soul levels of the Zohar to the various paths the soul may travel toward ultimate realization Introduces a new meditative technique called the Transformative Moment Throughout the history of the Jewish esoteric tradition humankind has been understood to play a pivotal role in the perfection of the cosmos uniting the finite with the infinite in the perfection of divine personality Working from an original synthesis of the major kabbalistic traditions of cosmology derived from the Bible the Zohar and the school of Isaac Luria Leonora Leet has erected a new framework for understanding the mechanism of the transformative spiritual work that enables the human soul to reach increasingly higher dimensions of consciousness This analysis extends the frontiers of Leet s prior works on the Kabbalah to provide a new illumination of human possibilities Leet first considers the false temptations of worldly power and pleasure that lead to the fall of the soul and then the means of its redemption She develops a powerful meditative technique called the Transformative Moment whose workings are exemplified by Jacob and Joseph and that allow the individual to progress through all the higher levels of the soul even possibly to attain the miraculous powers of the legendary spiritual masters She further correlates the hierarchy of soul levels with Ezekiel s Throne vision to show the various paths the soul may travel toward self realization sex love power knowledge holiness and unification The first four paths relate to the four faced living creatures Chayot of Ezekiel s Throne vision the bull ox lion eagle and man The final two paths correlate to the prophet and the envisioned man on the throne he recognizes to be his divine higher self the knowledge that defines the secret doctrine of the whole of the Jewish mystical tradition culminating in the Kabbalah

Imagining Holiness Justin Jaron Lewis, 2009 Hasidic tales are often read as charming timeless expressions of Jewish spirituality The best known versions of these stories however have been rewritten for audiences outside traditional Judaism and few works have explored Hasidic tales as they were created by Hasidic Jews In *Imagining Holiness* Justin Lewis offers a radical reappraisal of how we think of Hasidic tales calling into question received notions of authenticity He focuses his study

on the neglected Hasidic literature of the early twentieth century primarily the work of Israel Berger and Abraham Hayim Michelson and the literary and historical dynamics of its emergence posing questions about its place in Hasidic society the attitude of the Hasidim towards this literature and orality in Hasidic tradition as manifested in these Hasidic books Berger and Michelson wrote in the decade before the First World War a time of loss and decline for Hasidism Their books resisted modernity and positioned Hasidism as authentic Judaism but also reflected modern literary trends expressed tensions within Hasidism itself and depicted struggles between the soul and body Imagining Holiness will help readers understand the inner motivations of this religious culture at an important moment in its history Book Jacket The Hidden Spirituality of Men ,
