Fin Gilli Bloodaxe, 2015-08-28 Bloodaxe's work is full of everyday absurdities and skewed observations From his eulogy to a chav to

the clever word play of Tarzan wrestling with complex grammar in the middle of Dudley Bloodaxe's ludicrous scenarios never fail to entertain. This is beat poetry without the pretension and Bloodaxe's work is reminiscent of a mash up between Spike Milligan, Edward Lear and Brian Patten but with its own unique Yorkshire approach. While most of the poems are short and pithy, his mini opus *The Bitchling Deacon* has an almost Joycean epic feel about it with fantastical characters visiting the races and running manically across The South Downs. Thoroughly recommended. Tim Pilcher, Sue Bradley, Brighton Festival Fringe Review. Ace manipulator of words and music, the indefinable Gilli Bloodaxe. I was astonished by it, amazing little stories. He's a real find. Ian Macmillan. This is the first time these poems have been published on the page. They are usually performed over an intensely annoying background of music made up by Bloodaxe's long time collaborators Foz and Astra Chan. They should not be taken seriously or used to set personal goals or objectives without the advice of a qualified life coach. Fin has been beautifully illustrated by Lily Morgan.
