Atheisms Response To Apologetics A Refutation Of 20 Common Theistic Arguments:

The Death of Classical Theism and the Subsequent Rise of Atheism Shane Himes, 2025-03-18 Modernity has seen the rise of atheism and a rejection of classical theism In this book Shane Himes argues that the two realities are largely dependent on one another Many modern Christian apologists are not fond of classical doctrines such as divine simplicity and impassibility and thus they happily reject these ideas The ramifications of doing so however have not been fully appreciated especially as they relate to Christian arguments for God s existence Himes gives an overview of the arguments for God s existence by examining the work of both scholars who reject classical theism and those who embrace it An analysis of these arguments demonstrates that modern models of God make his existence a mere possibility as opposed to a logical necessity As such the arguments given by these scholars leave them susceptible to atheist critiques given that they do not answer the question of why anything exists Without classical theism God becomes one possible answer as to why our particular universe exists the way that it does but apparently this has not been convincing to many as atheism has seen an unprecedented rise in the last two centuries Paradoxically if Christianity is to become dominant once again in academia and Western societies more generally a recovery of classical depictions of God as the ground of all being is paramount **CSB Apologetics Study**

Classical Readings in Christian Apologetics L. Russ Bush, 1983 This volume is a collection of selected readings that are of continuing significance for Christian apologetics Dr Bush has written a general introduction to the field of apologetics and an introduction to each apologist cited and the work or works from which selections have been drawn A brief bibliography is also given for each writer Christians have always been called on to defend their beliefs certainly no less today than at any other time in history In this book the outstanding apologists of previous centuries become models both in the content of their writing and in their

methodology for Christians today All those who love the Lord and His church and are concerned that many be made aware of the reasonableness of the Christian faith will find this book enlightening and exciting **CSB Apologetics Study Bible** CSB Bibles by Holman,2017-10-02 The CSB Apologetics Study Bible helps Christians better understand defend and proclaim their beliefs in an age of increasing moral and spiritual relativism This edition includes new articles and extensive apologetics study material from today s leading apologists discussing relevant cultural issues Features commentary from over 90 of the best apologetics thinkers of our day in one resource including Ted Cabal Lee Strobel Paul Copan Norm Geisler Hank Hanegraaff Josh McDowell Albert Mohler J P Moreland and many more plus a special lead article from bestselling author Lee Strobel The Case for Christ The Case for Faith The Case for a Creator and many more entitled How Apologetics Changed My Life FEATURES Over 100 articles from apologists on today s leading topics Study notes on every page to help explain difficult Bible passages Twisted Scriptures focusing on commonly misunderstood passages Index of special articles for quick and easy access in the front of the Bible Book introductions with special emphasis on apologetics Profiles of key Christian apologists including Anselm Athanasius Augustine Joseph Butler C S Lewis Irenaeus Justin Martyr Origen William Paley Blaise Pascal and more Apologetics charts in the back of the Bible detailing the Bible s credibility and key apologists Distinctive page layout and design Two column text format Black letter text 9 75 point type size Smyth sewn durable binding Ribbon marker for easy referencing between pages Concordance Presentation page for gift giving Full color maps The CSB Apologetics Study Bible features the highly readable highly reliable text of the Christian Standard Bible CSB The CSB stays as literal as possible to the Bible s original meaning without sacrificing clarity making it easier to engage with Scripture s life transforming message and to share it with others *The Foundations of Philosophy* Michael Pol Macneil,2025-06-03 This work is about philosophy and what makes a philosophy distinctively Christian in character arguing that it is indeed possible for philosophy to be conceived of as first Christian and not just philosophy done by people that happen to be Christians Christian philosophy is epistemologically self conscious philosophy conducted in a manner honoring to the revelation of the Hebrew and Christian scriptures It is argued that philosophy should be transformative rather than just therapeutic or elucidatory The author examines competing philosophical and scientific accounts from both the empiricist and rationalist schools arguing they are coherent and successful only to the degree that they have imported consciously or unconsciously Christian transcendentals He then applies this insight to explore the character and practice of a Christian political philosophy Faith Has Its Reasons Kenneth Boa,Robert M. Hardy, 2007-04-01 My freshman year of college was a battle writes Katie a college student and a strong Christian The
transition from high school to college is one of the most pivotal times in a young person s life After departing from under the
protective wings of their parents young adults often have trouble holding firm to the Christian faith Stand Your Ground is an
introduction to apologetics for young adults in high school or college The book includes thirteen chapters that confront the
overwhelming intellectual attacks Christian college students face on university campuses Dean Hardy takes readers on a
spiritual and intellectual journey addressing such issues as the nature of truth and reality the investigation of other
worldviews the evidence for Christianity critics arguments against Christianity and the relationship between apologetics and

Neeper, 2012-07-23 Religious people have been known to push their beliefs onto others in fact several religions require it
This book utilizes reason logic some psychology and the experiences of someone who has been in several hundred religious

debates with believers mainly those of the Judeo Christian faiths Throughout this book you will be presented with several of the most common arguments that believers utilize in order to attempt to convert people to followers then you will be given a response that not only stops them in their religion pushing tracks but will give you the upper hand and hopefully give them something to think about aside from simply what their preacher pastor reverend etc has told them to think This book will allow you to defend yourself from others religious preachings as well as teach you something about atheism and how informed you can be as a nonbeliever It pushes the limits of religious discussion with examples from the Bible logical arguments psychological reasoning and well researched opinions Do not get caught off guard again by any believer Be ready and more informed

Atheist Responses to Religious Arguments Frank Butcher, 2012-02-15 32 000 words covering common arguments used by religious people and some simple responses on how an atheist might go about refuting them Seven pages are also used to try and answer the very important question of whether Jesus actually existed or if he was just a fairytale Other important issues such as evolution faith schools biology and history surrounding religion are also covered thoroughly A must have for any Atheist wanting to debate a Theist or just wanting to have a greater understanding of the argument from an Atheist point of view
