Encyclopedia of African American History, 1896 to the Present Paul Finkelman, 2009 Alphabetically arranged entries from A to C that explores significant events major persons organizations and political and social movements in African American history from 1896 to the twenty first century

The Papers of Clarence Mitchell Jr., Volume VI Clarence Mitchell Jr., 2022-08-16 The Civil Rights Act of 1960 aimed to close loopholes in its 1957 predecessor that had allowed continued voter disenfranchisement for African Americans and for Mexicans in Texas In early 1959 the newly seated Eighty Sixth Congress had four major civil rights bills under consideration Eventually consolidated into the 1960 Civil Rights Act their purpose was to correct the weaknesses in the 1957 law Mitchell s papers from 1959 to 1960 show the extent to which congressional resistance to the passage of meaningful civil rights laws contributed to the lunch counter sit ins in Greensboro North Carolina and to subsequent demonstrations The papers reveal how the repercussions of these events affected the NAACP s work in Washington and how despite their dislike of demonstrations NAACP officials used them to intensify the civil rights struggle Among the act s seven titles were provisions authorizing federal inspection of local voter registration rolls and penalties for anyone attempting to interfere with voters on the basis of race or color The law extended the powers of the US Commission on Civil Rights and broadened the legal definition of the verb to vote to encompass all elements of the process registering casting a ballot and properly counting that ballot Ultimately Mitchell considered the 1960 act unsuccessful because Congress had failed to include key amendments that would have further strengthened the 1957 act In the House representatives used parliamentary tactics to stall employment protections school desegregation poll tax elimination and other meaningful civil rights reforms The fight would continue The Papers of Clarence Mitchell Jr series is a detailed record of the NAACP leader s success in bringing the legislative branch together with the judicial and executive branches to provide civil rights protections during the twentieth century

Encyclopedia of African American History, 1619-1895 Paul Finkelman, 2006-04-06 It is impossible to understand America without understanding the history of African Americans In nearly seven hundred entries the Encyclopedia of African American History 1619 1895 documents the full range of the African American experience during that period from the arrival of the first slave ship to the death of Frederick Douglass and shows how all aspects of American culture history and national identity have been profoundly influenced by the experience of African Americans The Encyclopedia covers an extraordinary range of subjects Major topics such as Abolitionism Black Nationalism the Civil War the Dred Scott case Reconstruction Slave Rebellions and Insurrections the Underground Railroad and Voting Rights are given the in depth treatment one would expect But the encyclopedia also contains hundreds of fascinating entries on less obvious subjects such as the African Grove Theatre Black Seafarers Buffalo Soldiers the Catholic Church and African Americans Cemeteries and Burials Gender Midwifery New York African Free Schools Oratory and Verbal Arts Religion and Slavery the Secret Six and much more In addition the Encyclopedia offers brief biographies of important

African Americans as well as white Americans who have played a significant role in African American history from Crispus Attucks John Brown and Henry Ward Beecher to Olaudah Equiano Frederick Douglass Sarah Grimke Sojourner Truth Nat Turner Phillis Wheatley and many others All of the Encyclopedia's alphabetically arranged entries are accessibly written and free of jargon and technical terms To facilitate ease of use many composite entries gather similar topics under one headword The entry for Slave Narratives for example includes three subentries The Slave Narrative in America from the Colonial Period to the Civil War Interpreting Slave Narratives and African and British Slave Narratives A headnote detailing the various subentries introduces each composite entry Selective bibliographies and cross references appear at the end of each article to direct readers to related articles within the Encyclopedia and to primary sources and scholarly works beyond it A topical outline chronology of major events nearly 300 black and white illustrations and comprehensive index further enhance the work's usefulness

The Geographies of African American Short Fiction Kenton Rambsy, 2022-03-25 Perhaps the brevity of short fiction accounts for the relatively scant attention devoted to it by scholars who have historically concentrated on longer prose narratives *The Geographies of African American Short Fiction* seeks to fill this gap by analyzing the ways African American short story writers plotted a diverse range of characters across multiple locations small towns a famous metropolis city sidewalks a rural wooded area apartment buildings a pond a general store a prison and more In the process these writers highlighted the extents to which places and spaces shaped or situated racial representations Presenting African American short story writers as cultural cartographers author Kenton Rambsy documents the variety of geographical references within their short stories to show how these authors make cultural spaces integral to their artwork and inscribe their stories with layered and resonant social histories The history of these short stories also documents the circulation of compositions across dozens of literary collections for nearly a century Anthology editors solidified the significance of a core group of short story authors including James Baldwin Toni Cade Bambara Charles Chesnutt Ralph Ellison Zora Neale Hurston and Richard Wright Using quantitative information and an extensive literary dataset *The Geographies of African American Short Fiction* explores how editorial practices shaped the canon of African American short fiction *The Long Road to Change* Eric Nellis, 2019-02-06 Breaking from traditional historical interpretations of the period Eric Nellis takes a long view of the origins and consequences of the Revolution and asserts that the Revolution was not as others have argued generated by a well developed desire for independence but rather by a series of shifts in British imperial policies after 1750 Nellis argues that the Revolution was still being shaped as late as 1820 and that many racial territorial economic and constitutional issues were submerged in the growth of the republic and the enthusiasm of the population In addressing the nature of the Revolution Nellis suggests that the American Revolution and American political systems and principles are unique and much less suited for export than many Americans believe

The African American Electorate Hanes Walton Jr, Sherman Puckett, Donald R Deskins Jr, 2012-07-20 This pioneering work brings together for the first time in a single reference work all of the extant fugitive and recently discovered registration data on African American voters from Colonial America to the present It features election returns for African American presidential senatorial congressional and gubernatorial candidates over time Rich insightful narrative explains the data and traces the history of the laws dealing with the enfranchisement and disenfranchisement of African Americans Topics covered include The contributions of statistical pioneers including Monroe Work W E B DuBois and Ralph Bunche African American organizations like the NAACP and National Equal Rights League

NERL Pioneering African American officeholders including the few before the Civil War Four influxes of African American voters Reconstruction Southern African American men the Fifteenth Amendment African American men across the country the Nineteenth Amendment African American female voters in 1920 election and the Voting Rights Act of 1965 The historical development of disenfranchisement in the South and the statistical impact of the tools of disenfranchisement literacy clauses poll taxes and grandfather clauses The African American Electorate features more than 300 tables 150 figures and 50 maps many of which have been created exclusively for this work using demographic voter registration election return and racial precinct data that have never been collected and assembled for the public An appendix includes popular and electoral voting data for African American presidential congressional and gubernatorial candidates and a comprehensive bibliography indicates major topic areas and eras concerning the African American electorate The African American Electorate offers students and researchers the opportunity for the first time to explore the relationship between voters and political candidates identify critical variables and situate African Americans voting behavior and political phenomena in the context of America's political history

Twelve Years a Slave (First International Student Edition) (Norton Critical Editions) Solomon Northup, 2016-12-15 This Norton Critical Edition of Solomon Northup's harrowing autobiography is based on the 1853 first edition It is accompanied by Henry Louis Gates Jr and Kevin Burke's introduction and detailed explanatory footnotes The Norton Critical Edition also includes The illustrations printed in the original book

Contemporary sources 1853 62 among them newspaper accounts of Northup's kidnapping and ordeal and commentary by Frederick Douglass Harriet Beecher Stowe and Thomas W MacMahon A Genealogy of Secondary Sources 1880 2015 presenting twenty four voices spanning three centuries on the memoir's major themes Contributors include George Washington Williams Marion Wilson Starling Kenneth Stampp Robert B Stepto Trish Loughran and David Fiske Clifford W Brown Jr and Rachel Seligman among others The 2013 film adaptation 12 Years a Slave fully considered with criticism and major reviews of the film as well as Henry Louis Gates's three interviews with its director Steve McQueen A Chronology and Selected Bibliography Lynchings in Mississippi Julius E. Thompson, 2015-06-08 Lynching occurred more in Mississippi than in any other state During the 100 years after the Civil War almost one in every ten lynchings in the United States took place in Mississippi As in other Southern states these brutal murders were carried out primarily by white mobs against black victims The complicity of communities and courts ensured that few of the more than 500 lynchings in Mississippi resulted in criminal convictions This book studies lynching in Mississippi from the Civil War through the civil rights movement It examines how the crime unfolded in the state and assesses the large number of deaths the reasons the distribution by counties cities and rural locations and public responses to these crimes The final chapter covers lynching's legacy in the decades since 1965 an appendix offers a chronology Humans, Animals, and U.S. Society in the Long Nineteenth Century: A Documentary History Dominik Ohrem, 2025-11-18 Volume II continues the discussion of animals animality in U S social and scientific thought to address the ways in which the nexus of ideas surrounding human animal distinctions became intertwined with interhuman hierarchies and power relations including through the synergistic dynamics between race and species as co implicating taxonomies of power Claire Jean Kim that informed both chattel slavery and settler violence against Indigenous peoples A second section traces the evolution of animal advocacy from early individual voices to the formation of an organized movement following the Civil War documenting a shift however limited by structural constraints from largely anthropocentric concerns with the social consequences of human cruelty towards other creatures to a broader moral consideration for nonhuman animals in their own right **American Book Publishing Record**, 2004 *National Library of Medicine Current Catalog* National Library of Medicine (U.S.), 1993 **The Prettiest Girl on Stage Is a Man** Kathleen B. Casey, 2024-01-12 In this highly readable book Kathleen Casey makes an important intervention into the study of early twentieth century American vaudeville and some of its most infamous stars She pinpoints the blind spot in current scholarship by demonstrating how race as much as gender charges the meanings in vaudeville performance Linda Mizejewski author of *Pretty Funny Women* Comedians and Body Politics and *Ziegfeld Girl* From the 1890s through the 1920s vaudeville reigned as one of the most popular entertainment forms in urban America Through drama humor and satire it invited its socially economically and ethnically diverse audiences to turn a self conscious eye upon themselves and their culture which was being rapidly transformed by such forces as immigration racial discord and new conceptions of gender

roles It was no coincidence that acts featuring cross dressing performers and racial impersonators were among vaudeville s biggest attractions In this lively and enlightening study Kathleen B Casey explores the ways in which the gender and race bending spectacles of vaudeville dramatized the economic technological social and cultural upheaval that gripped the United States in the early twentieth century She focuses on four key performers Eva Tanguay known as The I Don t Care Girl was loved for her defiance of Victorian decorum linking white womanliness to animalistic savagery at a time when racial and gender ideologies were undergoing significant reconstruction In contrast Julian Eltinge the era s foremost female impersonator used race to exaggerate notions of manliness and femininity in a way that reinforced traditional norms more than it undermined them Lillyn Brown a biracial woman who portrayed a cosmopolitan black male dandy while singing about an antebellum southern past offered her audiences black and white starkly different visual and aural messages about race and gender Finally Sophie Tucker who often performed in blackface during the early years of her long and heralded career strategically played with prevailing ideologies by alternately portraying herself as white Jewish black manly and womanly while managing remarkably to convince audiences that these identities could coexist within one body Analyzing a wide assortment of primary materials advertisements recordings lyrics sheet music costumes photographs reviews and press accounts from the era Casey looks not only at gender and racial impersonation but also at how spectators reacted to these performances Kathleen B Casey is an assistant professor of history at Virginia Wesleyan College

Encyclopedia of the U.S. Government and the Environment Matthew J. Lindstrom, 2010-12-21 A timely new resource on the history of the U S government s approach to environmental policy At a time when changing the nation s environmental policy is a top presidential priority with a new global climate change treaty deep in negotiations and with the country itself weighing the need for action against concerns over too much government regulation this exhaustive new reference work could not be more welcomed *Encyclopedia of the U S Government and the Environment* History Policy and Politics explores the interaction between the federal government and environmental politics and policy throughout the nation s history from the earliest efforts to preserve lands and regulate pollution to the 1960s emergence of the modern environmental movement the landmark legislation of the 1970s and the seesawing back and forth of policies between alternating Republican and Democrat administrations of the last three decades Authoritative unbiased and informed by the latest available research the hundreds of entries cover the full range of issues events laws institutions and key players that shape federal environmental policies incorporating viewpoints from across the ideological spectrum

Sol Plaatje's Mhudi Sabata-mpho Mokae, Brian Willan, 2021 Sol Plaatje s *Mhudi* is the first full length novel in English to have been written by a black South African and is widely regarded as one of South Africa s most important literary works Set in the 1830s it tells the tale of Mhudi and Ra Thaga a romantic story set against a violent backdrop of war between Barolong and Matebele complicated by the intrusions of Boer trekkers with whom the Barolong form an alliance It is notable among other things for the way Plaatje uses the past

to explore the roots of the oppression and injustice suffered by his people a century later when the book was written Page 4 of cover *Between Homeland and Motherland* Alvin B. Tillery, Jr., 2011-03-15 In *Between Homeland and Motherland* Alvin B Tillery Jr considers the history of political engagement with Africa on the part of African Americans beginning with the birth of Paul Cuffe s back to Africa movement in the Federal Period to the Congressional Black Caucus struggle to reach consensus on the African Growth and Opportunity Act of 2000 In contrast to the prevailing view that pan Africanism has been the dominant ideology guiding black leaders in formulating foreign policy positions toward Africa Tillery highlights the importance of domestic politics and factors within the African American community Employing an innovative multimethod approach that combines archival research statistical modeling and interviews Tillery argues that among African American elites activists intellectuals and politicians factors internal to the community played a large role in shaping their approach to African issues and that shaping U S policy toward Africa was often secondary to winning political battles in the domestic arena At the same time Africa and its interests were important to America s black elite and Tillery s analysis reveals that many black leaders have strong attachments to the motherland Spanning two centuries of African American engagement with Africa this book shows how black leaders continuously balanced national transnational and community impulses whether distancing themselves from Marcus Garvey s back to Africa movement supporting the anticolonialism movements of the 1950s or opposing South African apartheid in the 1980s
