Dara Z. Strolovitch

Affirmative Advocacy Race Class And Gender In Interest Group Politics:

Affirmative Advocacy Dara Z. Strolovitch, 2008-09-15 The United States boasts scores of organizations that offer crucial representation for groups that are marginalized in national politics from women to racial minorities to the poor Here in the first systematic study of these organizations Dara Z Strolovitch explores the challenges and opportunities they face in the new millennium as waning legal discrimination coincides with increasing political and economic inequalities within the populations they represent Drawing on rich new data from a survey of 286 organizations and interviews with forty officials Strolovitch finds that groups too often prioritize the interests of their most advantaged members male rather than female racial minorities for example or affluent rather than poor women But Strolovitch also finds that many organizations try to remedy this inequity and she concludes by distilling their best practices into a set of principles that she calls affirmative advocacy a form of representation that aims to overcome the entrenched but often subtle biases against people at the intersection of more than one marginalized group Intelligently combining political theory with sophisticated empirical methods *Affirmative Advocacy* will be required reading for students and scholars of American politics *New Directions in Interest Group Politics* Matt Grossmann, 2013-10-23 Reflecting cutting edge scholarship but written for undergraduates *New Directions in Interest Group Politics* will help students think critically about influence in the American political system There is no shortage of fear about the special interests in American political debate but reliable information about what interest groups do who they represent and how they influence government is often lacking This volume comprised of original essays by leading scholars is designed to summarize and explain contemporary research that helps address popular questions and concerns making studies accessible to undergraduate students and providing facts to buttress informed debate The book covers the mobilization of interest groups their activities and their influence Each chapter briefly reviews research on a central question of scholarship before focusing on a particular empirical project designed to shed light on the topic Rather than simply providing a descriptive overview the chapters are designed to foster critical thinking by getting students to assess the role of interest groups in the American political system and supplying evidence of their effects Importantly a set of web resources associated with the book offer instructions for research and writing assignments Students will be able to collect and analyze data on campaign finance lobbying and interest group involvement in governance The eResource website includes materials for several classroom simulations such as an interest group legislative battle a Netroots convention and a rule making process As they read about key questions in democratic government and current research trends students can practice serving as interest group activists and conduct original research on topics that most interest them *Interest Groups in American Politics* Anthony J. Nownes, 2023-06-20 Americans regularly rail against so called special interests Yet many members of society are themselves represented in one form or another by organized groups trying to affect government decisions *Interest Groups in American Politics* Third Edition is grounded by the role of information in interest

group activity a theme that runs through the book This concise thorough text demonstrates that interest groups are involved in the political system at all levels of government federal state and local and in all aspects of political activity from election campaigns to agenda setting to lawmaking and policy implementation Rather than an anomaly or distortion of the political system interest group activity is a normal and healthy function of a pluralist society and democratic governance Nonetheless Nownes warns of the dangers of unwatched interest group activity especially in the realms of the electoral process and issue advocacy This much anticipated third edition of Nownes s text retains a student friendly tone It thoroughly updates the references to interest group research social media activity new foreign actors in American politics and political action committee PAC and party connections Numerous figures and tables throughout the book help students visualize significant trends and information New to the Third Edition A new section in Chapter 1 Interest Groups in the United States on social movements in the US A new section in Chapter 4 The Non Lobbying Activities of Interest Groups on how interest groups use social media to recruit members and burnish their image A new section in Chapter 5 Direct Lobbying about lobbying regulation how it affects group behavior and shadow interests New data in Chapter 6 Electoral Lobbying on how and how much groups spend on PACs super PACs and other vehicles for election spending A new section in Chapter 7 Indirect Lobbying on how interest groups use social media and new technology to affect political outcomes A new section in Chapter 8 Interest Groups and Political Parties on interest groups the Republican Party and President Donald Trump New information in Chapter 9 The Influence of Interest Groups on the latest research on interest group power and influence The new section will cite the latest literature on the growing power of business *Interest Groups in U.S. Local Politics* Sarah

Anzia,2023-09-15 Interest group scholarship has so far focused mainly on national politics and has had very little to say about interest groups in American cities counties school districts and special districts This special issue is a step toward remedying that it is a collection of articles and essays that examine some of the interest groups that are commonly active in US local politics The contributions herein discuss real estate developers tenant organizations teachers unions police unions and local PACs covering topics such as how they are organized how they engage in local politics some of the constraints on their influence and the nuanced ways in which ideology and identities can sometimes shape what coalitions are possible in the local context By bringing this work together in one place in a journal devoted to research on interest groups the hope is that this special issue will help to cement interest groups in local politics as the recognizable research focus it deserves to be

Black Politics in a Time of Transition David Covin,2017-09-29 Black Politics in a Time of Transition appears at an historic point in American politics From the vantage point of the maturation of the study of black politics this volume provides a framework for current and future discussion of this critical time Incorporating the expanded stream of work on today s black politics this latest volume of the National Political Science Review is also a new assessment of the period from which the study of black politics emerged Selected for this volume are chapters of contemporary relevance alongside those that

reconsider an early twentieth century pioneer in black politics and history W E B Du Bois The volume also includes a robust book review section that spans a range of topics from the South s new racial politics to the aftermath of Hurricane Katrina This volume features work by varied and accomplished scholars including Black Power in Black Presidential Bids From Jackson to Obama Katherine Tate But I Voted for Obama Melodrama and Post Civil Rights Post Feminist Ideology in Grey s Anatomy Crash and Barack Obama s 2008 Presidential Bid Nikol Alexander Floyd Afro Brazilian Black Linked Fate in Salvador and Sao Paulo Brazil Gladys Mitchell and Beyond Tactical Withdrawal An Early History of the National Conference of Black Political Scientists Joseph P McCormick II

The Oxford Handbook of American Political Development Richard M. Valelly, Suzanne Mettler, Robert C. Lieberman, 2016 Scholars working in or sympathetic to American political development APD share a commitment to accurately understanding the history of American politics and thus they question stylized facts about America s political evolution Like other approaches to American politics APD prizes analytical rigor data collection the development and testing of theory and the generation of provocative hypotheses Much APD scholarship indeed overlaps with the American politics subfield and its many well developed literatures on specific institutions or processes for example Congress judicial politics or party competition specific policy domains welfare policy immigration the foundations of inequality in American politics the distribution of wealth and income race ethnicity gender class and sexual and gender orientation public law and governance and representation What distinguishes APD is careful systematic thought about the ways that political processes civic ideals the political construction of social divisions patterns of identity formation the making and implementation of public policies contestation over and via the Constitution and other formal and informal institutions and processes evolve over time and whether and how they alter compromise or sustain the American liberal democratic regime APD scholars identify in short the histories that constitute American politics They ask what familiar or unfamiliar elements of the American past illuminate the present Are contemporary phenomena that appear new or surprising prefigured in ways that an APD approach can bring to the fore If a contemporary phenomenon is unprecedented then how might an accurate understanding of the evolution of American politics unlock its significance Featuring contributions from leading academics in the field The Oxford Handbook of American Political Development provides an authoritative and accessible analysis of the study of American political development

Handbook of Comparative Political Institutions Adrian Vatter, Rahel Freiburghaus, 2024-10-03 This comprehensive Handbook presents a broad range of theoretical methodological and empirical perspectives on the comparative study of political institutions Exploring cutting edge developments in the field it provides new insight into the significant diversity and impact of political institutions across space and time This title contains one or more Open Access chapters

Critical Disaster Studies Jacob A.C. Remes, Andy Horowitz, 2021-08-20 This book announces the new interdisciplinary field of critical disaster studies Unlike most existing approaches to disaster critical disaster studies begins with the idea that disasters are not objective facts but rather are interpretive fictions and they shape

the way people see the world By questioning the concept of disaster itself critical disaster studies reveals the stakes of defining people or places as vulnerable resilient or at risk As social constructs disaster vulnerability resilience and risk shape and are shaped by contests over power Managers and technocrats often herald the goals of disaster response and recovery as objective quantifiable or self evident In reality the goals are subjective and usually contested Critical disaster studies attends to the ways powerful people often use claims of technocratic expertise to maintain power Moreover rather than existing as isolated events disasters take place over time People commonly imagine disasters to be unexpected and sudden making structural conditions appear contingent widespread conditions appear local and chronic conditions appear acute By placing disasters in broader contexts critical disaster studies peels away that veneer With chapters by scholars of five continents and seven disciplines Critical Disaster Studies asks how disasters come to be known as disasters how disasters are used as tools of governance and politics and how people imagine and anticipate disasters The volume will be of interest to scholars of disaster in any discipline and especially to those teaching the growing number of courses on disaster studies

Solidarity Politics for Millennials A. Hancock, 2011-08-29 This book takes the political theory of intersectionality the most cutting edge approach to the politics of gender race sexual orientation and class and introduces it to the general public for the first time Rights as Weapons Clifford Bob, 2021-05-04 Bob looks at how political forces use rights as rallying cries naturalizing novel claims as rights inherent in humanity absolutizing them as trumps over rival interests or community concerns universalizing them as transcultural and transhistorical and depoliticizing them as concepts beyond debate He shows how powerful proponents employ rights as camouflage to cover ulterior motives as crowbars to break rival coalitions as blockades to suppress subordinate groups as spears to puncture discrete policies and as dynamite to explode whole societies And he demonstrates how the targets of rights campaigns repulse such assaults using their own rights like weapons denying the abuses they are accused of constructing rival rights to protect themselves portraying themselves as victims rather than violators and repudiating authoritative decisions against them **Political Voice** Aidan McGarry, 2024 In

Political Voice Aidan McGarry examines the agency of marginalised people emphasizing the processes through which different communities around the world articulate their political voices McGarry develops an innovative concept of political voice around three elements autonomy representation and constitution This conceptualization is illustrated through contemporary case studies of two persecuted and silenced groups LGBTIQ activists in India and Roma mobilization in Europe

Terms of Exclusion Zein Murib, 2023 LGBT political movements in the United States have been successful in expediting the growing acceptance of sexual and gender minorities and increasing public support for LGBT rights However not all segments of what has come to be called the LGBT community have benefited from these gains even marginalized identity groups have internal hierarchies that determine whose political claims are heard or ignored In *Terms of Exclusion* Zein Murib looks at the LGBT community in the US as it formed into an identity based social and political group Drawing on an

extensive archive of movement documents and publications Murib argues that the strategic use of rightful citizenship claims or the assertion that lesbians gay men bisexuals and transgender people are owed rights as citizens created opportunities for the recognition of white gender normative monogamously partnered gay men and lesbians at the expense of other community members The rights wins made as a result of these opportunities are celebrated as evidence of progress even while they simultaneously foreclose representation and political gains for those members whose cross cutting identities challenge or elude the boundaries of normative citizenship By focusing on the effects of mobilization tactics seeking assimilation Murib shows that within group marginalization is not an accident of political expediency or due to relatively fewer resources but rather a discursive strategy employed by political actors to make a group palatable to lawmakers and the general public Terms of Exclusion thus constitutes a significant revision to existing scholarship on LGBT politics in political science and joins a growing body of interdisciplinary work that focuses on how a seemingly benign strategy of political movements foregrounding citizenship claims entails silence and erasure for the most precarious members of the group

The Politics of HBO's The Wire Shirin Deylami, Jonathan Havercroft, 2014-12-17 This innovative new work suggests that The Wire reflects not simply a cultural take on contemporary America but a structural critique of the conditions of late modernity and global capitalism As such it is a visual text worth investigating and exploring for its nuanced examination of power difference and inequality Deylami Havercroft bring together nine essays addressing issues of interest to a range of academic fields in order to engage with this important cultural intervention that has transfixed audiences and sparked debate within the social scientific community While the TV show is primarily focused upon the urban politics of Baltimore the contributors to this volume read Baltimore as a global city That is they argue that the relations between race class power and violence that the series examines only make sense if we understand that inner city Baltimore is a node in a larger global network of violence and economic inequality The book is divided into three interrelated sections focusing on systemic and cultural violence the rise and decline of national and state formations and the dysfunctional and destructive forces of global capitalism Throughout the series the relation of the urban to the global is constantly being explored This innovative new volume explains clearly how The Wire portrays this interaction and what this representation can show social scientists interested in race neo liberal processes of globalization criminality gender violence and surveillance

LGBTQ Politics Marla Brettschneider, Susan Burgess, Christine Keating, 2017-09-19 From Harvey Milk to Barney Frank and from ACT UP to Proposition 8 in the past few decades no political change has been more significant than the civil rights advancements of LGBTQ citizens LGBTQ Politics is the first authoritative reader to approach the complexity of queer politics from a political science perspective bringing together original contributions from leading scholars in the field on key issues in LGBTQ politics These original essays cover a wide range of essential topics including marriage equality transgender discrimination gay and lesbian political candidates LGBTQ human rights advocacy HIV prevention and LGBTQ movements of the Global South The volume also includes a

number of critical essays that reflect upon the state of political science as a discipline that has struggled to address queer politics Contributors draw from a variety of subfields in political science including comparative politics political theory American politics public law and international relations Essays that focus on mainstream institutional politics appear alongside contributions grounded in grassroots movements and critical theory While some essays express concerns that the democratic basis of the LGBTQ movement has been undermined others celebrate the movement's successes and offer visions for the future A comprehensive thought provoking and authoritative collection LGBTQ Politics A Critical Reader is required reading for anyone looking to learn about the politics of sexuality Back cover

Inclusion without Representation in Latin America Mala Htun, 2016-01-14 This book analyzes how Latin American countries modified their institutions to promote the inclusion of women Afrodescendants and indigenous peoples

The Routledge Companion to Global Women's Writing Ina C. Seethaler, Tripti Pillai, 2025-11-28 Covering both traditional and emerging issues and methodologies The Routledge Companion to Global Women's Writing equips readers with interdisciplinary and intersectional approaches to women's writing in the global context Movements and experiences continuously shaping the twenty first century clarify the urgent need for expanding and re envisioning academic and social definitions of gender location and creative expression The Companion forges new directions in and conceptualizations of identity experience and practice of diverse communities across the world The volume provides a conjunctive methodology building on existing scholarly frameworks while encouraging readers to envision new possibilities that enhance future conversations and a multiplicity of voices and perspectives ranging from established authors commentary on key debates to the innovative work of emerging scholars and practitioners Offering diverse critical and creative access to the nexus of women's writing this Companion provides a comprehensive yet accessible introduction for those looking to extend their knowledge of this essential field

Understanding the Well-Being of LGBTQI+ Populations National Academies of Sciences, Engineering, and Medicine, Division of Behavioral and Social Sciences and Education, Committee on Population, Committee on Understanding the Well-Being of Sexual and Gender Diverse Populations, 2021-01-23 The increase in prevalence and visibility of sexually gender diverse SGD populations illuminates the need for greater understanding of the ways in which current laws systems and programs affect their well being Individuals who identify as lesbian gay bisexual asexual transgender non binary queer or intersex as well as those who express same sex or gender attractions or behaviors will have experiences across their life course that differ from those of cisgender and heterosexual individuals Characteristics such as age race and ethnicity and geographic location intersect to play a distinct role in the challenges and opportunities SGD people face Understanding the Well Being of LGBTQI Populations reviews the available evidence and identifies future research needs related to the well being of SGD populations across the life course This report focuses on eight domains of well being the effects of various laws and the legal system on SGD populations the effects of various public policies and structural stigma community and civic engagement families and social relationships

education including school climate and level of attainment economic experiences e g employment compensation and housing physical and mental health and health care access and gender affirming interventions The recommendations of Understanding the Well Being of LGBTQI Populations aim to identify opportunities to advance understanding of how individuals experience sexuality and gender and how sexual orientation gender identity and intersex status affect SGD people over the life course

Handbook of Feminist Governance Marian Sawer, Lee A. Banaszak, Jacqui True, Johanna Kantola, 2023-02-14 Compiling state of the art research from 58 leading international scholars this dynamic Handbook explores the evolution of feminist analytical and organising principles and their introduction into governance institutions in national regional and global settings

Sisters in the Statehouse Nadia E. Brown, 2014 Theories of descriptive representation among female legislators consistently document the ways in which women are marginalized in office However they tend to treat identity as constant over time and context and so fail to account for the substantive work of legislators Sisters in the Statehouse looks at the situation from a different angle taking an in depth look at African American female state legislators to examine the impact of race and gender on Black women s political experiences policy preferences and legislative influence Brown links personal narratives to the political behavior of her interview subjects to understand how their experiences with racism and sexism have influenced their legislative decision making and policy preferences As such this is the first study that empirically examines how difference is recognized and put into practice among Black women legislators Brown demonstrates that identity influences political decision making in ways that distinguish the work of Black women from that of other state legislators Sisters in the Statehouse is a groundbreaking inquiry into how an intersectional approach can enhance our understanding of political representation

When States Come Out Phillip Ayoub, 2016-05-03 Focusing on the transnational LGBT movement that has gained unprecedented momentum this study is a timely contribution to debates both scholarly and popular

Affirmative Advocacy Race Class And Gender In Interest Group Politics Introduction

In today's digital age, the availability of Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Affirmative Advocacy Race Class And Gender In Interest Group Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded.

Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Affirmative Advocacy Race Class And Gender In Interest Group Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Affirmative Advocacy Race Class And Gender In Interest Group Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Affirmative Advocacy Race Class And Gender In Interest Group Politics is one of the best book in our library for free trial. We provide copy of Affirmative

Advocacy Race Class And Gender In Interest Group Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Affirmative Advocacy Race Class And Gender In Interest Group Politics. Where to download Affirmative Advocacy Race Class And Gender In Interest Group Politics online for free? Are you looking for Affirmative Advocacy Race Class And Gender In Interest Group Politics PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Affirmative Advocacy Race Class And Gender In Interest Group Politics. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Affirmative Advocacy Race Class And Gender In Interest Group Politics are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Affirmative Advocacy Race Class And Gender In Interest Group Politics. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Affirmative Advocacy Race Class And Gender In Interest Group Politics To get started finding Affirmative Advocacy Race Class And Gender In Interest Group Politics, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Affirmative Advocacy Race Class And Gender In Interest Group Politics So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Affirmative Advocacy Race Class And Gender In Interest Group Politics. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Affirmative Advocacy Race Class And Gender In Interest Group Politics, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Affirmative Advocacy Race Class And Gender In Interest Group Politics is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Affirmative Advocacy Race Class And Gender In Interest Group Politics

is universally compatible with any devices to read.
