**TO A GOD UNKNOWN** JOHN STEINBECK, 1933      **John Steinbeck's To a God Unknown** Kay Bosse, 1998      ...To a God unknown; a novel John Steinbeck, 1943      *To God Unknown* John Steinbeck, 1995-08-01 Ancient pagan beliefs the great Greek epics and the Bible all inform this extraordinary novel which occupied Steinbeck for more than five difficult years While fulfilling his dead father's dream of creating a prosperous farm in California Joseph Wayne comes to believe that a magnificent tree on the farm embodies his father's spirit His brothers and their families share in Joseph's prosperity and the farm flourishes until one brother frightened by Joseph's pagan belief kills the tree allowing disease and famine to descend on the farm Set in familiar Steinbeck country *To a God Unknown* is a mystical tale exploring one man's attempt to control the forces of nature and ultimately to understand the ways of God and the forces of the unconscious within      To a God Unknown John Steinbeck, 2000-11-30 Working to tame and cultivate the harsh country Joseph Wayne responds with feeling to the joys and failings of homestead life But as he perceives too late it is the power of nature itself that exposes the futility of man's vanity      **Critical Companion to John Steinbeck** Jeffrey D. Schultz, Luchen Li, 2005 Celebrates the American writer who in his works confronted and explored the social fabric of the United States in the early 20th century More than 500 entries include synopses of his novels short stories and nonfiction descriptions of his characters details about family friends and associates      **To a God Unknown** John Steinbeck, 1971      Reclaiming John Steinbeck Gavin Jones, 2021-06-10 A reevaluation of John Steinbeck exploring his timely interests in climate change ecology and social injustice      **To a God Unknown** Gloria L. Gaither, 1991      Steinbeck's Typewriter Robert DeMott, 2012-10-17 Steinbeck's Typewriter Essays on His Art collects several of DeMott's finest essays on Steinbeck that are so carefully revised as to warn other critics seeking their own collected essay volume of the difference between a genuinely lapidary compilation and a kitchen midden Illustrated with some rare photos this collection is especially notable John Ditsky Choice Steinbeck's Typewriter stands as the most in depth treatment of Steinbeck's aesthetics particularly in its exploration of the author's interior spaces and creative habits elements of Steinbeck's artistry which have not only been underestimated but woefully ignored Stephen George Steinbeck Review      *A Literary History of the American West* Western Literature Association (U.S.), 1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance      *Sixteen Modern American Authors* Jackson R. Bryer, 1990 Praise for the earlier edition Students of modern American literature have for some years turned to *Fifteen Modern American Authors* 1969 as an indispensable guide to significant scholarship and criticism about twentieth century American writers In its new form *Sixteenth Modern American Authors* it will continue to be indispensable

**The Short Novels of John Steinbeck** Jackson J. Benson, 1990 This collection reviews what has been categorized as the good and the bad of Steinbeck s short novels looking beyond the careless labeling that has characterized a great deal of commentary on Steinbeck s writing to the true strengths and weaknesses of the works      *To a God Unknown* John Steinbeck, 1970      **The Spectral West** Keith McDonald, Wayne Johnson, 2025-07-08 This book considers the presence of the supernatural and Gothic elements of the Western on screen These dark and sinister undertones often exist in Western narratives to draw attention to the ever present issue of death and its haunting resonance which characters encounter This book examines this through key historic moments in Western film and its contemporary incarnations The book detects imposing correlations in themes and currents between the Gothic and the Western relating to existential crisis and a loss of faith in ideologies and institutions These themes represent the tensions between the old and the new the deranged insistence on civility and order in a chaotic landscape disillusionment and the shattering of faith in the natural order and even nature and order themselves The Western just like the Gothic tale reminds us that new frontiers are mired in the past and optimism and survival are hunted down and haunted by guilt ridden past and passed anxieties and traumas      **Traveling Backward**

Elayne Wareing Fitzpatrick, 2009-07-06 TRAVELING BACKWARD is a highly original philosophic romp beyond the youth of old age with a quixotic journalist turned mom turned academic turned peasant It s a kind of light hearted guide to the wisdom of the ages from Socrates to existentialism and beyond gleaned during a struggle to recover the images that first touched her heart and to answer two questions Who am I really Where does the world come from It s a colorful occasionally poignant journey that could help you look at life through the reverent eyes of a child again GLIMPSES OF TRAVELING BACKWARD You two remind me of Peter Pan Trouble is I m not sure which one of you is Peter Pan Well I was taken aback But my mate took action Muttering something negative about fairy stories he headed for the door and disappeared down the hall I started to follow him but changed my mind Instead I headed for the public library to reread Peter Pan Had I missed something Elayne Wareing Fitzpatrick Human life indeed all life is poetry It s we who live it unconsciously day by day Yet in its inviolable wholeness it lives us it composes us We are works of art but we are not the artist Dare everything need nothing Lou Andreas Salome I relate to Andreas Salome s passionate struggle for truth to her ultimate reverence for all life and to her desire to enjoy intellectual friendships with a variety of men free of sexual overtones Fitzpatrick I was discovering that deep down I didn t really take to popular culture crowds and bustling cities regardless of my curiosity regardless of my journalist s delight in writing about all of it Fitzpatrick If you can t change the world change worlds St Francis of Assisi If I were ever to choose a place away from my country it would surely be a Greek island outside Athens In Greece I feel completely at home Maybe that s because as the poet Shelley said We re all Greeks Our laws our literature our religion our arts have their roots in Greece Fitzpatrick Back straight and head held high he would place his left arm on my right shoulder snap his fingers and lead me in the graceful deliberate movements of the Zorba dance accompanied by a recording of Mozart s 40th played on the bouzouki This against a backdrop of tinkling goat bells and singing monks gathered in a distant church Fitzpatrick Many of the highs and lows in my life have resulted from conflict born of the struggle between my own strong loving nesting needs and my equally strong needs for freedom to think to adventure to discover to express myself Fitzpatrick All parts of this one organic whole this one God are different expressions of the same energy and they are all in communication with each other influencing each other therefore parts of one organic whole Robinson Jeffers How did matter happen that makes the stars and cool planets and living beings And how did the space happen that contains the stars and planets Much is still very hypothetical Much is still unknown Much we will never know Life is struggle pain and suffering But it is also extraordinarily glorious creativity Dr Kai Woehler Like Socrates I ve experienced an inner voice that usually let s me know when I m about to go off track and I ve come to believe with Kant in a moral law within Fitzpatrick Nature wonderful and awe inspiring as it is can t participate in a verbal dialogue can t exchange and explore ideas with the human mind We can relate to the animals the birds the insects the fish and the flora with our most primitive instincts and feel joy spiritual ecstasy in so recognizing our kinship Yet nothing in Nature can compare with the human need for a warm
