Feuer,1996 The best thing ever done on how Tolstoy wrote War and Peace Feuer shows us an incredible complexity in terms of the creative process You see the seams and joints in the novel Gary Saul Morson Northwestern University In 1963 Kathryn B Feuer had access to the manuscripts of the drafts for the novel almost 4 000 pages At Tolstoy's home she concentrated on a dozen books that related to his earlier conceptions of War and Peace She was indefatigable with every detail at her fingertips and she could express fine perceptions with something of the lucidity and measure of her admired Jane Austen Her daughter and Donna Tussing Orwin completed their task of editing in such a way that the book everywhere shows that concern with thoroughly tested evidence that above all makes it a landmark in Tolstoy studies Times Literary Supplement The effectiveness of Feuer's account of the creation of War and Peace results from her remarkably cogent and uncluttered reading of the drafts and revisions that inform the description of Tolstoy's creative process Tolstoy and the Genesis of War and Peace is destined to remain a classic on the subject Slavic Review Young novelists who listen to their creative writing teachers would be better served reading Feuer's brilliant study of the creation of War and Peace Common Knowledge Kathryn B Feuer offers remarkable insights into Leo Tolstoy's creative process while he wrote War and Peace She follows the novel through countless drafts and notes illuminating its connection to earlier unpublished novels and to crucial new sources both European and Russian A novelist herself Feuer explores the problems of character development narrative voice genre and structure that Tolstoy ultimately resolved so brilliantly War and Peace by Leo Tolstoy,1904 *War and Peace* Leo Tolstoy,2008-09-02 A grand romantic saga of two noble Russian families and a multitude of lives swept up in the violent tumult of the Napoleonic Wars Leo Tolstoy's War and Peace is considered one of the preeminent literary works of all time Tolstoy originally completed this novel in 1866 but it was not until years later after the author had doubled the book's length with philosophical and historical meditations that the great novel was published More than half a century in the making the result of extraordinary dedication and painstaking research here is Tolstoy's original version of this timeless classic which never made it into print during the author's lifetime Now readers can enjoy the epic and unforgettable story as the novelist originally intended with its subtly different characters dialogue and ending and experience anew the breathtaking masterpiece that has inspired love and devotion for generations **War and Peace** Leo Wiener,Leo Tolstoy,2019-03-12 This work has been selected by scholars as being culturally important and is part of the

War and Peace Lev Tolstoy,2017-09-27 We can know only that we know nothing And that is the highest degree of human wisdom Nothing is so necessary for a young man as the company of intelligent women If everyone fought for their own convictions there would be no war The strongest of all warriors are these two Time and Patience There is no greatness where there is not simplicity goodness and truth The whole world is divided for me into two parts one is she and there is all happiness hope light the other is where she is not and there is dejection and darkness It s not given to people to judge what s right or wrong People have eternally been mistaken and will be mistaken and in nothing more than in what they consider right and wrong Like Pierre was right when he said that one must believe in the possibility of happiness in order to be happy and I now believe in it Let the dead bury the dead but while I m alive I must live and be happy You can love a person dear to you with a human love but an enemy can only be loved with divine love If we admit that human life can be ruled by reason then all possibility of life is destroyed We are asleep until we fall in Love I simply want to live to cause no evil to anyone but myself Everything I know I know because of love Man cannot possess anything as long as he fears death But to him who does not fear it everything belongs If there was no suffering man would not know his limits would not know himself
