Birnhack,2012-10-04 When the British Empire enacted copyright law for its colonies and called it colonial or Imperial copyright it had its own interests in mind Deconstructing the imperial policy regarding copyright offers a startling glimpse into how this law was received in the colonies themselves Offering the first in depth study from the point of view of the colonized this book suggests a general model of Colonial Copyright as it was understood as the intersection of legal transplants colonial law and the particular features of copyright especially authorship Taking as a case study the story of Mandate Palestine 1917 1948 the book details the untold history of the copyright law that became the basis of Israeli law and still is the law in the Palestinian Authority It

queries the British motivation in enacting copyright law traces their first indifferent reaction and continues with the gradual absorption into the local legal and cultural systems In the modern era copyright law is at the forefront of globalization but this was no less true when colonial copyright first emerged By shining a light on the introduction and reception of copyright law in Mandate Palestine the book illuminates the broader themes of copyright law the questions surrounding the concept of authorship the relationship between copyright and the demands of progress and the complications of globalization The Jewish Agency's Digest of Press and Events ,1955 **Beasts that Teach, Birds that Tell: Animal Language in Rabbinic and Classical Literatures** Eliezer Segal,2019 A study of rabbinic texts about talking animals examined in the context of Greek and Roman cultures **People as Subject, People as Object** Virginia R. Domínguez,1989 **Trial and Error: The Autobiography of Chaim Weizmann** Chaim Weizmann,2019-07-31 Chaim Weizmann s autobiography is a highly personal account of his life in the Zionist movement Book One completed in 1941 covers the years 1874 1917 and Book Two covers the years 1918 1948 Weizmann describes the Russian shtetl where he was born in 1874 his schooling in Pinsk and his university studies in Berlin Geneva and Freiburg Switzerland where he received his PhD in chemistry in 1899 before moving to Manchester in 1904 He portrays many leading Zionists such as Theodor Herzl Achad Ha am Max Nordau Shmarya Levin Ussishkin Jabotinsky Ruppin He describes the opposition by assimilationist Jews like Edwin Montagu to Zionism and internal debates within the Zionist movement such as the defeat of Herzl s Uganda plan bitterly opposed by Weizmann at the 6th Zionist Congress 1903 and his frictions with the American Zionists led by Brandeis Weizmann describes how during World War I his work on acetone brought him into contact with British political leaders such as Lloyd George Arthur Balfour and Winston Churchill and facilitated the Balfour Declaration which in 1917 paved the way for the establishment in Palestine of a national home for the Jewish people Weizmann recounts his role in the creation of what would become Israel s leading scientific institutions the Hebrew University the Weizmann Institute of Science and the Technion including his fundraising efforts in Europe and in the United States on their behalf and for other Zionist initiatives He became the first President of Israel and died in office in 1952 one of the important historical documents of our time Orville Prescott The New York Times January 19 1949 Trial and Error is likely to be read for many years to come as an authoritative exposition of the Zionist movement records eye witness accounts of so many crucial events and reflects so many deep insights that it is certain to become of permanent value to the scholar and a delight to the general reader Salo Baron The New York Times January 23 1949 There are four angles from which one can approach this book One can take it as a history of Zionism during the last seventy years a record of personal endeavour triumphant over obstacles and dissension a sad commentary upon human achievement when eventual triumph comes at a date and in circumstances which rob it of its full savour the self portrait of a most remarkable man Harold Nicolson The Observer March 27 1949 Notable in this intellectually candid record is the fact that Weizmann embraced and propagated Jewish nationalism because he regarded it as a positive good not merely a negative

escape from gentile persecution This intensely human book which in a sense is the story of modern Zionism constitutes one of the indispensable sources for the history of our times Robert Gale Woolbert Foreign Affairs July 1949 Weizmann's autobiography is an astonishingly objective and life like narrative without a trace of dramatization exaggeration vanity self pity self justification it conveys his authentic richly and evenly developed autonomous proud firmly built somewhat ironical nature free from inner conflict in deep instinctive harmony with the forces of nature and society and therefore possessed of natural wisdom dignity and authority Sir Isaiah Berlin Chichele Professor of Social and Political Theory Oxford University November 19 1957 Ranks between Churchill's war memoirs and those of Nehru Masaryk and Trotzky among the founders own stories above all a human book the record of the experiences and reactions of a man who fought over issues that were important Congress Bulletin April 1949 **Decision on Palestine Deferred** Monty Noam Penkower, 2002 Professor Penkower's latest book offers the first sustained documented account of Palestine and the Anglo American alliance during the Second World War **Jewish Hearts** Betty N. Hoffman, 2012-02-01 This ethnographic study compares and contrasts the changing ethnic identity of those Russian Jews who settled in Hartford Connecticut between 1881 and 1930 with that of the Soviet Jews who remained in Russia after the Revolution became Soviet citizens and emigrated after 1975 Although both groups were labeled Jews their internal definitions of what constituted being Jewish and their personal experiences were radically different Using both archival and contemporary oral histories Betty N Hoffman traces the stories of real people whose lives and choices were affected by both their ethnic identity and the larger movements around them as they made new homes in the United States
