preserved the lives of an entire class of girls most of whom did not survive the War. Alie and her friends are brought touchingly and vividly to life along with their writings in this extraordinary book. Their everyday hopes, pleasures and longings are offset by the constant fear of a knock on the door, a missing friend from class, a family member taken away. Alie and her mother were to die in Sobibor in 1943. Alie's sister Gretha survived Auschwitz and kept her promise to her sister to preserve the friendship album so long as she hoped to live. This book will sit alongside Anne Frank's diary and *The Cutout Girl* as a unique window into occupied Amsterdam and the girls who will now never be forgotten.
