While I Live The Ellie Chronicles 1 By John Marsden:

While I Live John Marsden, 2008 Even though the war is over and she is back on her family's farm Ellie Linton is haunted by the memories and now must discover how to find the enemy within herself in order to move on with her life **While I Live: The Ellie Chronicles 1** John Marsden, 2010-09-01 The follow up to the bestselling Tomorrow series BOOK 1 IN THE ELLIE CHRONICLES TRILOGY Addictive reading Sydney Morning Herald Australia's king of young adult fiction The Australian We were halfway up the spur when we heard it Homer and Gavin and I just the three of us I'd say there were fifteen shots in the first volley evenly spaced lasting about twenty five seconds All the way down the spur I'd heard the scattered shots getting closer as I got closer and all the way down I tried to think of reasonable explanations for them and I couldn't think of a single thing that made sense The town of Wirrawee is emerging from war slowly like a flower after a cold snap Businesses are starting to reopen the school has recommenced classes and local farmers are gradually repossessing their land But it's not the same Australia as before the war A new nation exists just a few miles away a new border that separates Australia from its invaders Or does it For Ellie Linton being back on the farm with her parents is what makes the terrible things that happened during the war the things she Homer Lee Fi and the others had to do all worthwhile It's where she belongs But the war won't let her go A devastating tragedy has shattered any hope she ever had to reclaim her life or herself It's a new kind of fight And the enemy isn't always from the other side of the border Fans of Veronica Roth Suzanne Collins and John Flanagan will love John Marsden **Apocalypse in Australian Fiction and Film** Roslyn

Weaver, 2014-01-10 Australia has been a frequent choice of location for narratives about the end of the world in science fiction and speculative works ranging from pre colonial apocalyptic maps to key literary works from the last fifty years This critical work explores the role of Australia in both apocalyptic literature and film Works and genres covered include Nevil Shute's popular novel *On the Beach* Mad Max children's literature Indigenous writing and cyberpunk The text examines ways in which apocalypse is used to undermine complacency foretell environmental disasters critique colonization and to serve as a means of protest for minority groups Australian apocalypse imagines Australia at the ends of the world geographically and psychologically but also proposes spaces of hope for the future Right Book, Right Time Agnes Nieuwenhuizen, 2007-09-01 An eclectic and voracious compilation of more than 500 reading suggestions for teenagers this reference contains a wide range of books with an international scope With recommendations for scary funny and sad books this collection offers choices to suit every mood and moment and to satisfy all kinds of readers whatever their tastes and interests The entries link many different books authors and media together and connect classics to pop culture An adventurous guide to exploring exciting genres styles topics and themes this resource inspires a love for reading *John Marsden* John Noell Moore, 2010-10-28 A master storyteller John Marsden is Australia's best known writer for young adults Marsden first found success with the publication of *So Much To Tell You* Since then he has gone on to publish many popular and well recognized titles including

those in the Tomorrow Series and The Ellie Chronicles In his books Marsden explores adolescents caught in a world of opposites of innocence and guilt idealism and realism and joy and despair Marsden s world view and his faith in adolescents serve as the backdrop for John Noell Moore s critical readings of Marsden s major novels In John Marsden Darkness Shadow and Light Moore investigates the full spectrum of Marsden s work beginning with the author s life as a teacher and writer Throughout the book Moore weaves together Marsden s recurring themes chief among them writing and storytelling as ways of constructing identity in the transition from childhood to adulthood and the ability of young adults to endure hardships and overcome seemingly insurmountable odds The book is a valuable addition to the current scholarship on young adult literature and will be welcomed by middle and high school English teachers and students alike *School Library Journal* ,2008

Circle of Flight: The Ellie Chronicles 3 John Marsden,2010-09-01 The follow up to the bestselling Tomorrow series BOOK 3 IN THE ELLIE CHRONICLES TRILOGY Addictive reading Sydney Morning Herald Australia s king of young adult fiction The Australian Skilfully paced brimming with well rounded characters whom you can believe in The Age You jam on the brakes and stop the ute right at your front door You jump out Not for the first time you run into a house that could be full of guns with death waiting for you You don t even think of that until you re crossing the threshold You already know what you re going to find Underneath the fear and horror and panic there s a cold realisation that Gavin s body will be somewhere in the house You can picture what those bullets will have done to his little body It is a time of profound change for Ellie Linton Enemies are everywhere Some come crawling over the hills others drive in and knock on the front door Sometimes her friends are there and sometimes they are not Ellie fights every inch of the way But when courage and imagination are not enough when she is trapped and helpless Ellie must face the end of life as she knows it standing alone sustained only by her own strength Fans of Veronica Roth Suzanne Collins and John Flanagan will love John Marsden **Quill & Quire** ,2007

Tomorrow When the War Began John Marsden,2011-03-31 Compulsively readable New York Times Somewhere out there Ellie and her friends are hiding Their country has been invaded Everyone they know has been captured Their world has changed overnight They ve got no weapons except courage They ve got no help except themselves They ve got nothing except friendship How strong could you be if the world was full of people trying to kill you Fans of Veronica Roth Suzanne Collins and Michael Grant prepare to be hooked by the Tomorrow series **Signal Journal** ,2006 *Bush, City, Cyberspace* John Foster,Ern Finnis,Maureen Nimon,2005-06-01 Aimed at academic professional and general readers Bush city cyberspace provides a snapshot of the state of Australian children s and adolescent literature in the early twenty first century and an insight into its history In doing so it promotes a sense of where Australian literature for young people may be going and captures a literary and critical mood with which readers in Australia and beyond will identify The title of the work

is intended to capture the fact that the field has changed dramatically in the century and a half that Australian children's literature has existed from the bush myths and heroism that inform the past and the present through the recognition that the vast majority of authors and readers live in cities to the third wave of cyberliterature that incorporates multimedia hypertext weblinks and e books none of which lessens the enduring enthusiasm of practitioners and readers for books Bush city cyberspace is not meant to be an encyclopedic volume Rather well known recent and or award winning works have been emphasised with the addition of others where these help to illuminate particular points The book is similar in coverage and approach to *Australian Children's Literature An Exploration of Genre and Theme* written by the same three authors and published by the Centre for Information Studies in 1995 In the intervening period much has changed in the field notable examples including the blurring of the dividing line between quality and popular literature the blending of genres the rise of a truly indigenous literature the demise to a significant extent of Outbackery in fiction the acceptance of multiculturalism as the norm and the advent of the literature of cyberspace with new methods and the sheer speed of communication between writer and reader All these trends and others are reflected in this work *The Book Review Digest* ,2007 *Bridges to Understanding* Linda M. Pavonetti,2011-08-18 This annotated bibliography with descriptions of nearly 700 books representing more than 70 countries provides stories that will help children understand our differences while simultaneously demonstrating our common humanity *Australian Literary Studies* ,2004 **Junior High School Library Catalog** ,2007
