Detecting Canada Jeannette Sloniowski, Marilyn Rose, 2014-03-25 The first serious book-length study of crime writing in Canada. Detecting Canada contains thirteen essays on many of Canada's most popular crime writers, including Peter Robinson, Giles Blunt, Gail Bowen, Thomas King, Michael Slade, Margaret Atwood, and Anthony Bidulka. Genres examined range from the well-loved police procedural and the amateur sleuth to those less well-known, such as anti-detection and contemporary noir novels. The book looks critically at the esteemed sixties television show *Wojeck* as well as the more recent series *Da Vinci's Inquest*, *Da Vinci's City Hall*, and *Intelligence*, and the controversial Durham County critically acclaimed but violent television series that ran successfully in both Canada and the United States. The essays in *Detecting Canada* look at texts from a variety of perspectives, including postcolonial studies, gender and queer studies, feminist studies, Indigenous studies, and critical race and class studies. Crime fiction enjoyed by so many around the world speaks to all of us about justice, citizenship, and important social issues in an uncertain world. *Quill & Quire*, 2010 **Too Close to Home**

Linwood Barclay, 2009-07-28 Critically acclaimed and bestselling author Linwood Barclay brings terror closer than ever before in a stunning thriller in which murder strikes in the place we should feel safest of all. In a quiet neighborhood in the house next door, a family is brutally murdered for no apparent reason. You can't help thinking, It could have been us. And you start to wonder, What if we're next? Promise Falls isn't the kind of community where families are shot to death in their own homes. But how well did Jim and Ellen Cutter really know their neighbors or the darker secrets of their small town? They don't have to look further than their own marriage to know that things aren't always what they seem. Now the Cutters and their son Derek must face the unthinkable: that a murderer isn't just stalking too close to home but is inside it already.
