Torn From the Inside Out Sara Niles, 2024-02-19 Extreme Abuse Memoir Malignant Psychopathic Narcissists create warped tools of manipulation and control skillfully gathered from the wreckage of their own childhoods which they will use to sadistically torture and destroy you A violent abuser will win at all costs for what they eventually can no longer control they seek to destroy The legacy of such darkness is chaos and despair and too often death In 1973 when only sixteen years old and freshly baptized as a Jehovah's Witness Sara Niles married such a man in the visage of Thomas Niles The Mask of Sanity which he wore hung loosely for the least disruption revealed the evil behind the mask The surreal world of love and horror of elation and heart breaking despair capable of crushing hopes and dreams is a pain that tears the soul From the Inside Out Malicious Abusers will break not only bones of their victims but their spirit over time in a horrific attempt to dominate and control every facet of their victims lives The nightmare that began in 1973 lasted almost fifteen years but it did not start there Arkansas 1960 On a sunny morning a white haired eighty year old man walked up a steep hill deep in the countryside of Southern Arkansas and walked away with a three and one half year old little dirty girl child riding high atop his shoulders holding tightly onto the old man's bald head The little girl was scared hungry as always and she had no idea of the home she was going to The little girl had been given away by her biological mother to an elderly Great uncle the brother of her maternal grandmother That little girl was Me Sara Niles I lived a fairytale life on the Flower Bed of Eden at least that is how it all began Fast Forward February 13 1987 I am going to kill you DEAD screamed my husband and father of my five children Thomas Niles as I flew down the stairs of the townhouse two steps at a time running for my life Domestic Violence homicide had taken the lives of two local ladies that I knew well only a few years earlier murdered by their long time husbands each much like mine I was about to suffer the same fate I was going to die that night I knew it as the thunder storm raged outside a worse storm raged inside Every life carries a tale a backstory of origins choices successes and failures for a life is no small thing to live some lives are smooth like paved roads while others are bumpy and fraught with danger An unconventional life one without the prerequisite cushions of predictability and stability is especially fraught with dangers as was mine The crisis created by unforeseeable events and circumstances as biblically stated Time and unforeseen occurrences befall them all befell me more times than I could count I lived a dangerous life with a dangerous barely escaping with my life Sara Niles From the Garden of Eden straight into Hell In 1973 Sara married Thomas Niles which negatively altered the outcome of Sara Niles' life Saved from trauma as a child nurtured and trained in sound moral principles by loving relatives nothing prepared Sara for life with Thomas Niles The Fairy tale wedding in a Jehovah's Witness Kingdom hall packed to the four walls soon became a prolonged nightmare in which the hopes and dreams of a talented child were singularly shelved in favor of survival The Storm that ignited as an innocent marriage before man and God would last awhile because unbeknown to Sara she had married a monster in disguise I am a different Sara Niles than the young girl of my long gone youth I have the insight young

Sara never had and I am much wiser and stronger than the infatuated young girl that I once was I will be your narrator as you journey with me across time and space back to where it all began The Journey Sara Niles, 2024-02-20 Torn From the Inside Out is the true story of Sara Niles's escape and disappearance with her five children in 1987 The JOURNEY is the rest of the story covering the decades long saga of the Niles Family It is estimated that up to seventy percent of people in the world have suffered varying degrees of family dysfunction yet people rarely speak of it Secrecy and denial aid in the perpetuation of dysfunction The Journey tells the stark truth sometimes leaving in only a new beginning We left our whole world behind and fled with nothing yet the children never even once asked Why When a Raging Fire strikes a home in the middle of the night everyone flees the home with no regard for possessions no grabbing of personal belongings because every second counts In most cases there are family and friends co workers and others standing by to help In 1987 we fled from a different type of Fire a would be killer who promised to erase us from the earth The Niles Family would embark on a lifelong Journey of Reparation and searches for Resolution February 13 1987 Southern Arkansas After fleeing through three states my children and I thought we had broken free and were safe The looking over our shoulder was finally over we were free to rebuild our lives and create happy futures Thomas Niles had been the problem the dark shadow in all my children's lives he was the antithesis of what was right the antithesis of all I stood for Once Thomas Niles was out of our lives I believed the trauma and tragedy would be over but I was wrong A family is a small government a society a system a school in which children are being educated in functional behavior or they are being conditioned in dysfunctional patterns Danger and Damage is not always a visible monster sometimes it never materializes it only floats about inside the heads of the abused like a psychotic ghost People who learn to be afraid in their childhoods and who become stuck in fear for too long albeit for real true and good reasons sometimes never learn to let go of those fears The trauma of childhood becomes the monsters of adulthood Note Serious subject matter that may be triggering for individuals with raw issues **Torn from the Inside Out**
