A Comparative A-Level British and American Government and Politics Revision Guide Russell Tillson, 2005-05-01

Politics And Traditional Culture: The Political Use Of Traditions In Contemporary China Janette Jiawen Ai, 2014-09-19 This book examines the political use of China's traditions by the party state in contemporary China It argues that the party state has taken an official Marxist stance in terms of the political use of tradition Besides looking at the official Marxist stance this book also looks at critiques of the party state's use of traditions by the Liberalists and Neo traditionalists The underlying political ideologies of these three camps are Marxism Liberalism and Neo traditionalism These three political ideologies have been the most influential in Chinese politics since the

Republican Revolution in 1911 The contemporary political use of China's traditions is a competition between Marxism Liberalism and Neo traditionalism This competition is critical to the future of Chinese politics This book also examines three cases representing identical ways of the political use of traditions The three cases are the children's reading of the classics movement the construction of a Chinese Cultural Symbolic City the construction and subsequent removal of a statue of Confucius in and from Tiananmen Square and the revision of the official list of public holidays The study of the three cases attempts to shed light on the three ways Chinese traditions have been used politically by the party state It also attempts to explore the reasons for the party's use of Chinese traditions the reasons for the party's scepticism with regard to using Chinese traditions and more importantly the competition and or cooperation between Marxists Liberalists and Neo traditionalists AS and A Level Government and Politics ,2006 **Politics of Urban Planning** Luca Pattaroni,Amita Bhide,Christine Lutringer,2022-03-29 This book offers an interdisciplinary and dynamic account of the politicization of urban planning in Mumbai India It presents a unique perspective on the tensions and conflicts pervading the development and regulation of contemporary cities in the wider context of global urbanization and broadens readers understanding of urban planning chiefly focusing on the interplay between grassroots movements experts involvement and sociotechnical questions As the respective chapters of the book show the various controversies surrounding the Mumbai Development Plan MDP have called into question the social and political effects of reshaping the city the exclusion and inequalities it has produced but also the role it confers on the state and the market and its impacts on the environment After carefully describing these controversies the book tackles the fundamental democratic question of who gets to define the future of a city Given its scope the book is of interest to researchers students and teachers of city planning urban development and urban studies as well as policymakers
