Musical William A. Everett, Paul R. Laird, 2017-09-21 An expanded and updated edition of this acclaimed wide ranging survey of musical theatre in New York London and elsewhere **Kaapse bibliotekaris** ,2018 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 **Identity Crisis** Ben Elton, 2019-04-04 Why are we all so hostile So quick to take offence Truly we are living in the age of outrage A series of apparently random murders draws amiable old school Detective Mick Matlock into a world of sex politics reality TV and a bewildering kaleidoscope of opposing identity groups Lost in a blizzard of hashtags his already complex investigation is further impeded by the fact that he simply doesn't get a single thing about anything anymore Meanwhile each day another public figure confesses to having misspoken and prostrates themselves before the judgement of Twitter Begging for forgiveness assuring the public that is not who I am But if nobody is who they are anymore then who the f k are we Ben Elton returns with a blistering satire of the world as it fractures around us Get ready for a roller coaster thriller where nothing and no one is off limits **Literary Twinship from Shakespeare to the Age of Cloning** Wieland Schwanebeck, 2020-01-06 Unlike previous efforts that have only addressed literary twinship as a footnote to the doppelganger motif this book makes a case for the complexity of literary twinship across the literary spectrum Shortlisted for the ESSE Book Award 2022 Literatures in the English Language it shows how twins have been instrumental to the formation of comedies of mistaken identity the detective genre and dystopian science fiction The individual chapters trace the development of the category of twinship over time demonstrating how the twin was repeatedly re-invented as a cultural and pathological type when other discursive fields constituted themselves and how its literary treatment served as the battleground for ideological disputes by setting the stage for debates regarding kinship and reproduction or by partaking in discussions of criminality eugenic greatness and monstrous births The book addresses nearly 100 primary texts including works of Mary Elizabeth Braddon Wilkie Collins Charles Dickens Arthur Conan Doyle Aldous Huxley Christopher Priest William Shakespeare and Zadie Smith **Film Review** ,2007 *Ultimate DVD* .,2007 [A Dictionary of Writers and their Works](#) Christopher Riches, Michael Cox, 2015-01-29 Over 3 200 entries An essential guide to authors and their works that focuses on the general canon of British literature from the fifteenth century to the present There is also some coverage of non-fiction such as biographies memoirs and science as well as inclusion of major American and Commonwealth writers This online exclusive new edition adds 60 000 new words including over 50 new entries dealing with authors who have risen to prominence in the last five years as well as fully updating the entries that currently exist Each entry provides details of a writer's nationality and birth death dates followed by a listing of their titles arranged chronologically by date of publication *Catamount Camp* Edward Sylvester Ellis, 1910 **The Imperial dictionary, on the basis of Webster's English dictionary** John Ogilvie, 1899 [How NOT to Write a Sitcom](#) Marc Blake, 2011-09-23 The craft of sitcom is possibly the hardest of all screenwriting genres demanding a complex set of skills How NOT to Write a Sitcom is a troubleshooting guide aimed at both the novice and the practising sitcom writer It illustrates and explains the many pitfalls in concept

characterisation plotting and dramatic comedic writing which pepper the hundreds of scripts submitted every year Each point is illustrated with an example of the error and each section contains practical suggestions and exercises for the writer to apply to their own writing The book makes no assumption of the reader other than an interest in the form It contains interviews with current producers as well as interviews with successful practitioners of the craft Marc Blake is a script consultant writer and teacher of writing for sitcom In this book he acts as a script mechanic for writers stripping a sitcom down to its component parts isolating the faults and fixing them What script editors and producers are looking for are scripts that work Naturally they want a genius in embryo but above all they first want to see something that is roadworthy *The Guinness Book of Classic British TV* Paul Cornell, Martin Day, Keith Topping, 1993 **World Authors, 1995-2000** Mari Rich, Olivia J. Smith, Clifford Thompson, 2003 Representing a broad range of ethnic diversity these in depth profiles present fascinating accounts of lives and careers the circumstances under which works were produced and their literary significance Each profile also includes critical evaluation a list of the author's principal works with date first published a list of major critical works and a portrait or photograph where available
