Proceedings of ... Annual Convention of the Military Order of the Purple Heart Military Order of the Purple Heart,1942 **Arthur's Illustrated Home Magazine** ,1876 **Arthur's Home Magazine** ,1880 **Historic Figures of the Arthurian Era** Frank D. Reno,2009-12-02 The author has determined in an earlier McFarland book The Historic King Arthur 1996 paperback 2007 that there was not a historic King Arthur during the sixth century However as listed in The Historia Brittonum there was a great king of all the kings of Britain named Ambrosius Aurelianus who was conflated with a heroic Arthur of the second century and hence with the legendary King Arthur To further authenticate the Celtic Romano King Arthur that is Ambrosius the author here examines seven major historical figures of the period A D 383 500 based upon the Genealogical Preface of The Anglo Saxon Chronicle and the emendation of dates in that chronicle Those seven allies and adversaries are Vortigern Vortimer Vitalinus Cunedda Cerdic Octha and Mordred Through an extensive analysis of Arthur s 12 battles listed in the Historia Brittonum this work explores both the influences of the High King s allies and the shifting allegiances of his enemies A battle list provides possible geographic locations for each of the battles including a new site for Arthur s fateful battle at Camlann **King Arthur** Nicholas J. Higham,2018-11-20 A leading medievalist takes a clear eyed look at the evidence for the existence of the legendary Arthur The Sunday Times Best Paperbacks of 2021 According to legend King Arthur saved Britain from the Saxons and reigned over it gloriously sometime around A D 500 Whether or not there was a real King Arthur has all too often been neglected by scholars most period specialists today declare themselves agnostic on this important matter In this erudite volume Nick Higham sets out to solve the puzzle drawing on his original research and expertise to determine precisely when and why the legend began Higham surveys all the major attempts to prove the origins of Arthur weighing up and debunking hitherto claimed connections with classical Greece Roman Dalmatia Sarmatia and the Caucasus He then explores Arthur s emergence in Wales up to his rise to fame at the hands of Geoffrey of Monmouth Certain to arouse heated debate among those committed to defending any particular Arthur Higham s book is an essential study for anyone seeking to understand how Arthur s story began Likely to be the definitive text on the legendary warrior for the foreseeable future With his profound knowledge of the rules of historical narrative and patient but forensic analysis of the evidence Higham s riveting book brings the historical Arthur to what may be his last decisive battle Max Adams author of The First Kingdom Fascinating authoritative analysis P D Smith The Guardian Intelligent and eminently readable For fans of a fascinating story that is wonderfully well told this is the perfect book to take you back to King Arthur s time All About History **Butrint 6: Excavations on the Vrina Plain** Simon Greenslade,2019-08-04 Butrint 6 describes the excavations carried out on the Vrina Plain by the Butrint Foundation from 2002 2007 Lying just to the south of the ancient port city of Butrint these excavations have revealed a 1 300 year long story of a changing community that began in

the 1st century AD one which not only played its part in shaping the city of Butrint but also in how the city interacted and at times reacted to the changing political economic and cultural situations occurring across the Mediterranean World over this period Volume II discusses the finds from the Vrina Plain excavations This volume provides an insight into how the Vrina Plain community lived worked and ultimately died and includes chapters on the medieval and post medieval ceramics from the excavations analysis of the human and faunal remains environmental evidence Roman and Medieval coins a detailed study of the small finds as well as a discussion of the glass including a report on a number of glass cakes ingots of raw glass associated with glass working that were found during the excavations The volume also reports on five lead seals dating from the late 9th to the 10th century an uncommon find but one which when considered with the contemporary coins suggests that for 100 years the Vrina Plain was Butrint *Publishers' circular and booksellers' record* ,1870 Congressional Record United States. Curious Disciplines Sarah Hayden,2018-04-15 The transnational modernist Mina Loy 1882 1966 embodied the avant garde in many literary and artistic media This book positions her as a theorist of the avant garde and of what it means to be an artist Foregrounding Loy s critical interrogation of Futurist Dadaist Surrealist and Degenerate artishood and exploring her poetic legacies today Curious Disciplines reveals Loy s importance in an entirely novel way Examining the primary texts produced by those movements themselves their manifestos magazines pamphlets catalogues and speeches Sarah Hayden uses close readings of Loy s poetry prose polemics and unpublished writings to trace her response to how these movements wrote themselves collectively into being **The Publishers' Circular** ,1870 **Monstrous Fantasies** Leila K. Norako,2024-08-15 Monstrous Fantasies asks why medieval romances reimagining the crusades ending in a Christian victory circulated in England with such abundance after the 1291 Muslim reconquest of Acre the last of the Latin crusader states in the Holy Land and what these texts reveal about the cultural anxieties of late medieval England Leila K Norako highlights the impact that the Ottoman victory and subsequent massacre of Christian prisoners at the battle of Nicopolis in 1396 had on intensifying the popularity of what she calls recovery romance These two episodes inspired a sense of urgency over the fate

of the Holy Land and of Latin Christendom itself resulting in the proliferation of romances in which crusading English kings like Richard I and anachronistic legends like King Arthur not only reconquered Jerusalem but committed genocidal violence against the Muslims These romances which as Norako argues also influenced Geoffrey Chaucer's Canterbury Tales conjure fantasies of an ascendant global Christendom by rehearsing acts of conquest and cultural annihilation that were impossible to realize in the late Middle Ages Emphasizing the tension in these texts between nostalgia and anticipation that fuels their narrative momentum Monstrous Fantasies also explores how the cultural desires for European and Christian hegemony that recovery romances versified were revived in the wake of the so called wars on terror in the twenty first century in such films as Kingdom of Heaven and American Sniper

The Lost Airman Seth Meyerowitz, 2016-01-19 Arthur Meyerowitz was on his second air mission over France when he was shot down in 1943 He was one of only two men on the B 24 Liberator known as Harmful Lil Armful who escaped death or immediate capture on the ground After fleeing the wreck Meyerowitz knocked on the door of an isolated farmhouse whose owners hastily took him in Fortunately his hosts not only despised the Nazis but had a tight connection to the French resistance group Morhange and its founder Marcel Taillandier Meyerowitz and Taillandier formed an improbable bond as the resistance leader arranged for Meyerowitz's transfers among safe houses in southern France shielding him from the Gestapo Based on recently declassified material exclusive personal interviews and extensive research into the French Resistance The Lost Airman tells the tense and riveting story of Meyerowitz's trying months in Toulouse masquerading as a deaf mute and working with downed British pilot Richard Frank Warren Cleaver to evade the Nazis and of his hair raising journey to freedom involving a perilous trek over the Pyrenees and a voyage aboard a fishing skiff with U boats lurking below and Luftwaffe fighters looming above The Lost Airman is a never before told fascinating story of spycraft and a true account of endurance perseverance and escape during the Second World War
