career Through meticulous research into manuscripts and the dates of tin cans that Gonzales repurposed into elegant fanciful frames niches sconces and religious decorations Dixon identifies as Gonzales s numerous pieces of poetry and tinwork once attributed to anonymous poets and artists His most important discovery served as a Rosetta stone an ink wash and watercolor drawing in an ornamental tin frame housed at the Millicent Rogers Museum in Taos whose documented provenance helped Dixon to identify Gonzales s other artwork More than 100 color photographs of Gonzales s tinwork and more than a dozen translations of the artist s poetic and musical works punctuate the narrative Both a catalogue raisonné of a hitherto little known artist and an anthology of his writings this book reconstructs the creative life of a long overlooked talent one whose quest for beauty resulted in a prolific body of art and literature
