Asylum Denied A Refugees Struggle For Safety In America:

The Refugee Challenge in Post-cold War America María Cristina García, 2017 The Refugee Challenge in Post Cold War America examines the geopolitical and domestic interests that have shaped US refugee and asylum policy since 1989 In the post Cold War era policymakers consider a wider range of populations as potentially eligible for refuge victims of civil unrest trafficking and gender and sexuality based discrimination *Encyclopedia of Immigrant Health* Sana Loue, Martha Sajatovic, 2014-06-20 There is increasing interest in the scientific literature on immigrant health and its impact on disease transmission disease prevention health promotion well being on an individual and population level health policy and the cost of managing all these issues on an individual institutional national and global level The need for accurate and up to date information is particularly acute due to the increasing numbers of immigrants and refugees worldwide as the result of natural disasters political turmoil the growing numbers of immigrants to magnet countries and the increasing costs of associated health care that are being felt by governments around the world Format and Scope The first portion of the encyclopedia contains chapters that are approximately 25 to 40 manuscript pages in length Each overview chapter includes a list of references and suggested readings for cross referencing within the encyclopedia The opening chapters are Immigration in the Global Context Immigration Processes and Health in the U S A Brief History Alternative and Complementary Medicine Culture Specific Diagnoses Health Determinants Occupational and Environmental Health Methodological Issues in Immigrant Health Research Ethical Issues in Research with Immigrants and Refugees Ethical Issues in the Clinical Context The second portion of the book consists of alphabetical entries that relate to the health of immigrants Entries are interdisciplinary and are drawn from the following fields of study anthropology demographics history law linguistics medicine population studies psychology religion and sociology Each entry is followed by a listing of suggested readings and suggested resources and also links to related terms within the whole book Outstanding Features The book adopts a biopsychosocial historical approach to the topics covered in the chapters and the entries Each entry includes suggested readings and suggested resources The chapters and entries are written graduate level that is accessible to all academics researchers and professionals from diverse backgrounds We consider the audience for the entries to be well educated but a non expert in this area The primary focus of the book is on the immigrant populations in and immigration to magnet countries References are made to worldwide trends and issues arising globally In addition to the comprehensive subject coverage the text also offers diverse perspectives The editors themselves reflect the multidisciplinary nature of the topics with expertise in psychiatry law epidemiology anthropology and social work Authors similarly reflect diverse disciplines *Refugees, Theatre and Crisis* A. Jeffers, 2011-10-25 Using examples of refugee arts and theatrical activity since the 1990s this book examines how the refugee crisis has conditioned all arts and cultural activity with refugees in a world where globalization and migration go hand in hand **Refugee Roulette** Jaya Ramji-Nogales, Andrew I. Schoenholtz, Philip

G. Schrag, 2011-04-29 The first analysis of decisions at all four levels of the asylum adjudication process the Department of Homeland Security the immigration courts the Board of Immigration Appeals and the United States Courts of Appeals The data reveal tremendous disparities in asylum approval rates even when different adjudicators in the same office each considered large numbers of applications from nationals of the same country After providing a thorough empirical analysis the authors make recommendations for future reform From publisher description *Law's Detour* Peter

Margulies, 2010-04-26 From the Justice Department memos defending coerced interrogation to the firing of U S Attorneys who did not fit the Bush Administration s political needs *Law s Detour* depicts the many detours that George W Bush and Dick Cheney created to thwart transparency and undermine the rule of law after September 11 2001 Bush officials set up a law free zone at Guantanamo pressured prosecutors to pursue political enemies undermined the protection of bona fide refugees and screened candidates for civil service jobs to ensure the hiring of real Americans While government needs flexibility to address genuine risks to national security which certainly exist in the post 9 11 world the Bush Administration s use of detours distracted the government from urgent priorities tarnished America s reputation and threatened voting and civil rights In this comprehensive analysis of Bush officials efforts to stretch and strain the justice system Peter Margulies canvasses the costs of the Administration s digressions in the war on terror to thwarting economic and environment regulation Book Jacket *Asylum Denied* David Ngaruri Kenney, Philip G. Schrag, 2009-08-17 This book told by Kenney and

his lawyer Philip G Schrag from Kenney s own perspective tells of his near murder imprisonment and torture in Kenya his remarkable escape to the United States and the obstacle course of ordeals and proceedings he faced as U S government agencies sought to deport him to Kenya As we travel with Kenney through the bureaucracies that regulate immigration we learn that despite this country s claim to welcome political refugees our system is too often one of arbitrary justice highly dependent on individual public officials A story of courage love perseverance and legal strategy *Asylum Denied* brings to life the human costs associated with our immigration laws and suggests policy reforms that are desperately needed to help other victims of human rights violations *Invisible in Austin* Javier Auyero, 2015-09-01 Austin Texas is renowned as a high tech

fast growing city for the young and creative a cool place to live and the scene of internationally famous events such as SXSW and Formula 1 But as in many American cities poverty and penury are booming along with wealth and material abundance in contemporary Austin Rich and poor residents lead increasingly separate lives as growing socioeconomic inequality underscores residential class racial and ethnic segregation In *Invisible in Austin* the award winning sociologist Javier Auyero and a team of graduate students explore the lives of those working at the bottom of the social order house cleaners office machine repairers cab drivers restaurant cooks and dishwashers exotic dancers musicians and roofers among others Recounting their subjects life stories with empathy and sociological insight the authors show us how these lives are driven by a complex mix of individual and social forces These poignant stories compel us to see how poor people who provide

indispensable services for all city residents struggle daily with substandard housing inadequate public services and schools and environmental risks Timely and essential reading Invisible in Austin makes visible the growing gap between rich and poor that is reconfiguring the cityscape of one of America's most dynamic places as low wage workers are forced to the social and symbolic margins

International Migration and Citizenship Today Niklaus Steiner, 2009-09-10 International migration has emerged in the last decade as one of the world's most controversial and pressing issues This thought provoking textbook offers the reader a more nuanced and knowledgeable understanding of the complex economic political cultural and moral concerns that arise when people move across borders seeking admission into other countries Splitting the text into five broad sections Steiner facilitates easy navigation of the complex discussions that surround the issue of migration Section One Introduction examines how the central questions that frame the book will be addressed including what criteria should be used to admit migrants and How should a country grant citizenship Section Two Immigrants discusses the criteria for accepting immigrants dealing with the unwanted and assessing the economic cultural and political impacts Section Three Refugees evaluates the methods used to protect refugees the controversies surrounding asylum and the shortcomings of current refugee definitions Section Four Citizenship charts the rise of nationalism presents modern issues of minority rights and diversity and examines processes of naturalization across the globe Section Five Conclusion considers more unconventional approaches to migration and citizenship and suggests moving towards a more holistic approach Carefully constructed to spark discussion and student reflection and featuring suggested resources at the end of each section this book offers dozens of contemporary examples and case studies from across the globe International Migration and Citizenship Today is essential reading for not only students of migration and citizenship but also globalization international relations and democracies

Anti-Immigration in the United States Kathleen R. Arnold, 2011-09-23 A comprehensive treatment of anti immigration sentiment exploring debate policies ideas and key groups from historical and contemporary perspectives Anti Immigration in the United States A Historical Encyclopedia is one of the first encyclopedias to address American anti immigration sentiment Organized alphabetically the two volume work covers major historical periods and relevant concepts as well as discussions of various anti immigration stances Leading figures and groups in the anti immigration movements of the past and present are also explored Bringing together the work of distinguished scholars from many fields including legal theorists political scientists anthropologists geographers and sociologists the work covers aspects and issues related to anti immigration sentiment from the establishment of the republic to contemporary times For each time period there is a focus on key groups representing both actors and those acted upon Political concerns of the time are also discussed to broaden understanding of motivation In addition entries explore the role of race gender and class in determining immigration policy and informing public sentiment

Administrative Justice and Asylum Appeals Robert Thomas, 2011-01-18 FIRST PRIZE WINNER OF THE SLS BIRKS PRIZE FOR OUTSTANDING LEGAL SCHOLARSHIP 2011 How are we to assess and evaluate

the quality of the tribunal systems that do the day to day work of adjudicating upon the disputes individuals have with government This book examines how the idea of adjudicative quality works in practice by presenting a detailed case study of the tribunal system responsible for determining appeals lodged by foreign nationals who claim that they will be at risk of persecution or ill treatment on return to their country of origin Over recent years the asylum appeal process has become a major area of judicial decision making and the most frequently restructured tribunal system Asylum adjudication is also one of the most difficult areas of decision making in the modern legal system Integrating empirical research with legal analysis this book provides an in depth study of the development and operation of this tribunal system and of asylum decision making The book examines how this particular appeal process seeks to mediate the tension between the competing values under which it operates There are chapters examining the organisation of the tribunal system its procedures the nature of fact finding in asylum cases and the operation of onward rights of challenge An examination as to how the tensions inherent in the idea of administrative justice are manifested in the context of a tribunal system responsible for making potentially life or death decisions this book fills a gap in the literature and will be of value to those interested in administrative law and asylum adjudication

The End of Asylum Philip G. Schrag, Andrew I. Schoenholtz, Jaya Ramji-Nogales, 2021-05-01 In *The End of Asylum* three experts in immigration law offer a comprehensive examination of the rise and demise of the US asylum system showing how the Trump administration has put forth regulations policies and practices all designed to end opportunities for asylum seekers and what we can do about it

Undocumented Immigrants in the United States Anna Ochoa O'Leary, 2014-02-25 This two volume reference work addresses the dynamic lives of undocumented immigrants in the United States and establishes these individuals experiences as a key part of our nation s demographic and sociological evolution This two volume work supplies accessible and comprehensive coverage of this complex subject by consolidating the insights of hundreds of scholars who have studied the issues of undocumented immigration in the United States for years It provides a historical perspective that underscores the exponential growth of the undocumented population in the last three decades and presents a more nuanced more detailed and therefore more accurate portrait of undocumented immigrants than is available in general media Also included are recommended resources that will serve researchers seeking more information on topics regarding undocumented immigrants

Let Me be a Refugee Rebecca Elizabeth Hamlin, 2009

Reviewing America's Commitment to the Refugee Convention United States. Congress. Senate. Committee on the Judiciary, 2010

The Atlantic Monthly, 2008

Oversight hearing : U.S. refugee admissions and policy, Michigan Law Review, 2008

Historical Dictionary of Human Rights Jacques Fomerand, 2021-03-29 The second edition of *Historical Dictionary of Human Rights* explores both the theory and the practice of international human rights with a focus on the norms and institutions that make up the architecture of the global human rights regime and the tools processes and procedures through which such norms are realized and enforced Particular attention is given to the contextual political and sociological factors

that shape and constrain the operation and functioning of international human rights institutions and their state and non state actors This is done through a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on terminology conventions treaties intergovernmental organizations in the United Nations and non governmental organizations as well as some of the pioneers and defenders This book is an excellent resource for students researchers and anyone wanting to know more about human rights American Political Culture Michael Shally-Jensen, Mark J. Rozell, Ted G. Jelen, 2015-04-28 This all encompassing encyclopedia provides a broad perspective on U S politics culture and society but also goes beyond the facts to consider the myths ideals and values that help shape and define the nation Demonstrating that political culture is equally rooted in public events internal debates and historical experiences this unique three volume encyclopedia examines an exceptionally broad range of factors shaping modern American politics including popular belief political action and the institutions of power and authority Readers will see how political culture is shaped by the attitudes opinions and behaviors of Americans and how it affects those things in return The set also addresses the issue of American exceptionalism and examines the nation s place in the world both historically and in the 21st century Essays cover pressing matters like congressional gridlock energy policy abortion politics campaign finance Supreme Court rulings immigration crime and punishment and globalization Social and cultural issues such as religion war inequality and privacy rights are discussed as well Perhaps most intriguingly the encyclopedia surveys the fierce ongoing debate between different political camps over the nation s historical development its present identity and its future course By exploring both fact and mythology the work will enable students to form a broad yet nuanced understanding of the full range of forces and issues affecting and affected by the political process The Snakehead Patrick Radden Keefe, 2023-02-16 LONGLISTED FOR THE 2024 CWA GOLD DAGGER FOR NON FICTION Reads like a mashup of The Godfather and Chinatown complete with gun battles a ruthless kingpin and a mountain of cash Except that it s all true Time In this thrilling story of real life events the bestselling author of Empire of Pain investigates a secret world run by a surprising criminal a charismatic middle aged grandmother who from a tiny noodle shop in New York s Chinatown managed a multimillion dollar business smuggling people In The Snakehead Patrick Radden Keefe reveals the inner workings of Cheng Chui Ping aka Sister Ping s complex empire and recounts the decade long FBI investigation that eventually brought her down He follows an often incompetent and sometimes corrupt INS as it pursues desperate immigrants risking everything to come to America and along the way he paints a stunning portrait of a generation of undocumented immigrants and the intricate underground economy that sustains and exploits them Grand in scope yet propulsive in narrative force The Snakehead is both a true crime story and a brilliant exploration of the ironies of immigration in America A powerful piece of reportage about the violent underworld of New York s Chinatown The Times
