

AUSTRALIA'S FIRST GREAT WINEMAKER was a pioneer. He walked over a ridge covered in the dense, bushy scrub of the south coast of New South Wales and in a few rugged places found a soil of vines that, when finally opened in 1850, and only some 100, could make people gasp. He made these wines without electricity, without one kind of personal or professional convenience, and with a broken back. What he managed to make was a miracle, the first without knowing of the legend he put his name would become. *The Wine Hunter* is the story of **BARTE PAUL**, creator of Australia's first fine wine.

This is the best book on wine to be published in Australia for many years now.
