Lamport,Benjamin Forrest,Vernon M. Whaley,2020-01-01 Hymns and the music the church sings in worship are tangible means of expressing worship And while worship is one of if not the central functions of the church along

with mission service education justice and compassion and occupies a prime focus of our churches a renewed sense of awareness to our theological presuppositions and cultural cues must be maintained to ensure a proper focus in worship

Hymns and Hymnody Historical and Theological Introductions is a sixty chapter three volume introductory textbook describing the most influential hymnists liturgists and musical movements of the church This academically grounded resource evaluates both the historical and theological perspectives of the major hymnists and composers who have impacted the church over the course of twenty centuries Volume 1 explores the early church and concludes with the Renaissance era hymnists Volume 2 begins with the Reformation and extends to the eighteenth century hymnists and liturgists Volume 3 engages nineteenth century hymnists to the contemporary movements of the twenty first century Each chapter contains these five elements historical background theological perspectives communicated in their hymns compositions contribution to liturgy and worship notable hymns and bibliography The mission of *Hymns and Hymnody* is 1 to provide biographical data on influential hymn writers for students and interested laypeople and 2 to provide a theological analysis of what these composers have communicated in the theology of their hymns We believe it is vital for those involved in leading the worship of the church to recognize that what they communicate is in fact theology This latter aspect we contend is missing yet important in accessible formats for the current literature

The Secularization of Baptism Mark G. McKim, 2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day *The Secularization of Baptism* demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross

So You Want to Sing Spirituals Randye Jones, 2019-10-14 With their rich and complicated history spirituals hold a special place in the American musical tradition This soul stirring musical form is irresistible to singers seeking to diversify their performance repertoire but it is also riddled with controversy especially for singers of non African descent Singer and historian Randye Jones welcomes singers of all backgrounds into the style while she explores its folk song

roots and transformation into choral and solo vocal concert repertoire Profiling key composers and pioneers of the genre Jones also discusses the use of dialect and other controversial performance considerations Contributed chapters address elements of collaborative piano studio teaching choral arrangement voice science and vocal health as they apply to the performance of spirituals The So You Want to Sing series is produced in partnership with the National Association of Teachers of Singing Like all books in the series So You Want to Sing Spirituals features online supplemental material on the NATS website

Voices of Black Folk Terri Brinegar, 2022-04-19 Recipient of a 2023 Certificate of Merit for Best Historical Research in Recorded Blues R B Gospel Hip Hop or Soul Music from the Association for Recorded Sound Collections In the late 1920s Reverend A W Nix 1880-1949 an African American Baptist minister born in Texas made fifty-four commercial recordings of his sermons on phonographs in Chicago On these recordings Nix presented vocal traditions and styles long associated with the southern rural Black church as he preached about self-help racial uplift thrift and Christian values As southerners like Nix fled into cities in the North to escape the rampant racism in the South they contested whether or not African American vocal styles of singing and preaching that had emerged during the slavery era were appropriate for uplifting the race Specific vocal characteristics like

those on Nix's recordings were linked to the image of the Old Negro by many African American leaders who favored adopting Europeanized vocal characteristics and musical repertoires into African American churches in order to uplift the modern New Negro citizen. Through interviews with family members, musical analyses of the sounds on Nix's recordings, and examination of historical documents and relevant scholarship, Terri Brinegar argues that the development of the phonograph in the 1920s afforded preachers like Nix the opportunity to present traditional Black vocal styles of the southern Black church as modern Black voices. These vocal styles also influenced musical styles. The moaning voice used by Nix and other ministers was a direct connection to the blues moan employed by many blues singers, including Blind Willie Lemon and Ma Rainey. Both Reverend A. W. Nix and his brother W. M. Nix were an influence on the Father of Gospel Music, Thomas A. Dorsey. The success of Nix's recorded sermons demonstrates the enduring values African Americans placed on traditional vocal practices.

Sacred Song in America Stephen A. Marini, 2003 In *Sacred Song in America*, Stephen A. Marini explores the full range of American sacred music and demonstrates how an understanding of the meanings and functions of this musical expression can contribute to a greater understanding of religious culture. Marini examines the role of sacred song across the United States, from the musical traditions of Native Americans and the Hispanic peoples of the Southwest to the Sacred Harp singers of the rural South and the Jewish music revival to the music of the Mormon, Catholic, and Black churches. Including chapters on New Age and Neo-Pagan music, gospel music, and hymnals, as well as interviews with iconic composers of religious music, *Sacred Song in America* pursues a historical, musicological, and theoretical inquiry into the complex roles of ritual music in the public religious culture of contemporary America.

On to Perfection Carol M. Norén, 2021-10-21 What is distinctive about ministry in an immigrant community and how has it changed or remained the same over the last 150 years? What happens to the individual and communal religious identity of immigrants in the process of assimilation into the dominant denominational and social culture? *On to Perfection* explores a neglected doctrine and a largely forgotten chapter in Methodist history through the eyes of Nels O. Westergreen, a nineteenth-century Swedish immigrant preacher in the United States.

The Routledge History of Social Protest in Popular Music Jonathan C. Friedman, 2013-07-04 The major objective of this collection of 28 essays is to analyze the trends, musical formats, and rhetorical devices used in popular music to illuminate the human condition. By comparing and contrasting musical offerings in a number of countries and in different contexts from the 19th century until today, *The Routledge History of Social Protest in Popular Music* aims to be a probing introduction to the history of social protest music, ideal for popular music studies and history and sociology of music courses.

American Methodist Worship Karen B. Westerfield Tucker, 2011-04-27 This book offers a comprehensive examination of Methodist practice, tracing its evolution from the earliest days up to the present. Using liturgical texts as well as written accounts in popular and private sources, Karen Westerfield Tucker investigates the various rites and seasons of worship in Methodism and examines them in relation to American society.
