s fiction without needing to master the jargon of contemporary literary criticism Stephen King's Contemporary Classics Philip L. Simpson, Patrick McAleer, 2014-11-13 Many readers know Stephen King for his early works of horror from his fiction debut *Carrie* to his blockbuster novels *The Shining*, *The Stand* and *Misery* among others While he continues to be a best selling author King's more recent fiction has not received the kind of critical attention that his books from the 1970s and 1980s enjoyed Recent novels like *Duma Key* and *11/22/63* have been marginalized and arguably cast aside as anomalies within the author's extensive canon In *Stephen King's Contemporary Classics: Reflections on the Modern Master of Horror* Philip L. Simpson and Patrick McAleer present a collection of essays that analyze, assess and critique King's post 1995 compositions Purposefully side-stepping studies of earlier work these essays are arranged into three main parts the first section examines five King novels published between 2009 and 2013 offering genuinely fresh scholarship on King the second part looks at the development of King's distinct brand of horror the third section departs from probing the content of King's writing and instead focuses on King's process By concentrating on King's most recent writings this collection offers provocative insights into the author's work featuring essays on *Dr Sleep*, *Duma Key*, *The Girl Who Loved Tom Gordon*, *Joyland*, *Under the Dome* and others As such *Stephen King's Contemporary Classics* will appeal to general fans of the author's work as well as scholars of Stephen King and modern literature **Stephen King** Rocky Wood, 2017-02-10 This companion provides a two part introduction to best selling author Stephen King whose enormous popularity over the years has gained him an audience well beyond readers of horror fiction the genre with which he is most often associated Part I considers the reception of King's work the film adaptations that they gave rise to the fictional worlds in which some of his novels are set and the more useful approaches to King's varied corpus Part II consists of entries for each series, novel, story, screenplay and even poem including works never published or produced as well as characters and settings *Stephen King and American Politics* Michael J. Blouin, 2021-01-01 This is the very first study dedicated exclusively to politics in Stephen King's fiction It is a window into the turbulent political climate of the U.S. today via popular culture It is an exciting conversation between major political theorists and America's most popular purveyor of horror *UNDER THE DOME: STEPHEN KING NEW COVER SERIES* Stephen King, 2014-06-01 This is the No. 4 in the Signed Stephen King Glenn Chadbourne Original Cover Series featuring *UNDER THE DOME* This is a dust jacket only This commemorative original dust jacket cover is by artist Glenn Chadbourne This dust jacket is personally signed by the artist This original dust jacket fits *UNDER THE DOME* the Scribners hard cover edition by Stephen King This purchase includes Original 2014 book cover painting by artist Glenn Chadbourne Dust Jacket Signed by Glenn Chadbourne on the back flap Each copy features the Glenn Chadbourne embossing with a gold seal to complete authentication featured on the back side of the cover Free acid-free book cover on your cover for complete protection This purchase is only for this original dust jacket and does not feature a copy of the book *Track Changes* Matthew G. Apocalypse and Post-Politics Mary Manjikian,2012-03-16 Mary Manjikian's *Apocalypse and Post Politics* The Romance of the End advances the thesis that only those who feel the most safe and whose lives are least precarious can engage in the sort of storytelling which envisions erasing civilization Apocalypse themed novels of contemporary America and historic Britain then are affirmed as a creative luxury of development Manjikian examines a number of such novels using the lens of an international relations theorist identifying faults in the logic of the American exceptionalists who would argue that America is uniquely endowed with resources and a place in the world both of which make continued growth and expansion simultaneously desirable and inevitable In contrast Manjikian shows apocalyptic narratives explore America as merely one nation among many whose trajectory is neither unique nor destined for success *Apocalypse and Post Politics* ultimately argues that the apocalyptic narrative provides both a counterpoint and a corrective to the narrative of exceptionalism Apocalyptic concepts provide a way for contemporary Americans to view the international system from below from the perspective of those who are powerless rather than those who are powerful This sort of theorizing is also useful for intelligence analysts who question how it all will end and whether America's decline can be predicted or prevented

Masculinity in Contemporary Science Fiction by Men Sara Martín,2025-05-30 *Masculinity in Contemporary Science Fiction by Men* No Plans for the Future is the first comprehensive study of the self representation of men in SF novels published in the twenty first century by male authors Exploring a broad selection of writers and works the fourteen chapters present a panoramic overview of men's contributions to current SF and explore their slow but noticeable progress in the representation of gender The impact of feminism and gender studies and the demands of readers have profoundly transformed men's SF which now presents far more caring and vulnerable male characters The old stereotypes are being replaced by a collective reflection on how men and masculinity are changing though the lack of a common agenda results in novels that while exciting and often challenging sometimes miss the chance to imagine a better anti patriarchal pro feminist future for men and for all human beings The authors analysed include Robert Charles Wilson Geoff Ryman Samuel R Delany Richard K Morgan John Scalzi Iain M Banks Ernest Cline James S A Corey Colson Whitehead Andy Weir Daniel H Wilson Ian McDonald Yoon Ha Lee Tade
