Stephen Dunn, 2013-12-31 Stephen Dunn has taken his place among our major indispensable poets Miami Herald In his seventeenth collection of poetry Pulitzer Prize winner Stephen Dunn confronts the lines we fight against and the ones we draw for ourselves Lines of Defense poignantly captures the absurdities of modern life expectations derailed the lived life juxtaposed to the imagined life and the defenses we don to make do The poems in Lines of Defense are wry and elegiac precisely observed and wide reaching As with the best of Dunn s work they take stock of the quotidian aspects of life of the essential comedy of getting through the day finding a lost cat not being invited to a party taking a granddaughter to a carnival The lines of defense are the lines of the verse itself as poetry forms a stronghold against mortality This essential volume showcases a poet writing at the height of his powers From Before We Leave Where are we going It s not an issue of here or there And if you ever feel you can t take another step imagine how you might feel to arrive if not wiser a little more aware how to inhabit the middle ground between misery and joy Sufficiency of the Actual Kevin Stein, 2009 Poems
