Stories of Resilience in Childhood Daniel D. Challener,2019-10-01 What helps a child overcome extraordinary obstacles Why do some children surmount many difficulties and go on to live fulfilling lives while other children who face similar difficulties end up living desperate sad lives What helps children beat the odds What builds resilience in children These are critically important questions yet for too long social scientists doctors psychologists and teachers have studied children who failed and tried to figure out what caused the failure Only relatively recently have they begun to focus on what creates success Originally published in 1997 this book is an effort to understand better what contributes to a child s success and resilience The source of information will be autobiographies of childhoods autobiographical stories written by adults remembering their difficult childhoods This is not a research study or case study rather it is an attempt to read and listen to five stories about resilient children and see what they can tell us about supporting children and building resilience

Some of My Best Friends are Books Judith Wynn Halsted,2009 Recommends books for gifted readers that provide insights and coping skills for issues they may face from preschool through high school featuring more than three hundred titles with brief summaries organized by reading levels and includes an index arranged by theme
