strategies including AP classes test prep courses and extracurriculars to assess how these strengthen applications On campus the authors examine roommate choices friendship circles and degrees of social interaction and discover that while students from different racial and class circumstances are not separate in college they do not mix as much as one might expect The book encourages greater interaction among student groups and calls on educational institutions to improve access for students of lower socioeconomic status No Longer Separate Not Yet Equal offers valuable insights into the intricate workings of America's elite higher education system

The Game of Life James L. Shulman, William G. Bowen, 2011-08-15 The President of Williams College faces a firestorm for not allowing the women's lacrosse team to postpone exams to attend the playoffs The University of Michigan loses 2.8 million on athletics despite averaging 110,000 fans at each home football game Schools across the country struggle with the tradeoffs involved with recruiting athletes and updating facilities for dozens of varsity sports Does increasing intensification of college sports support or detract from higher education's core mission James Shulman and William Bowen introduce facts into a terrain overrun by emotions and enduring myths Using the same database that informed *The Shape of the River* the authors analyze data on 90,000 students who attended thirty selective colleges and universities in the 1950s 1970s and 1990s Drawing also on historical research and new information on giving and spending the authors demonstrate how athletics influence the class composition and campus ethos of selective schools as well as the messages that these institutions send to prospective students their parents and society at large Shulman and Bowen show that athletic programs raise even more difficult questions of educational policy for small private colleges and highly selective universities than they do for big time scholarship granting schools They discover that today's athletes more so than their predecessors enter college less academically well prepared and with different goals and values than their classmates differences that lead to different lives They reveal that gender equity efforts have wrought large sometimes unanticipated changes And they show that the alumni appetite for winning teams is not as schools often assume insatiable If a culprit emerges it is the unquestioned spread of a changed athletic culture through the emulation of highly publicized teams by low profile sports of men's programs by women's and of athletic powerhouses by small colleges Shulman and Bowen celebrate the benefits of collegiate sports while identifying the subtle ways in which athletic intensification can pull even prestigious institutions from their missions By examining how athletes and other graduates view *The Game of Life* and how colleges shape society's view of what its rules should be Bowen and Shulman go far beyond sports They tell us about higher education today the ways in which colleges set policies reinforce or neglect their core mission and send signals about what matters

Bob Breitbard: San Diego's Sports Keeper Dan Fulop, 2012-06-30 Bob Breitbard San Diego's Sports Keeper chronicles the life and accomplishments of a visionary sportsman and great San Diego icon. An all-star in San Diego's sports lineup for more than half a century, Breitbard was involved in the local sports scene as a player, coach, team owner, builder, booster, and benefactor of institutions and organizations that helped make San Diego a major league city. Breitbard followed his football playing and coaching days at Hoover High School and San Diego State College by becoming the guardian and promoter of the city's sports scene. In 1946, he founded the Breitbard Athletic Association to honor local high school amateur and professional athletes, and later established the Breitbard Hall of Fame. The Foundation developed into the San Diego Hall of Champions, which today is the nation's largest multi-sport museum and a shrine to honor local high school amateur and professional sports stars, hometown heroes of the past, present, and future. Breitbard was the driving force behind the building of the San Diego Sports Arena and the owner of its original tenant, the Gulls of the Western Hockey League, and the expansion NBA Rockets. Breitbard was also one of the founding members of the Greater San Diego Sports Association, a group that helped build San Diego Stadium, bring the Chargers and major league Padres to town, establish and support the Holiday Bowl, and other first-class sports events and facilities. Much more than just a uniquely dedicated caretaker of San Diego's sports, the kind and generous Breitbard was a local treasure that helped make San Diego the wonderful city it is today
