Arranged Marriage Chit Divakaruni,2011-02-15 **His to Love: An Arranged Marriage Romance** Scarlett King,Michelle Love,2021-02-06 An Arranged Marriage Romance *Arranged Marriage* Swarn Singh Bains,2014-11-26 The main topic of this book is arranged marriage So it is self explanatory to indicate what this book is about There is quite a bit of doubt and confusion in the west how the people in India get married through arranged marriage system without seeing or knowing the spouse The arranged marriage is a contract of co existence for life signed in the presence of the guardians of faith guardians and guarantors of contract and well wishers We take marriage for granted without knowing the intricacies of married life It is not so To stay married is the highest priority of life It is much higher than signing a contract to get a job and make money and even obeying the faith values because the faith can be achieved through values and love of married life In arranged marriage the necessities of life are taken into consideration not the enjoyment for a few days It is a contract signed in good faith The acceptance of the spouse is the most important factor for the marriage to last forever This factor is drilled into the couple by the elders to realize the requirements of the spouse Realizing and fulfilling those requirements makes the marriage last forever There are some other short stories in the book Most of those stories are true but some are imaginary as well So read it and find out what the writer is trying to convey and justify *An Arranged Marriage* Dorothea Gerard,1895

The Sheik's Arranged Marriage Susan Mallery, **An Arranged Marriage** Susan Fox,1998 [Learning to Love](#) Raksha Pande,2021 Learning to Love moves beyond the media and policy stereotypes that conflate arranged marriages with forced marriages Using in depth interviews and participant observations this book assembles a rich and diverse array of everyday marriage narratives and trajectories and highlights how considerations of romantic love are woven into traditional arranged marriage practices It shows that far from being a homogeneous tradition arranged marriages involve a variety of

different matchmaking practices where each family tailors its own cut and paste version of British Indian arranged marriages to suit modern identities and ambitions Pande argues that instead of being wedded to traditions people in the British Indian diaspora have skillfully adapted and negotiated arranged marriage cultural norms to carve out an identity narrative that portrays them as modern and progressive migrants ones who are changing with the times and cultivating transnational forms of belonging

Arranged Marriage Péter Berta,2023-03-17 Arranged Marriage The Politics of Tradition Resistance and Change shows how arranged marriage practices have been undergoing transformation as a result of global and other processes such as the revolution of digital technology democratization of transnational mobility or shifting significance of patriarchal power structures The ethnographically informed chapters not only highlight how the gendered and intergenerational politics of agency autonomy choice consent and intimacy work in the contexts of partner choice and management of marriage but also point out that arranged marriages are increasingly varied and they can be reshaped reinvented and reinterpreted flexibly in response to individual family religious class ethnic and other desires needs and constraints The authors convincingly demonstrate that a nuanced investigation of the reasons complex dynamics and consequences of arranged marriages offers a refreshing analytical lens that can significantly contribute to a deeper understanding of other phenomena such as globalization modernization and international migration as well as patriarchal value regimes intergenerational power imbalances and gendered subordination and vulnerability of women
