June Seventh Christine Parker, 2015-10-29 Sitting on the airplane going over all of the events that had occurred in the last few months was extremely disheartening My life was deteriorating I was getting ready to get off this flight and move back in with my vindictive mother The flight lasted two hours and twenty five minutes and I was in agony I was physically mentally and emotionally exhausted I hadn't slept in months because I didn't want to relive my traumatic experience My beautiful bright brown eyes were lackluster I wanted to have a breakdown on the plane but I didn't want the man sitting next to me to think I was demented The pilot announced We will be landing in New York in fifteen minutes

RETRIBUTION Lewis Ericson, 2015-09-28 Vengeance is the monster forever bloodthirsty but never truly satisfied Tirrell Ellis didn't think his life could get any worse but he is about to be proven wrong Old acquaintances and enemies threaten to re-enter his life placing everyone he loves in danger Lack of money and mobility don't help the situation Trapped in a wheelchair resentful of his older more successful brother and feeling smothered by his overprotective grandmother causes him to feel like more of a failure If he can somehow make things right maybe there's a chance at redemption but at what cost God must surely have a sense of humor because Tirrell is the last person Alex Solomon wanted to ever contact again They didn't part on the best of terms but strange things are afoot and she's running out of options She can't shake the foreboding that her past is about to catch up with her and that means she'll do whatever it takes to keep her mother and daughter safe even making a deal with the devil If the road to hell is paved with good intentions then Tirrell and Alex can keep each other company Neither seemed to learn the lesson that impetuous choices lead to consequences sometimes good sometimes not so much

The Brian "Gibbs" Glaze Story: Beyond Lucky Brain Gibbs Glaze, Joseph Verola, 2015-09-11 Time stopped I heard nothing but felt the recoil forcing my hand to jerk back I watched the bullet and sensed it travel through her head and then the sound as it exited made everything crystal clear I must

have closed my eyes because I never saw any blood as her head didn't seem to budge. It was surreal. Then being so close to the matter from her brain head and skull splattered onto my face. I can recall not thinking, taking my tongue licking the blood from my face and using the sleeve of my hoodie to wipe off the rest. At that moment I realized I crossed over to the dark side. Glaze, suspected of killing a rookie cop that enraged the country and started police drug raids and investigations throughout America, tells the real facts behind the killing of Edward Byrne. Beyond Lucky is a story of extraordinary violence, brutality and redemption. Crack money murder and Brian Glaze Gibbs became synonymous to local and federal law enforcement agencies. Brian admits he was guided by a distorted logic and the peer pressure of the inner city and the desire to be fly shakin' money makin' and stylin'. From the bloody streets of New York to being singled out by Joe Biden's 1996 senate subcommittee investigating the effectiveness of the Witness Protection Program. During that hearing the US Government admitted it had given him the deal, believing he was responsible for fifty murders and was allowed to keep thirty-five million dollars from his trade as a drug lord. Glaze describes in great detail how, despite being raised by a loving mother and being a church-going child, he became a major drug lord. He started out as an enforcer for one of the most notorious drug lords and eventually became so bloodthirsty that his mentor and accomplices had to restrain him. What makes Brian's story so special is that individuals such as Leslie Caldwell, Assistant Attorney General, who fought to get him into the Witness Protection program after Glaze confessed to multiple murders, attempted murders and drug trafficking. Beyond Lucky: How does a man like Brian Glaze Gibbs roll the dice and escape a death sentence or multiple life sentences and survive the New York City drug wars that resulted in hundreds of people being killed, too many of them by him? He has been described as the murderer with a big heart and endless charisma. After serving only eight years and eight months for his crimes, he was given a new identity and unbeknownst to his neighbors, he is now a murderer in their midst. It's easy for Brian to say he has changed, been redeemed, but to have it confirmed by key individuals whom he is still in contact with, such as Joe Ponzi, Chief Investigator for the New York State District Attorney's Office and Leslie Caldwell, Assistant United States Attorney, FBI agents Richard Martinez and David Higgins, who originally were Glaze's nemesis, fought to get him one more chance at life. Glaze, when asked why he was so fortunate, he responded, "Well, I wonder myself, but I'm not one to second-guess God." Brian Glaze Gibbs is the blueprint for every drug lord that grew up in York City. A story any wannabe criminal drug dealer should read before hitting The Street, wanting to make 40,000 a day.
