After The Bullfight And Other Stories:

Blue-beard's Work-shop & Other Stories Pierre Furlan, 2007 Bluebeard's workshop is a cycle of seductive and provocative stories about the games people play and the tales they tell Why does the old lady across the street dangle desperate messages from her window What is the secret to writing a worldwide bestseller Can a day at the beach at Paekakariki the sight of Wellington harbour at dusk or a new pair of shoes in Dunedin change your perspective on life With quirky humour and extraordinary insights Pierre Furlan explores universal human frailty Back cover **The Garnet Bracelet, Other Stories and Novellas** Alexander Kuprin, 2024-03-20 From Ancient Jerusalem to a Russian sea resort from a royal palace to a traveling circus by way of a bullfight Join the Russian writer pilot and explorer Alexander Kuprin on a fascinating journey to a multitude of places in space and time This collection includes the following works The Garnet Bracelet Sapsan The Star of Solomon The Blue Star Crimson Blood Ju Ju Sulamyth The Daughter of the Great Barnum *The Canterville Ghost and Other Stories* Oscar Wilde, 2024 Few authors are as closely associated with English wit as Oscar Wilde the sharp witted dandy always ready with a cutting remark His brilliant conversational skills made him famous even before he began his literary career The stories in this volume showcase his drastic humour and scathing social critique Among them The Model Millionaire upends social hierarchies and in The Canterville Ghost ancient traditions meet modern times in the form of a vulgar and unsentimental American family creating problems for a ghost that has had it too easy for centuries OSCAR WILDE born in 1854 in Dublin died in 1900 in Paris was an Irish prose writer playwright essayist and poet Wilde's significance as a symbol for persecuted homosexuals around the world is immeasurable Wilde himself was sentenced to prison and hard labour his works were boycotted theatrical productions were shut down and he was publicly vilified The Picture of Dorian Gray 1890 is his most famous work The White People (and other Stories) Frances Hodgson Burnett, 2017 This volume contains the following stories by Frances Hodgson Burnett author of classics like The Secret Garden or Little Lord Fauntleroy The White People The Little Hunchback Zia Seth The Dawn Of A To Morrow In The Closed Room Lodusky The Pretty Sister Of Jos The el Toro Problem and Other Stories Anders Bellis, 2022-10-07 Larry Carmody private investigator lives in a nighttime world of 1930s crime noir a world of bottomless cynicism triple standards and scathingly black humor There is no doing good in the world of Larry Carmody There is only the cynicism and black humor needed to stay alive in the midst of convoluted plots and the nighttime world of crime For some that is The accomplished and lucky ones The rest perish In the world of Larry Carmody you have to get the low down And you have to find a way out Otherwise someone will show you the foolproof way out by means of force feeding you lead with an equalizer Larry Carmody himself says A case can sometimes be opened and shut in no time It doesn't often go down that way but when it does you can most often exchange the word shut for the word shot And I am not speaking of a shot of whisky in an instance such as this I am using the word shot in the sense of the main player in the case having been shot to death Usually my client *Last Days In A Dutch Hotel; and Other Stories*

The Hammon and the Beans And Other Stories Am?rico Paredes, 1994-06-30 The culture conflict that dominated the border region during the time of Texas transition away from Mexican political status and culture to that of the United States is the main inspiration for these stories Here are tales of revolutionaries and guerrilla warriors refracted obliquely quite often through the eyes of children who are directly affected in their schools and families by the political environment As the title story indicates there is an ongoing battle within these pages between the Mexican past and the American future it is not only a tale of the struggle for cultural survival as one language confronts the other as land tenancy shifts as new systems of law and economic organization come into place but it is also the tale of the everyday folk struggling to survive economically culturally and spiritually in the face of rapid change Some of the stories record another type of cultural confrontation Mexican American soldiers at war in Korea and living in Japan In these stories all the assumptions about race culture and politics come into sharp focus as Mexican Americans a U S national minority now have to find their emotional and cultural space in a world that has become a battlefield very much like the one that transformed northern Mexico into the Southwest United States

The Mandarin (and other stories) Jose Maria Eca de Queiroz, 2011-03-16 E a de Queiroz 1845 1900 is considered to be Portugal s greatest novelist and one of its finest prose writers In The Mandarin he turns his satirical eye on the sin of avarice and asks the following question In the depths of China there lives a mandarin who is richer than any king spoken of in fable or in history You know nothing about him not his name his face or the silks that he wears In order for you to inherit his limitless wealth all you have to do is to ring the bell placed on a book by your side In that remote corner of Mongolia he will utter a single sigh He will then be a corpse and at your feet you will see gold beyond the dreams of avarice Mortal reader will you ring the bell When Teodoro our timid lowly narrator says Yes he finds that fabulous wealth brings with it unexpected problems The three very different stories that complete the collection The Idiosyncrasies of a Young Blonde Woman The Hanged Man and Jos Mat as are all tales of obsessive love each told with E a s irrepressible wit and originality A brilliant mischievous essay in fantasy chinoiserie irreverently subverting the trope created half a century earlier by Balzac in La Peau de chagrin of the Oriental curse masquerading as a blessing In the same Dedalus collection of Eca s short fiction lies a late gem Jose Matias a love story told at a funeral by a Hegelian philosopher in which the issue of the narrator s own relationship with reality adds a comically ambiguous layer to the tale Jonathan Keates in The Times Literary Supplement

Current Opinion ,1895 *Sex, Lies, and Autobiography* James L. O'Rourke, 2006 In *Sex Lies and Autobiography* James O'Rourke explores the relationships between literary form and ethics revealing how autobiographical texts are able to confront readers with the moral complexities of everyday life Tracing the ethical legacy of Jean Jacques Rousseau s *Confessions* in a series of English language texts the author shows how Rousseau s doubts about the possibility of ethical behavior in everyday life shadows the first person narratives of five canonic works William Wordsworth s *Prelude* Charlotte Bront s *Jane Eyre* and *Villette* Mary Shelley s *Frankenstein* and Vladimir Nabokov s *Lolita* Offering a fascinating new way of thinking about ethics through literature *Sex Lies and Autobiography* challenges the most fundamental principles of the philosophical study of ethics revealing the innate difference between morality in life and morality in literature O'Rourke begins with Rousseau s inability to reconcile his intuitive belief that he is a good person with the effects that his actions have on others and he goes on to show how this same ethical impasse recurs in the five aforementioned texts The ethical crises these texts describe such as when *Jane Eyre* s happiness can be purchased only at the cost of Bertha Mason s suicide or when Humbert Humbert s artistry demands the sacrifice of Dolores Haze are not instances of authorial ethical blindness O'Rourke says but rather are ethical challenges that force us as readers to consider our own lives In each of these works a narrator attempts to justify his or her behavior and fails in each case the rigorous narrative of self examination demands a similar effort from the reader whose own sense of moral rectitude is put into question Confronting the long held philosophical construction that links ethical principles and life choices thereby reassuring us of the ethical coherence of everyday life the narrators of these literary autobiographies come to a very different conclusion by looking back on their lives they cannot understand how their most benevolent desires led to such damaging life stories By leaving meaning inexplicit O'Rourke argues these texts are able to recover traumatic material that is ordinarily repressed and then bring that repressed knowledge to bear on self justifying

narratives For readers interested in autobiographical studies ethical criticism and trauma and literary studies Sex Lies and Autobiography provides a groundbreaking analysis of the role of ethics in literature **Things Look Different in the Light & Other Stories** Medardo Fraile,Ali Smith,2014-01-02 Among these wonderful blackly comic tales from the Spanish master of the short story an office queen falls from her throne a tartan shirt holds the threads of a man s life a simple dictation test results in glimpsed mortality and a case of mistaken identity finally pays off Taking in love family war food and the unforgettable view of the world from childhood these rich charming stories and Fraile s light touch will stay with you long after you have finished reading The Sun Also Rises and Other Stories Ernest Hemingway,2022-01-25 Ernest Hemingway s masterpiece about American expatriates in 1920s Europe is an essential read for lovers of classic literature The Sun Also Rises was Ernest Hemingway s first novel and has long been regarded as his finest work Amid the caf society of 1920s Paris a group of American expatriates seek their identities and independence traveling to Pamplona Spain for the running of the bulls and other life affirming adventures showing the Lost Generation as people who were full of exuberance In addition to the acclaimed novel this volume includes Hemingway s novella The Torrents of Spring and the collection Three Stories and Ten Poems *A sapphire ring, and other stories* Richard Dowling,1882 Ituika: Evening Pass-Time and Other Stories Munyao Kilolo,2024-11-24 Volume two of the Itu ka multilingual anthology follows in the footsteps of the first volume Most stories here were written initially in Kenyan African languages Ekegusii Gikuyu Kimeru and Kiduruma Mama Mkwe began in Kiswahili and was then translated into Kiembu and Flames of Vengeance began in English and was then translated into Maa As was the case in Volume 1 these stories cover a diverse range of themes including family histories perspectives and affection in marriage Africans working in the gulf and family storytelling Translation practice is at the heart of this work especially translation between African languages Each story here is available in three different languages and one is published in four languages This multilingual work is the first of its kind to be published in Kenya and promises to be a great resource to translation scholars readers and African language enthusiasts Munyao Kilolo Editor The Itu ka multilingual anthology breaks from the norm by giving African languages a platform to talk to each other This one of a kind anthology is a journey through translation Volume two of this anthology has stories translated from and into 7 Kenyan Languages including their Swahili and English translations The work shows how language barriers can be overcome through storytelling and translation and writers writing in Kenyan languages have a chance to reach an even broader audience It was a great pleasure for me to work with the translators during the 2021 Ituika workshop and I recommend this book to language analysts and translation enthusiasts Jane Bosibori Obuchi Author The Backwash of War Ellen N. La Motte,2019-02-05 Banned in multiple countries for its frank depiction of the horrors of war Ellen N La Motte s The Backwash of War is one of the most stunning antiwar books ever published We are witnessing a phase in the evolution of humanity a phase called War and the slow onward progress stirs up the slime in the shallows and this is the Backwash of War It is very ugly Ellen N La Motte In

September 1916 as World War I advanced into a third deadly year an American woman named Ellen N La Motte published a collection of stories about her experience as a war nurse Deemed damaging to morale *The Backwash of War* was immediately banned in both England and France and later censored in wartime America At once deeply unsettling and darkly humorous this compelling book presents a unique view of the destruction wrought by war to the human body and spirit Long neglected it is an astounding book by an extraordinary woman and merits a place among major works of WWI literature This volume gathers for the first time La Motte s published writing about the First World War In addition to *Backwash* it includes three long forgotten essays Annotated for a modern audience the book features both a comprehensive introduction to La Motte s war time writing in its historical and literary contexts and the first extended biography of the lost author of this lost classic Not only did La Motte boldly breach decorum in writing *The Backwash of War* but she also forcefully challenged societal norms in other equally remarkable ways as a debutante turned Johns Hopkins trained nurse pathbreaking public health advocate and administrator suffragette journalist writer lesbian and self proclaimed anarchist
