Consumer Sales Guarantees in the European Union Aneta Wiewiórowska-Domagalska, 2012-10-30 Die Vorbereitungen laufen bereits viele Jahre nun liegt er endlich vor der Entwurf der Europäischen Kommission für ein Gemeinsames Europäisches Kaufrecht als Optionales Instrument Beteiligte an den Vorarbeiten und wichtige Kritiker derselben setzen sich in diesem höchst empfehlenswerten Buch mit dem Kommissionsentwurf auseinander Wie wird die Harmonisierung des europäischen Vertragsrechts durch den Entwurf vorangetrieben Wie schlägt sich der Entwurf im Vergleich zum BGB zum DCFR oder zu den Acquis Principles Beleuchtet werden insbesondere Irrtumsanfechtung AGB Kontrolle allgemeines und besonderes Leistungsstunungsrecht beim Kauf und bei verbundenen Dienstleistungen sowie bergreifende Fragestellungen zum Verbraucherrecht Der Band wird abgerundet durch eine Synopse des Kommissionsentwurfs und der vorangegangenen Machbarkeitsstudie in der die Entwicklung des Textes deutlich wird Freedom of Services in the European Union Roger Blanpain, 2006-01-01 This book deals with European labour law and industrial relations It covers legislation concerning relations between employers and employees collective agreements and the case law of the Court of Justice as well as the structure and strategies of the social actors The book consists of three parts a general section devoted to individual labour law and a section that deals with collective labour law *Research Handbook on EU Consumer and Contract Law* Christian Twigg-Flesner, 2016-09-30 The Research Handbook on EU Consumer and Contract Law takes stock of the evolution of this fascinating area of private law to date and identifies key themes for the future development of the law and research agendas This major Handbook brings together contributions by leading academics from across the EU on the latest developments and controversies in these important areas of law The Handbook is divided into three distinct and thematic parts firstly authors examine a range of cross cutting issues relevant to both consumer and contract law The second part discusses specific topics on EU consumer law including the consumer image within EU law information duties and unfair contract terms The final part focuses on a number of important subjects which remain current in the development of EU contract law and presents a number of innovative solutions to the challenges presented in parts one and two This timely and insightful Handbook will provide both a comprehensive survey of this area of law for the novice researcher and fresh food for thought for scholars who have been researching this area of law for many years Contributors include E A Amayuelas H Beale J M Bech Serrat C Busch R Canavan P Cartwright O O Cherednychenko G Comparato G Cordero Moss A Cygan L Gillies M Graziadei M W Hesselink G Howells C Mak V Mak H W Micklitz B Pozzo P Rott J Rutgers J M Smits Y Svetiev E T T Tai C Twigg Flesner W H van Boom J Watson F Zoll **E.U. Sales Directive** C. Massimo Bianca, Stefan Grundmann, 2002 European standards of interpretation including interpretation of comparative law and reference to the directive and to instruments of European law are now part of sound legal practice even in the most routine of domestic cases The huge reforms in many national laws in some countries the rewriting of their Code to reflect the Directive is no more than good approximation What really matters and what

ultimately will be the decisive standard is the Directive The Geneva Conventions on bills of exchange and cheques the Vienna Convention on the International Sale of Goods and the Brussels Convention on jurisdiction and recognition of judgments were milestones They did not however influence national private law in its core area as profoundly and as extensively as the EU Sales Law Directive will This book starts off by explaining the instruments of European law and their influence on national law and lays solid foundations for a thorough transnational understanding of every single provision of the directive Also discussed are the philosophical historical and economic foundations of the different rules which are followed by a detailed commentary on each individual article

The Rules of Competition in the European Economic Community R. Graupner, 2012-12-06 The creation of the European Economic Community and the gradual achievement of a Common Market in connection with this Community raises not only economic but numerous legal problems as well In fact the Treaty of Rome and the various regulations directives and decisions enacted for its implementation are bringing into being a new legal system which has a great influence not only within the frontiers of the Community but also on all European States which are in economic contact with the Community and indeed on the entire world This applies particularly to the provisions on the laws of competition laid down by the Treaty and its implementing regulations These provisions must be known and taken into consideration not only by Common Market enterprises but also by large firms outside the Community The very comprehensive literature on the European Economic Community has therefore laid special stress on this subject The large number of commentaries published in the various languages of the Community on the Rules of Competition indicates the great interest taken not only by the commercial world but also by the world of jurisprudence

Collective Action in the European Union Mark Aspinwall, Justin Greenwood, 2013-09-13 Collective Action in the European Union addresses fundamental questions surrounding the European political economy The impressive array of contributors ask how and why collective action is formed at the European level They also consider whether collective action at the transnational level is driven by rational utility maximising behaviour or whether explanations couched in social terms are more convincing Many of the chapters introduce fresh empirical studies in the domains of business the professions consumers and environmental interests

can be applied to real world business dealings It is an essential resource for anyone involved in international business with customers in the European Union **Education and Employment in the European Union** Dimitris N.

Chorafas,2016-04-29 Education employment policy and pensions are inextricably linked and critical to any sort of business or economic revival let alone success and all three are addressed in Education and Employment in the European Union In the first part of this meticulously researched and highly informative book Dimitris Chorafas argues that European educational standards from primary schools through to universities leave much to be desired The author then turns to employment Already affected by problems with education employment is fettered by structural issues ranging from inflexible labour laws to heavy social costs Here the author suggests what might be done to get employment moving again in difficult economic times Employment and pensions work in synergy In the final part Chorafas examines the implications of and future for pension provision taking a polyvalent approach which embraces state pensions company pensions and the workings of pension funds as well as healthcare issues and the longevity risk The evidenced analysis of the three interlinked policy areas in this book identifies the issues and the relationships between them The findings and suggestions will be important to business practitioners business educators government authorities policy makers consultancies and others either within or wishing to learn lessons from the European Union **The Political Economy of European Union Competition Policy**

Tuna Baskoy,2008-06-24 In the European Union EU competition policy occupies a central place amongst other EU public policies and is the first truly supranational public policy regulating market competition One of the stated objectives of EU competition policy is to prevent excessive concentration of economic power in the hands of a few *The Effects of Greater Economic Integration Within the European Community on the United States* ,1989 Economics of the European Union

Michael Artis,Frederick Nixon,2007-05-17 The new edition of this successful text analyses the current economic issues facing a rapidly changing Europe The authors combine policy history and data to present a global perspective of the EU written with a range of students taking an introductory module in European Economics in mind With new material on the economic relationship between the EU and the US Enlargement and the Lisbon process the authors consider the changing landscape and Europe s development as a major global player The authors use history theory and analysis including comparative data to evaluate Economic policies ranging from the Common Agricultural Policy and Competition Policy to Social Policy and Monetary Policy and to assess issues such as unemployment and foreign aid The contributors are drawn from a range of Universities such as Vienna Manchester Brussels LSE and Purdue as well as institutions such as the IMF and the European Central Bank **Trade and Investment in China** Jim Slater,Roger Strange,Limin Wang,2002-09-11 China is under close scrutiny both as a market that could provide massive returns to investors and because of its potential to become the most powerful economy in Asia This new study examines the economic relationship between China and Europe its importance and how it is likely to evolve The book considers the flow of trade direct investment and technology transfer and

contains case studies of manufacturing industries automobiles toys watches telecommunications banking and insurance The trade relationship between Europe and China is being re evaluated by both sides and this is a valuable contribution to that process

Market Integration in the European Community J. Pelkmans, 2013-12-01 In the present stage of integration private and public market integration is really what the European Community is all about A stable security setting itself in part a result of European integration and cooperative politics in Western Europe have enabled the creation and maintenance of an elaborate legal system and common institutions facilitating the unification of product markets throughout the Community Of course the pervasive and incessant politicisation of Community decision making at the Ministerial level tends to diminish attention for what actually happens in the Community industrial markets while also obscuring its profound economic impact on European society It is precisely from the fascination with this vivid core of the European Community that this book has arisen I have attempted to combine empirical economic analysis and a minimum of institutional description with economic theory Access to theory has been facilitated by the avoidance of algebraic tools employing only where necessary geometric tools In combining the analytical traditions of international and industrial economics linked to a fairly detailed institutional economics of legal arrangements and competences at the EC level it is hoped to provide the relevant tools to comprehend the industrial Euromarkets
