Wartime Farm Peter Ginn,Ruth Goodman,Alexander Langlands,2012-09-24 During World War Two Britain had to look to the land to provide the produce it had previously shipped in from abroad meaning huge changes on both the agricultural and domestic scenes Accompanying an 8 part BBC series and written by the three presenters who spend a year living on a reconstructed farm from the era Wartime Farm sets these changes within a historical context and looks at the day to day life of that time Exploring a fascinating chapter in Britain s recent history we see how our predecessors lived and thrived in difficult conditions with extreme frugality and ingenuity From growing your own vegetables and keeping chickens in the back yard to having to make do and mend many of the challenges faced by wartime Britons have resonance today Fascinating historical detail and atmospheric story telling make this a truly compelling read
