Department of the Army, 1996 *How the Army Runs: A Senior Leader Reference Handbook, 2011-2012* U.S. Army War College, 2013-05-20 The U S Army War College USAWC is proud to present the 28th Edition of How the Army Runs A Senior Leader Reference Handbook 2011 2012 Publication of this text at this time when the Army has been at war for almost a decade has almost completed restructuring of its operating force and is addressing the structure of the generating force as well as completing formidable base closure and restationing actions gives credence to the enduring truth that in order to be successful the Army must sustain and improve itself while it is fully committed to the Nation s bidding The systems and

processes documented and explained in this work are designed to do just that This text was prepared under the direction of the faculty of the Department of Command Leadership and Management It is intended to be used in an academic environment during the study of the systems and processes used to develop and sustain trained and ready combat forces to be used by the Combatant Commanders Embedded Behavioral Health in the Military Amy M. Thrasher, Larry C. James, William O'Donohue, 2024-10-11 This book focuses on the strategy of embedded behavioral health EBH a model developed for the military to provide services in proximity to where service members live and work It applies to both garrison and deployed individuals so that wherever combat units are located there are organic behavioral health resources available The book provides an understanding of the importance of EBH programs and their crucial role in promoting early prevention and intervention opportunities The goal is to shift behavioral care so that the right resources are available in the right place at the right time As such this book serves as an invaluable guide to these vital programs *Army Trainer* ,1981
