Woman Margaret C. K. W. Kamuwanga, 2017-08-31 The creation of a woman was the best thing that happened to divinity and humanity which the devil has twisted to his advantage His lies have bullied women off their place of assignment and left them disoriented about who they are Because of insecurities women have settled for less trying to prove their value and validate their identity This identity crisis has caused tragic breakdowns economically socially culturally morally ecclesiastically and spiritually leaving a human race a victim of this fate because a woman is a key player in this game of life This book is a great mirror for every woman who wants to see the real image of who she was created to be and how vital her existence is to divinity and humanity It redefines who she is her value her purpose what she represents the divine mysteries hidden in her and how she affects the totality of human life Today it is imperative that every woman rediscovers God's original blueprint for her life in order to maximize her potential and preserve life in her domain Everything about within without and around a woman is connected Therefore she cannot be defined by one title She is plural She is on a mission as an undercover agent hired by God licensed by Jesus Christ and empowered by the Holy Spirit
