Art Following Jesus Enjoying Great:

In Art: Following Jesus Catherine Jaime, 2015-12-08 Last year I put together a simple Bible Study of Christ's life to bridge the time from CHRISTmas to Easter scriptures representing some of the highlights of His life This book takes most of those scriptures and adds great art making it a Biblical picture book for all ages It could still be used as a Bible study or as an art study The paintings here span many centuries and are arranged a little differently than most of the others in the Exploring Great Art series As you look through the pages you may notice many similarities and many differences between them see the colors the textures patterns and more But most of all enjoy Note to parents All of the paintings selected for the books in this series are child friendly but we aren't necessarily recommending all of the other paintings by these same artists If you and your children want to go exploring more art after this please exercise caution
