African Witchcraft And Otherness African Witchcraft And Otherness:

African Witchcraft and Otherness Elias Kifon Bongmba, 2015-01-21 This work of African philosophy and theology uses the thought of Emmanuel Levinas to provide an analysis of tfu witchcraft among the Wimbun people of Cameroon along with a critique of intersubjective relations Taking an approach he calls critical contextualism author Elias Bongmba employs Levinas s philosophy particularly the concept of the Other to engage in cross cultural philosophy that does not destroy the perspective of the culture under study Insights from anthropology African studies and the author s own experiences are also important throughout the book Bongmba discusses the cultural background of the Wimbun people and explores the concepts and terms used to discuss the acquisition of several categories of power generally described as tfu Bongmba argues that when properly explored and understood these terms refer to complex practices that involve power that can be used for good and power that can be abused Drawing from Levinas the author demonstrates that negative use of tfu constitutes a totalizing praxis He goes on to endorse Levinas s call for a phenomenology of eros as a way of reconfiguring interpersonal relationships

African Witchcraft and Otherness Elias Kifon Bongmba, 1995 **The Power of the Occult in Modern Africa** James Kiernan, 2006 The occult is a framework of ideas and related practices that is drawn upon as a common resource to provide an understanding of how an apparently random world really works Based mainly on experiential research in a range of African societies the essays in this volume examine the relevance of the occult to a variety of social concepts and contexts These studies stress three features of the occult in modern Africa 1 as an explanatory and tactical device it is resilient 2 it is malleable with a capacity to absorb and assimilate new elements 3 it is flexible and adaptable to emerging situations and novel circumstances Of interest to specialists in the fields of religion social science and African studies this book will benefit the general reader interested in the occult and its relevance to modernity and globalisation **Gendering Knowledge in Africa and the African Diaspora** Toyin Falola, Olajumoke Yacob-Haliso, 2017-07-14 Cover Title Copyright Dedication Contents List of illustrations Notes on contributors Preface Introduction gendering knowledge in Africa and the African Diaspora PART I Re writing gender in African and African Diaspora history 1 The Bantu Matrilineal Belt reframing African women s history 2 REMAPping the African Diaspora place gender and negotiation in Arabian slavery 3 Communicating feminist ethics in the age of New Media in Africa PART II Gender migration and identity 4 Transnational feminist solidarity Black German women and the politics of belonging 5 Beyond disability the Trans Atlantic Slave Trade and female heroism in Manu Herstein s Ama 6 Reverse migration of Africans in the Diaspora foregrounding a woman s quest for her roots in Tess Akaeke Onwueme s Legacies PART III Gender subjection and power 7 Queens in flight Fela Kuti s Afrobeat Queens and the performance of Black feminist Diasporas 8 Women and tfu in Wimbun Community Cameroon 9 Women s agency and peacebuilding in Nigeria s Jos crises 10 Contesting the notions of thugs and welfare queens combating Black derision and death 11 Culture of silence and gender development in Nigeria 12 Emasculation social humiliation and psychological

castration in Irene s More than Dancing Index **Routledge Handbook of African Politics** Nic Cheeseman,David Anderson,Andrea Scheibler,2017-07-05 Providing a comprehensive and cutting edge examination of this important continent Routledge Handbook of African Politics surveys the key debates and controversies dealing with each of the major issues to be found in Africa s politics today Structured into 6 broad areas the handbook features over 30 contributions focused around The State Identity Conflict Democracy and Electoral Politics Political Economy Development International Relations Each chapter deals with a specific topic providing an overview of the main arguments and theories and explaining the empirical evidence that they are based on drawing on high profile cases such as the Democratic Republic of Congo Kenya Nigeria Somalia South Africa Rwanda and Zimbabwe The Handbook also contains new contributions on a wide range of topical issues including terrorism the growing influence of China civil war and transitional justice making it required reading for non specialists and experts alike Featuring both established scholars and emerging researchers this is a vital resource for all students of African Studies democratization conflict resolution and Third World politics [The Wiley-Blackwell Companion to African Religions](#) Elias Kifon Bongmba,2012-03-12 The Wiley Blackwell Companion to African Religions brings together a team of international scholars to create a single volume resource on the religious beliefs and practices of the peoples in Africa Offers broad coverage of issues relating to African religions considering experiences in indigenous Christian and Islamic traditions across the continent Contributors are from a variety of fields ensuring the volume offers multidisciplinary perspectives Explores methodological approaches to religion from anthropological philosophical and historical perspectives Provides insights into the historical developments in African religions as well as contemporary issues such as the development of African initiated churches neo traditional religions and Pentecostalism Discusses important topics at the intersection of culture and religion in Africa including the arts health politics globalization gender relations and the economy

The Grammar of the Spirit World in Pentecostalized Africa Hermen Kroesbergen, Johanneke Kroesbergen-Kamps, Philipp Öhlmann,2023-07-15 What does it mean for the spirit world to be real Scholars from different disciplines investigate this topic focusing on the role played by the spiritual realm in Pentecostalized Africa The grammatical angle of their research proves to be a fruitful avenue to clarify the kind of reality or realities the spirit world has This novel approach takes us beyond most existing research by investigating the often unaddressed assumption that we know what it means for the spirit world to be taken as real This volume shows the importance of paying close attention to the grammar according to which people speak of spirits Spirit witchcraft ancestors and other aspects of the spirit world [The Dialectics of Transformation in Africa](#) E. Bongmba,2006-03-15 A discussion of political and religious crisis in Africa this book covers such topics as democratic transition good governance civil society and the African renaissance Elias K Bongmba proposes humanistic interventions centred on the recovery of interpersonal relations and seeks to understand the ongoing struggles in Africa

Encounters with Witchcraft Norman N. Miller,2012-04-26 Encounters with Witchcraft is a personal story of a young

man's fascination with African witchcraft discovered first in a trek across East Africa and the Congo. The story unfolds over four decades during the author's long residence in and many trips to Kenya, Tanzania, and Uganda. As a field researcher, he learns from villagers what it is like to live with witches and how witches are seen through African eyes. His teachers are healers, cult leaders, witch hunters, and self-proclaimed witches as well as policemen, politicians, and judges. A key figure is Mohammadi Lupanda, a frail village woman whose only child has died years before. In her dreams, however, she believes the little girl is not dead but only lost in the fields. Mohammadi is discovered wandering at night, wailing and calling out for the child. Her neighbors are terror-stricken and she is quickly brought to a village trial and banished as a witch. The author is able to watch and listen to the proceedings and later investigate the deeper story. He discovers mysteries about Mohammadi that are only solved when he returns to the village three decades later. Today, witch hunting and witchcraft-related crimes are found in more than seventy developing countries. Epidemics of violence against alleged witches, mainly women but including elders of both genders and even children, is on the increase in some parts of the world. Witchcraft beliefs may lie behind vigilante murders, political assassinations, revenge killings, and commercial murders for human body parts. Through African voices, the author addresses key questions: Do witchcraft powers exist? Why does witchcraft persist? What are its historic roots? Why is witchcraft-based violence so often found within families? Does witchcraft serve as a hidden legal and political system, a mafia-like under government? The author holds up a mirror for us to think about religious beliefs in our own experience that rely heavily on myth and superstition.

The Ashgate Encyclopedia of Literary and Cinematic Monsters Jeffrey Andrew Weinstock, 2016-04-01. From vampires and demons to ghosts and zombies, interest in monsters in literature, film, and popular culture has never been stronger. This concise Encyclopedia provides scholars and students with a comprehensive and authoritative A-Z of monsters throughout the ages. It is the first major reference book on monsters for the scholarly market. Over 200 entries, written by experts in the field, are accompanied by an overview introduction by the editor. Generic entries such as ghost and vampire are cross-listed with important specific manifestations of that monster. In addition to monsters appearing in English language literature and film, the Encyclopedia also includes significant monsters in Spanish, French, Italian, German, Russian, Indian, Chinese, Japanese, African, and Middle Eastern traditions. Alphabetically organized, the entries each feature suggestions for further reading. The Ashgate Encyclopedia of Literary and Cinematic Monsters is an invaluable resource for all students and scholars and an essential addition to library reference shelves.

The Holy Spirit and Salvation in African Christian Theology David Tonghou Ngong, 2010. Revision of author's thesis, Ph.D. Baylor University, 2007, under title: The material in salvific discourse: a study of two Christian perspectives.

Disciplinary Decadence Lewis R. Gordon, 2015-12-03. In this book, philosopher and social critic Lewis Gordon explores the ossification of disciplines, which he calls disciplinary decadence. In response, he offers a theory of what he calls a teleological suspension of disciplinarity, in which he encourages scholars and lay intellectuals to pay attention to the openness of ideas and purposes on which their disciplines

were born Gordon builds his case through discussions of philosophy of education problems of secularization in religious thought obligations across generations notions of invention in the study of ideas decadence in development colonial epistemologies and the quest for a genuine postcolonial language These topics are examined with the underlying diagnosis of the present political and academic environment as one in which it is indecent to think *Religion, Conflict, and Democracy in Modern Africa* Samuel K. Elolia, 2012-03-02 Spanning various regions of Sub Saharan Africa the authors of this volume come together to explore the complex relationship between religion and democracy in contemporary Africa As a result of the end of the Cold War and the fall of the Soviet Union many African countries have come to the realization however partial that political and social change is inevitable in spite of government heavy handedness and threats It has also become evident that no political system that refuses to permit freedom of political expression and alternative systems of governance could continue to be sustained It is in precisely this political climate that religious institutions have collaborated with other elements of civil society to call for political reforms with the church often becoming the prominent voice against oppressive governments in countries such as Kenya and South Africa It is the purpose of this book to assess how religion shapes political issues and to what extent religious forces influence the civil society By acknowledging the role of the civil society the essays recognize the resilience that comes out of Africa even when the sociopolitical situation seems unbearable *Encyclopedia of African Religion* Molefi Kete Asante, Ama Mazama, 2009 Collects almost five hundred entries that cover the African response to spirituality taboos ethics sacred space and objects **African Philosophy and the Otherness of Albinism** Elvis Imafidon, 2018-10-30 Albinism is one of the foremost disability and public health issues in Africa today It often makes headlines in local national and international medias and forms the basis for intense advocacy at all levels This is primarily due to the harmful representations of persons with albinism deeply entrenched in African traditions These deeply rooted ideologies about albinism in African thought have largely promoted the continuous discrimination stigmatization harming killing commodification and violation of the human rights of persons with albinism in African places How has albinism emerged as a thick concept in African traditions What are these deeply entrenched ideas about the ontology of albinism in African thought What epistemic injustice has been done to persons with albinism in Africa places Why do harmful beliefs about albinism still persist in modern African societies How does the African communalistic ethic justify the harm done against persons with albinism What is the duty to and burden of care for persons with albinism What peculiar existential challenges do persons with albinism in general and females with albinism in particular face in African societies and how can they be overcome What can be learnt from the education philosophy of reconstructionism and genetic engineering in improving the wellbeing of persons with albinism *African Philosophy and the Otherness of Albinism* White Skin Black Race digs deep into these philosophical questions revealing fascinating but latent aspects of how albinism is understood in African places as a necessary step to take in improving the wellbeing and integrity of persons with albinism in Africa today This book

will be of interest to scholars and students of African philosophy sociology African studies and disability studies *A Short History of African Philosophy, Second Edition* Barry Hallen,2009-09-03 A Short History of African Philosophy discusses major ideas figures and schools of thought in philosophy in the African context While drawing out critical issues in the formation of African philosophy Barry Hallen focuses on recent scholarship and relevant debates that have made African philosophy critical to understanding the rich and complex cultural heritage of the continent This revised edition expands the historical perspective takes account of recent discoveries and new canonical figures highlights new discussions about gender as a cultural and philosophical phenomenon clarifies issues regarding indigenous cultures and human rights and builds on the notion that African philosophy shares methods and concerns of philosophy worldwide This short reference is an essential resource for students scholars and general readers **Ford's The Modern Theologians** Rachel Muers,Ashley Cocksworth,2024-03-18 Captures the multiple voices of Christian theology in a diverse and interconnected world through in depth studies of representative figures and overviews of key movements Providing an unparalleled overview of the subject The Modern Theologians provides an indispensable guide to the diverse approaches and perspectives within Christian theology from the early twentieth century to the present Each chapter is written by a leading scholar and explores the development and trajectory of modern theology while presenting critical accounts of a broad range of relevant topics and representative thinkers The fourth edition of The Modern Theologians is fully updated to provide readers with a clear picture of the broad spectrum and core concerns of modern Christian theology worldwide It offers new perspectives on key twentieth century figures and movements from different geographical and ecclesial contexts There are expanded sections on theological dialogue with non Christian traditions and on Christian theology s engagement with the arts and sciences A new section explores theological responses to urgent global challenges such as nationalism racism and the environmental crisis Providing the next generation of theologians with the tools needed to take theological conversations forward The Modern Theologians Explores Christian theology s engagement with multiple ways of knowing across diverse approaches and traditions Combines introductions to key modern theologians and coverage of the major movements within contemporary theology Identifies common dynamics found across theologies to enable cross contextual comparisons Positions individual theologians in geographical regions trans local movements and ecclesial contexts Features new and revised chapters written by experts in particular movements topics and individuals Providing in depth critical evaluation and extensive references to further readings and research Ford s The Modern Theologians An Introduction to Christian Theology since 1918 Fourth Edition remains an ideal textbook for undergraduate and graduate courses in Theology and Religious Studies such as Introduction to Christian Theology Systematic Theology Modern Theology and Modern Theologians It is also an invaluable resource for researchers those involved in various forms of Christian ministry teachers of religious studies and general readers engaged in independent study *Emerging Theologies from the Global South* Mitri Raheb,Mark A.

Lamport,2023-03-29 In recent decades there has been a seismic shift in world Christianity Whereas formerly Christianity existed as a Caucasian Euro American phenomenon the majority of Christians today reside in the Southern Hemisphere or the Global South And what is true for the demographics of Christianity has followed lockstep for its theological developments The era of German theologians setting the tone for global church are gone Today some of the loudest and most creative voices in theology speak from the emerging contingencies of the Global South for example promoting Latinx Black Caribbean and Asian theologies and their influence often influences the conversation in the United States and Europe In addition just as the center of Christianity has moved geographically from north to south so with theological seminaries in the west which have declined as training centers for clergy These events coincide with new theological centers are opening in Asia Africa Oceania and Latin America The bottom line is contemporary Christianity today looks significantly different than it did a century ago and publications have been slow to acknowledge let alone describe and elaborate upon this major shift to the largest religion in the world These shifts guide our intentions in this book Such a reference book which could also be used as a textbook therefore is very much needed In fact there is nothing like the contents of this single volume book in the publishing market which allows for high quality interdisciplinary and international dialogue **Africa and Its Significant Others**,2016-08-09

When did the intimate dialogue between Africa Europe and the Americas begin Looking back it seems as if these three continents have always been each other's significant others Europe created its own modern identity by using Africa as a mirror but Africans traveled to Europe and America long before the European age of discovery and African cultures can be said to lie at the root of European culture This intertwining has become ever more visible Nowadays Africa emerges as a highly visible presence in the Americas and African American styles capture Europe's youth many of whom are of North African descent This entanglement however remains both productive and destructive The continental economies are intertwined in ways disastrous for Africa and African knowledge is all too often exported and translated for US and European scholarly aims which increases the intercontinental knowledge gap This volume proposes a fresh look at the vigorous and painful but inescapable relationships between these significant others It does so as a gesture of gratitude and respect to one of the pioneering figures in this field Dutch Africanist and literary scholar Mineke Schipper who is taking her leave from her chair in Intercultural Literary Studies at the University of Leiden Where have the past four decades of African studies brought us What is the present day state of this intercontinental dialogue Sixteen of Mineke's colleagues and friends in Europe Africa and the Americas look back and assess the relations and debates between Africa Europe America Ann Adams Ernst van Alphen Mieke Bal Liesbeth Bekers Wilfried van Damme Ariel Dorfman Peter Geschiere Kathleen Gyssels Isabel Hoving Frans Willem Korsten Babacar M Baye Harry Olufunwa Ankie Peypers Steven Shankman Miriam Tlali and Chantal Zabus write about the place of Africa in today's African Diaspora about what sisterhood between African and European women really means about the drawbacks of an overly strong focus on culture in debates about Africa about Europe's

reluctance to see Africa as other than its mirror or its playing field about the images of Africans in seventeenth century Dutch writing about genital excision the flaunting of the African female body and the new self writing about new ways to look at classic African novels and about the invigorating disturbing political art of intercultural reading **The Witch in History**
Diane Purkiss, 2003-09-02 Diane Purkiss insists on taking witches seriously Her refusal to write witch believers off as unenlightened has produced some richly intelligent meditations on their and our world The Observer An invigorating and challenging book sets many hares running The Times Higher Education Supplement

African Witchcraft And Otherness African Witchcraft And Otherness Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading African Witchcraft And Otherness African Witchcraft And Otherness free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading African Witchcraft And Otherness African Witchcraft And Otherness free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file

type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading African Witchcraft And Otherness African Witchcraft And Otherness free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading African Witchcraft And Otherness African Witchcraft And Otherness. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading African Witchcraft And Otherness African Witchcraft And Otherness any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About African Witchcraft And Otherness African Witchcraft And Otherness Books
