Saints is America s most successful and most misunderstood home grown religion The church today boasts more than 15 million members worldwide a remarkable feat in the face of increasing secularity The growing presence of Mormonism shows no signs of abating as the makeup of its membership becomes progressively diverse The heightened contemporary relevance and increasingly global membership of the Church solidifies Mormonism as a religious group much deserving of awareness Covering the origins history and modern challenges of the church Mormonism What Everyone Needs to Know offers readers a brief authoritative guide to one of the fastest growing faith groups of the twenty first century in a reader friendly format providing answers to questions such as What circumstances gave rise to the birth of Mormonism Why was Utah chosen as a place of refuge Do you

have to believe the Book of Mormon to be a Latter day Saint Why do women not hold the priesthood How wealthy is the church and how much are top leaders paid Written by a believer and the premier scholar of the Latter day Saints faith this remarkably readable introduction provides a sympathetic but unstinting account of one of the few religious traditions to maintain its vitality and growth in an era of widespread disaffiliation *From Above and Below* Craig Livingston, 2013-06-01 2014 Best International Book Award Mormon History Association For the first century of their church s existence Mormon observers of international events studied and cheered global revolutions as a religious exercise As believers in divine human co agency many prominent Mormons saw global revolutions as providential precursors to the imminent establishment of the terrestrial kingdom of God French Revolutionary symbolism socialist critiques of industrialism American Indian nationalism and Wilsonian internationalism all became the raw materials of Mormon millennial theologies which were sometimes barely distinguishable from secular utopianism Many Mormon thinkers accepted secular revolutionary arguments that the old world order needed to be destroyed not merely reformed to clear the way for the new In *From Above and Below* author Craig Livingston tells the story of Mormon commentary on global revolutions from the European revolutions of 1848 to the collapse of Mormon faith in progress in the 1930s when revolutionary communist and fascist regimes exposed themselves as violent and repressive As the Church bureaucratized and assimilated to mainstream American and capitalist values Mormons became champions of the conservative view of political and social development for which they are known today The first Mormon converts in Mexico and France both political radicals would scarcely recognize the arch conservative twenty first century Church **Témoignage de Jéhovah homosexuel - Volume 1 : ANALYSE** , *Come Follow Me Words of the Week: Week-By- week insights on significant words in the new testament* Eric D. Richards, 2023-03-22 Words are powerful By changing a single word the entire meaning of a message can be obscured or misdirected God knew the power of words when He inspired the authors and translators of His divine messages in scripture By carefully studying why certain words were used in scripture we will find a deep ocean of interpretation and personal application *Come Follow Me Words of the Week* is the perfect introduction to a richer understanding of God s words Prominent Latter day Saint speaker author and educator Eric Richards clearly explains the etymology exegesis historical background and modern revelations of significant words from the scriptures Broken down into a few words per week this guide makes studying the scriptures individually or as a family easier and more accessible Discover the contextual meanings of words and phrases such as wax gross born again and profane but also deep dive into the significance of biblical names like Bethel Babylon and Jerusalem With only a few words a week jumpstart a year of joyous exploration into the scriptures come to appreciate the power of words in your own life and feel your testimony strengthen with every new understanding **The Gospel and Your Health** Brent Q.
