Robert Rankin

Web Site Story By Robert Rankin:

Web Site Story Robert Rankin, 2001 They wrote it off as a scare story The Millennium Bug was the non event of the 20th century But they were wrong because the bug was real It s a computer virus and it s about to do a deadly species cross over from machine to mankind *The Book of Ultimate Truths* Robert Rankin, 1994 He had walked the earth as Nostradamus Uther Pendragon Count Cagliostro and Rodrigo Borgia He could open a tin of sardines with his teeth strike a Swan Vesta on his chin rope steers drive a steam locomotive and hum all the works of Gilbert Sullivan without becoming confused or breaking down in tears He died penniless at a Hastings boarding house in his ninetieth year His name was Hugo Artemis Solon Saturnicus Reginald Arthur Rune and he was never bored Hailed as the guru s guru Rune penned more than eight million words of genius including his greatest work *The Book of Ultimate Truths* But vital chapters of *The Book* were suppressed chapters which could have changed the whole course of human history Now seventeen year old Cornelius Murphy together with his best friend Tuppe sets out on an epic quest Their mission recover the missing chapters Re publish *The Book of Ultimate Truths* And save the world **The Suburban Book of the Dead** Robert Rankin, 1993 The final part of the Armageddon trilogy When Rex finds himself back on Earth in the final hours before the nuclear holocaust things really start to confuse him Can he save the world before he himself is atomized by the Repo Man who appears most anxious to make his acquaintance **The Greatest Show Off Earth** Robert Rankin, 1995 Raymond s had a rough couple of days Snatched from his allotment by a flying starfish from Uranus and sold as a delicacy in a Venusian food market it seems like his luck has changed when he is rescued by the travelling circus But then this isn t an ordinary circus **The Most Amazing Man who Ever Lived** Robert Rankin, 1995 Norman s definitely dead His dad fell out of the sky and flattened him And as Norman didn t want any regular full time employment before he died he certainly doesn t want any now Especially not here at The Universal Reincarnation Company There s far too many filing cabinets and far too much paperwork Not that it s the company s fault The blame really lies with God If He hadn t decided to close down Hell then Heaven wouldn t have got too overcrowded and there would have been no need to build the extension And until the extension is finished the U R C will just have to keep on recycling all those souls in the big queue If your taste is for a tender romance taut with passion and desire love and betrayal then this raging stonker of a novel bursting out of its leather pants with sex scandal murder mystery suspense drama action adventure and Mad Car Disease probably won t be for you Sorry *Snuff Fiction* Robert Rankin, 1999 This anarchic text chronicles the millennial collapse of civilisation and the great snuff snorting revival A Dog Called Demolition Robert Rankin, 1996 Danny is not sad and lonely any more because he has the voice the voice of an imaginary dog called Demolition The dog tells him what to do like how to adjust the bar code reader in the shop so he can read what people are thinking Soon Danny can bend others to his will and fears no other man Apocalypso Robert Rankin, 1999 The Ministry of Serendipity at Mornington Crescent runs everything And that is everything When the Ministry

learns of a spacecraft that crashed four thousand years ago into the Pacific Ocean it sends an elite team of paranormal investigators to recover it A mad alien thaws out there is hell and horror all around and thousands flee in terror Porrig has inherited a planet or it might be a bookshop or it might be a gateway into another world And Porrig is worried because he has learned a terrible secret But if he told people would they listen No But perhaps they should because a mad alien has thawed out there is hell and horror all around and thousands are fleeing in terror And there is every likelihood of there being a bloody big explosion at the end Will Porrig manage to do anything about it at all

Sex and Drugs and Sausage Rolls

Robert Rankin,2000 He becomes funnier the more you read him Independent It has always been John Omally s secret ambition to become a rock star In his youth he mastered air guitar and wardrobe mirror posing but he lacked that certain something Talent But at last an opportunity has arisen for John to get into The Industry A band called Gandhi s Hairdryer are looking for a manager so all John has to do is persuade them that he is the new Brian Epstein It should be a piece of cake But and there s always a but there is something rather odd about this band Something other worldly It might be the lead singer whose voice has the power to heal Might she be an angel perhaps Or could she be the Devil in disguise Because after all the Devil does have all the best tunes And this is Brentford In this his final offering of the twentieth century Robert Rankin returns to the town of his birth the friends of his youth and one of the loves of his life Rock Music Everybody should read at least one Robert Rankin in their life Daily Express

Armageddon Robert Rankin,1991 From the point of view of 2050 you re history Theological warfare Elvis on an epic time travel journey the Presliad Buddhavision a network bigger than God and more powerful too Nasty nuclear leftovers Naughty sex habits Dalai Dan the 153rd reincarnation of the Lama of that ilk and Barry the talkative Time Sprout Even with all this excitement you wouldn t think a backwater planet like Earth makes much of a splash in the galatic pond But the soap opera called The Earthers is making big video bucks in the intergalactic ratings race And alien TV execs know exactly what the old earth drama needs to make the off world audience sit up and stare a spectacular Armageddon type finale With a cast of millions including you DON T TOUCH THAT DIAL IT S GONNA BE A HELLUVA SHOW

The Brentford Chainstore Massacre Robert Rankin,1998 There is nothing more powerful than a bad idea whose time has come And there can be few ideas less bad or more potentially apocalyptic than that hatched by genetic scientist Dr Stephen Malone Using DNA strands extracted from the dried blood on the Turin Shroud Dr Malone is cloning Jesus And not just a single Jesus he s going for a full half dozen so that each of the world s major religions can have one It s a really bad idea In Brentford they ve had a really good idea They re holding the Millennial Celebrations two years early to avoid the rush It s a tradition or an old charter or something And it promises to be the party of this or any other century Unless of course something REALLY BAD was to happen Described as a stark raving genius Observer Robert Rankin has once again surpassed himself in his latest creation

The Brentford Triangle Robert Rankin,1992 A sequel to The Antipope this is the second novel in The Brentford Trilogy All over Brentford electrical appliances were beginning to fail

could it be that it had been chosen as the first base in an alien onslaught on planet Earth **They Came and Ate Us: Armageddon II** Robert Rankin,1992 Continuing the theme of Armageddon the Musical this book chronicles the further adventures of characters such as Rambo Bloodaxe Deathblade Eric and Hugo Rune caught up in events beyond their control

The Sprouts of Wrath Robert Rankin,1993 Amazing but true Brentford Town Council in an act of supreme public spiritedness and a great big wodge of folding stuff from a mysterious benefactor has agreed to host the next Olympic Games The plans have been drawn up contracts money and promises are changing hands Norman s designed some stunning kit for the home team and even the Flying Swan s been threatened with a major refit gasp But something is very wrong primeval forces are stirring in ancient places dark magic is afoot in Brentford and someone must save the world from overpowering evil Jim Pooley and John Omally come on down This must be the daring duo s toughest assignment yet No longer can they weigh up the situation over a pint of large at random moments during the day No this time to save the world as we know it the lads must contemplate nay undertake the most horrible the most terrifying the heretofore untried REGULAR

EMPLOYMENT *East of Ealing* Robert Rankin,1992 Originally published by Pan Books in 1984 The Legend of Deathwalker David Gemmell,2010-05-27 A battle charged and epic heroic fantasy by the Sunday Times bestselling author David Gemmell perfect for fans of Joe Abercrombie Duncan M Hamilton and Conn Iggulden In my pantheon of literary greats David Gemmell stands alone he put me on the path I still walk today Conn Iggulden In the realm of people driven fantasy fiction Gemmell sets the standard TIME OUT Impressive story telling Compelling and pacy action The best fantasy inspires genuine involvement David Gemmell s novels do just that INTERZONE I have now read this book at least 10 times and every time I get lost in the intrigue Reader review Fast moving and emotionally charged you just won t be able to put this down Reader review For centuries the tribes of the Nadir have suffered under the despotic tyranny of their Gothir overlords Disunited and distrustful of one another they await the coming of a Messianic warlord who will unite them against the oppressors Into this swirling chaotic landscape come three men who will change the fate of the continent Talisman the Mysterious enigmatic Nadir warrior haunted by his past and filled with dreams of finding the Uniter Sieben the Poet searching for the mysteries of life and love and Druss the Axeman determined to find two mystic gems to heal a mortally wounded friend Together they will journey across a war torn land and descend beyond the gates of Hell where a long dead king holds the key to a secret that will change the world The Legend of Deathwalker continues the extraordinary tale of Druss among the Nadir started in Legend *The Dragon Queen* Alice Borchardt,2010-09-30 It is that time known as the Dark Ages the Romans have abandoned Britain s shores leaving behind a brutal fear filled twilight world where magic and superstition strife and warfare hold sway Into this world is born the daughter of a pagan queen Her name is Guinevere and to the all seeing power hungry sorceror Merlin she represents a grave threat Sent into hiding in the remote north she grows up under the protection of a shape shifting wolf and a wayward druid watched over by dragons yet through his dark arts Merlin

tracks her down He knows her destiny and will stop at nothing to prevent what has been foretold For if Guinevere becomes queen and Arthur king together they will bring a peace to the land that will leave the sorcerer but a shrivelled and empty old magician in a weary cloak What Merlin doesn't realise is that Guinevere has inherited dazzling powers of her own With Arthur trapped in a netherworld from which the only escape is death Guinevere must call upon the ancient primal spirits and beings who walked this earth when it was still young to help her in her final confrontation with the High Druid himself Dark exciting highly original and utterly compelling THE DRAGON QUEEN is set in a brutal grittily and historically authentic Celtic world where the Pagan and the Christian battle for supremacy Full of wild magic both benign and malign romance superstition wonder bloody battles and wonderfully well wrought characters and written with a fresh contemporary voice this novel turns the legend of King Arthur and his mercurial queen well and truly on its head *Raiders of the Lost Car Park* Robert Rankin,1994 Hugo Rune returns And just in time for the evil fairies of Brentford are planning to conquer the world To publicise his mission Hugo plans to kidnap the Queen while she addresses the world before a gig by the greatest rock band on earth Gandhi's Hairdryer The Standing Dead Ricardo Pinto,2010-08-31 THE ACCLAIMED SEQUEL TO THE CHOSEN In desperation the Ruling Lord Suth searches within the sacred walls of Osrakum for Carnelian his son and Osidian the God Emperor elect He suspects the Empress Ykorian is behind their disappearance and knows that if they are not found soon it is her other son Osidian's brother Molochite who will rule with fearful consequences for the Three Lands Captive of the tribes of the Earthsky Carnelian is for the moment safe and succumbs readily to the seasonal rhythms of tribal life he is convinced by unexpected discoveries that it is fate that has brought him there He grows to love these simple people and hopes for sanctuary among them But the dark forces Carnelian helped unleash in Osrakum begin to cast their shadow over his adopted home He is witness to the awful oppression that the Masters whom the tribesmen call the Standing Dead have been inflicting on them for millennia But even more terrible is the presence Carnelian has unwittingly brought with him Potent and terrifying it threatens everything he now holds dear in this new found world With The Standing Dead Ricardo Pinto gives us a tumultuous new chapter in the Stone Dance of the Chameleon trilogy and confirms his place as one of fantasy's most singular and literate voices **Nostradamus Ate My Hamster** Robert Rankin,1997 Robert wants to be a star in the movies He has invented a system with his computer that could put the old stars back on the screen alongside him He has the script and the money but Hollywood isn't keen Could the perfect partnership lie with Ernest Fudgepacker of Fudgepacker's Emporium

Immerse yourself in heartwarming tales of love and emotion with is touching creation, Tender Moments: **Web Site Story By Robert Rankin** . This emotionally charged ebook, available for download in a PDF format (Download in PDF: *), is a celebration of love in all its forms.
