WITH AN INTRODUCTION FROM  
BISHOP WOODIE W. WHITE

# A Will To Choose The Origins Of African American Methodism

**Jones, Patrice Wynette**

## **A Will To Choose The Origins Of African American Methodism:**

A Will to Choose J. Gordon Melton, 2007 *A Will to Choose* traces the history of African American Methodism beginning with their emergence in the fledgling American Methodist movement in the 1760s Responding to Methodism's anti slavery stance African Americans joined the new movement in large numbers and by the end of the eighteenth century had made up the largest minority in the Methodist church filling positions of authority as class leaders exhorters and preachers Through the first half of the nineteenth century African Americans used the resources of the church in their struggle for liberation from slavery and racism in the secular culture From publisher description The Cambridge Companion to American Methodism Jason E. Vickers, 2013-10-07 A comprehensive introduction to various forms of American Methodism exploring the beliefs and practices around which the lives of these churches have revolved The Methodist Experience in America Volume I Kenneth E. Rowe, Dr. Russell E. Richey, Jean Miller Schmidt, 2010-08-01 Beginning in 1760 this comprehensive history charts the growth and development of the Methodist and Evangelical United Brethren church family up and through the year 2000 Extraordinarily well documented study with elaborate notes that will guide the reader to recent and standard literature on the numerous topics figures developments and events covered The volume is a companion to and designed to be used with *THE METHODIST EXPERIENCE IN AMERICA A SOURCEBOOK* for which it provides background context and interpretation Contents include Launching the Methodist Movements 1760 1768 Structuring the Immigrant Initiatives 1769 1778 Making Church 1777 1784 Constituting Methodism 1784 1792 Spreading Scriptural Holiness 1792 1816 Snapshot I Methodism in 1816 Baltimore 1816 Building for Ministry and Nature 1816 1850s Dividing by Mission Ethnicity Gender and Vision 1816 1850s Dividing over Slavery Region Authority and Race 1830 1860s Embracing the War Cause s 1860 1865 Reconstructing Methodism s 1866 1884 Snapshot II Methodism in 1884 Wilkes-Barre PA 1884 Reshaping the Church for Mission 1884 1939 Taking on the World 1884 1939 Warring for World Order and Against Worldliness Within 1930 1968 Snapshot III Methodism in 1968 Denver 1968 Merging and Reappraising 1968 1984 Holding Fast Pressing On 1984 2000 A wide angled narrative that attends to religious life at the local level to missions and missionary societies to justice struggles to camp and quarterly meetings to the Sunday school and catechisms to architecture and worship to higher education to hospitals and homes to temperance to deaconesses and to Methodist experiences in war and in peace making A volume that attends critically to Methodism's dilemmas over and initiatives with regard to race gender ethnicity sexual orientation and relation to culture A documentation and display of the rich diversity of the Methodist experience A retelling of the contests over and evolution of Methodist EUB organization authority ministerial orders and ethical doctrinal emphases

**Methodism in the American Forest** Russell E. Richey, 2015 Russell E Richey explores the ways in which Methodist preachers of the nineteenth century interacted with and utilized the American woodland and the role camp meetings played in the denomination's spread across the country **The Ashgate Research Companion to World Methodism** William

Gibson, Peter Forsaith, Martin Wellings, 2016-03-23 As a religious and social phenomenon Methodism engages with a number of disciplines including history sociology gender studies and theology Methodist energy and vitality have intrigued and continue to fascinate scholars This Companion brings together a team of respected international scholars writing on key themes in World Methodism to produce an authoritative and state of the art review of current scholarship mapping the territory for future research Leading scholars examine a range of themes including the origins and genesis of Methodism the role and significance of John Wesley Methodism's emergence within the international and transatlantic evangelical revival of the Eighteenth Century the evolution and growth of Methodism as a separate denomination in Britain its expansion and influence in the early years of the United States of America Methodists' roles in a range of philanthropic and social movements including the abolition of slavery education and temperance the character of Methodism as both conservative and radical its growth in other cultures and societies the role of women as leaders in Methodism both acknowledged and resisted the worldwide spread of Methodism and its enculturation in America Asia and Africa the development of distinctive Methodist theologies in the last three centuries its role as a progenitor of the Holiness and Pentecostal movements and the engagement of Methodists with other denominations and faiths across the world This major companion presents an invaluable resource for scholars worldwide particularly those in the UK North America Asia and Latin America T&T Clark Companion to Methodism Charles Yrigoyen Jr, 2014-09-25 The first volume in the T T Clark Companions series this volume is a handbook on Methodism containing an introduction dictionary of key terms and concentrates on key themes methodology and research problems for those interested in studying the origins and development of the history and theology of world Methodism The literature describing the history and development of Methodism has been growing as scholars and general readers have become aware of its importance as a world church with approximately 40 million members in 300 Methodist denominations in 140 nations The tercentenary celebrations of the births of its founders John and Charles Wesley in 2003 and 2007 provided an additional focus on the evolution of the movement which became a church This book researches questions problems and resources for further study **The Spirit of Methodism** Jeffrey W. Barbeau, 2019-08-27 The story of Methodism is much richer and more expansive than John Wesley's sermons and Charles Wesley's hymns In this book Methodist theologian Jeffrey W Barbeau provides a brief and helpful introduction to the history of Methodism from the time of the Wesleys through developments in North America to its diverse and global communion today as well as its primary beliefs and practices *The African Methodist Episcopal Church* Dennis C. Dickerson, 2020-01-09 Explores the emergence of African Methodism within the black Atlantic and how it struggled to sustain its liberationist identity The Oxford Encyclopedia of American Cultural and Intellectual History, 2013 Over 600 A Z articles on a wide range of topics in American cultural and intellectual History Explores American cultural and intellectual history from the colonial period to the present day Annotated bibliographies to highlight the major works in the field Expands and updates The Oxford Companion to United

States History     *The Cambridge Companion to John Wesley* Randy L. Maddox, Jason E. Vickers, 2010 This is a general comprehensive introduction to John Wesley's life and work and to his theological and ecclesiastical legacy Written from various disciplinary perspectives this volume will be an invaluable aid to scholars and students including those encountering the work and thought of Wesley for the first time     *Respectable Methodism* Daniel F. Flores, 2023-03-07 The Wesleyan Methodist movement entered American history as a fragment of British Methodism It quickly took on a new identity in the early republic and grew into a vibrant denomination in the nineteenth century The transitions from the rugged pioneer religion modeled by Bishop Francis Asbury to the urbane religion of industrial America was by design the goal of influential leaders of the Methodist Episcopal Church Nathan Bangs was perhaps one of the most significant of such leaders He rose from obscurity to the ranks of power and influence by refining patterns of worship expanding denominational publishing and structuring ministerial education This study is concerned with the development of respectability in American Methodism It also explores questions on how Bangs and other leaders dealt with in house conflicts on issues related to race slavery and the poor     *African Americans in the Colonial Era* Donald R. Wright, 2017-04-24 What are the origins of slavery and race based prejudice in the mainland American colonies How did the Atlantic slave trade operate to supply African labor to colonial America How did African American culture form and evolve How did the American Revolution affect men and women of African descent Previous editions of this work depicted African Americans in the American mainland colonies as their contemporaries saw them as persons from one of the four continents who interacted economically socially and politically in a vast complex Atlantic world It showed how the society that resulted in colonial America reflected the mix of Atlantic cultures and that a group of these people eventually used European ideas to support creation of a favorable situation for those largely of European descent omitting Africans who constituted their primary labor force In this fourth edition of *African Americans in the Colonial Era* From African Origins through the American Revolution acclaimed scholar Donald R Wright offers new interpretations to provide a clear understanding of the Atlantic slave trade and the nature of the early African American experience This revised edition incorporates the latest data a fresh Atlantic perspective and an updated bibliographical essay to thoroughly explore African Americans African origins their experience crossing the Atlantic and their existence in colonial America in a broadened more nuanced way     *From Aldersgate to Azusa Street* Henry H. Knight, 2010-08-11 Historians have noted the connections between the Wesleyan Methodist movement that began in the eighteenth century the emergence of African American Methodist traditions and an interdenominational Holiness movement in the nineteenth century and the birth of Pentecostalism in the twentieth century This volume written by historians theologians and pastors builds on that earlier work The contributors present a diverse array of key figures denominational leaders and mavericks institutional loyalists and come outers clergy and laity who embodied these movements The authors show that in spite of their differing historical and cultural contexts these movements constitute a distinct theological family whose confident and expectant faith

in the transforming power of God has significant implications for the renewal of the contemporary church and its faithfulness to God's mission in the world today Contributors Corky Alexander Estrela Alexander Kimberly Ervin Alexander Leslie D Callahan Barry L Callen Douglas R Cullum Dennis C Dickerson D William Faupel Philip Hamner David Aaron Johnson J C Kelley Henry H Knight III William C Kostlevy Diane K Leclerc Joshua J McMullen Rodney McNeill Stephen W Rankin Harold E Raser Douglas M Strong Matthew K Thompson Wallace Thornton Jr L F Thuston Arlene Sanchez Walsh Steven J Land Laura Guy John H Wigger

Women Healers Susan H. Brandt, 2022-04-15 In her eighteenth century medical recipe manuscript the Philadelphia healer Elizabeth Coates Paschall asserted her ingenuity and authority with the bold strokes of her pen Paschall developed an extensive healing practice consulted medical texts and conducted experiments based on personal observations As British North America's premier city of medicine and science Philadelphia offered Paschall a nurturing environment enriched by diverse healing cultures and the Quaker values of gender equality and women's education She participated in transatlantic medical and scientific networks with her friend Benjamin Franklin Paschall was not unique however Women Healers recovers numerous women of European African and Native American descent who provided the bulk of health care in the greater Philadelphia area for centuries Although the history of women practitioners often begins with the 1850 founding of Philadelphia's Female Medical College the first women's medical school in the United States these students merely continued the legacies of women like Paschall Remarkably though the lives and work of early American female practitioners have gone largely unexplored While some sources depict these women as amateurs whose influence declined Susan Brandt documents women's authoritative medical work that continued well into the nineteenth century Spanning a century and a half Women Healers traces the transmission of European women's medical remedies to the Delaware Valley where they blended with African and Indigenous women's practices forming hybrid healing cultures Drawing on extensive archival research Brandt demonstrates that women healers were not inflexible traditional practitioners destined to fall victim to the onward march of Enlightenment science capitalism and medical professionalization Instead women of various classes and ethnicities found new sources of healing authority engaged in the consumer medical marketplace and resisted physicians' attempts to marginalize them Brandt reveals that women healers participated actively in medical and scientific knowledge production and the transition to market capitalism

**The Reverend Peter W. Clark** Elaine Parker Adams, 2013-07-19 Peter Clark's ministerial journey provides an in-depth understanding of the sacrifices and hardships faced by black Methodist preachers as they spread the gospel and expanded Methodism in the late nineteenth century and early twentieth century It provides deep insight into the racial attitudes and economic conditions that prevailed in post-Reconstruction Louisiana Angella Current Felder author Breaking Barriers An African American Family the Methodist Story I could feel the story better than most because I had been down some of the same roads Peter Clark traveled although a hundred years later and under more comfortable circumstances Rev James L Killen Jr author Pastoral Care in the Small

Membership Church We sensed Peter Clarks strength and leadership throughout this very turbulent and racially charged time in our history He would have been honored to have his life written about with such loving care Rev Cindy Foster Serio spiritual director and retreat leader Mosaic Spiritual Formation Ministry The information regarding tuberculosis is insightful The biography walks the reader through some very important points and offers some food for thought on the thinking at the time and implications for the race the individual and the family unit Dr Lisa Armitige medical consultant Heartland National TB Center

*The Enslaved and Their Enslavers* Edward Pearson, 2023-09-19 In *The Enslaved and Their Enslavers* Edward Pearson offers a sweeping history of slavery in South Carolina from British settlement in 1670 to the dawn of the Civil War For enslaved peoples the shape of their daily lives depended primarily on the particular environment in which they lived and worked and Pearson examines three distinctive settings in the province the extensive rice and indigo plantations of the coastal plain the streets workshops and wharves of Charleston and the farms and estates of the upcountry In doing so he provides a fine grained analysis of how enslaved laborers interacted with their enslavers in the workplace and other locations where they encountered one another as plantation agriculture came to dominate the colony *The Enslaved and Their Enslavers* sets this portrait of early South Carolina against broader political events economic developments and social trends that also shaped the development of slavery in the region For example the outbreak of the American Revolution and the subsequent war against the British in the 1770s and early 1780s as well as the French and Haitian revolutions all had a profound impact on the institution s development both in terms of what enslaved people drew from these events and how their enslavers responded to them Throughout South Carolina s long history enslaved people never accepted their enslavement passively and regularly demonstrated their fundamental opposition to the institution by engaging in acts of resistance which ranged from vandalism to arson to escape and on rare occasions organizing collectively against their oppression Their attempts to subvert the institution in which they were held captive not only resulted in slaveowners tightening formal and informal mechanisms of control but also generated new forms of thinking about race and slavery among whites that eventually mutated into pro slavery ideology and the myth of southern exceptionalism

*Singing through Struggle* Carolynne Hitter Brown, 2025-04-21 *Singing through Struggle* Music Worship and Identity in Postemancipation Black Churches offers an innovative look at the vital role music and worship played in nurturing Black citizenship and identity during the Reconstruction era In such border cities as Baltimore Washington DC and Philadelphia the church was where newly emancipated migrants and members of the free Black community merged identities priorities and experiences through a process of cultural negotiation Music as a sign of Black achievement and as a genuine expression of identity produced both bastions and battlegrounds in the fight for democracy The music of Black churchgoers singing together in sanctuaries as well as in homes schools and outdoors expressed resistance to uplift ideologies within and to white supremacy without Even while using hymns and music of the European sacred tradition members infused the songs they chose with new

meanings relevant to their evolving concerns and situations Drawing on fresh archival sources *Singing through Struggle* sheds light on the unexplored gap in the study of African American religious music between slavery and the Great Migration demonstrating the continuous stream of Black creativity and dignity that existed in religious music making between gospel music and the spirituals This close up investigation of three Black congregations draws out previously forgotten stories of men and women who understood church music as key to shaping a collective purpose and civic identity Their stories demonstrate how faith music and ritual gave the Black community means for exploring a deeply complex and ever changing reality

**The Journal of African American History** ,2002

**America's Book** Mark A. Noll,2022 Noll s magisterial work highlights not only the centrality of the Bible for the nation s most influential religious figures Methodist Francis Asbury Richard Allen of the African Methodist Episcopal Church Catholic Bishop Francis Kenrick Jewish scholar Solomon Schechter agnostic Robert Ingersoll but also why it was important for presidents like Abraham Lincoln notable American women like Harriet Beecher Stowe Elizabeth Cady Stanton and Frances Willard dedicated campaigners for civil rights like Frederick Douglass and Francis Grimk lesser known figures like Black authors Maria Stewart and Harriet Jacobs and a host of others of high estate and low

**Fostering Collaborations Between African American Communities and Educational Institutions** Jones, Patrice Wynette,2019-12-13 Historically African American communities were marked by a strong sense of community promoted by limited resources and racial segregation However with integration African American populations grew less concentrated in the same areas and this population of people began to rely less on each other In an effort to attain equality which still at times feels elusive and challenged the sense of community and impact of education once prevalent among African Americans has suffered *Fostering Collaborations Between African American Communities and Educational Institutions* is a pivotal reference source that explores pre segregation experiences of community and education as well as the changes among HBCUs and public education in predominately African American and poor areas The book sheds light on the relationship between racial and educational disparities and reveals the impact of community and cultural co dependence in moving African Americans toward a more socially equitable place within American culture Covering topics such as the achievement gap community relationships and teacher education this publication is ideally designed for educators higher education faculty HBCUs researchers policymakers non profit organizers historians sociologists academicians and students

## Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **A Will To Choose The Origins Of African American Methodism**

In some sort of inundated with monitors and the cacophony of instantaneous transmission, the profound power and emotional resonance of verbal artistry often diminish in to obscurity, eclipsed by the continuous onslaught of sound and distractions.
