**The Air You Breathe** Frances de Pontes Peebles, 2018-08-21. A glorious glittery saga of friendship and loss. I read *The Air You Breathe* in two nights. One might say I inhaled it. NPR Echoes of Elena Ferrante resound in this sumptuous saga. On The Oprah Magazine. Enveloping. Peebles understands the shifting currents of female friendship and she writes so vividly about samba that you close the book certain its heroine's voices must exist beyond the page. People. The story of an intense female friendship fueled by affection, envy and pride and each woman's fear that she would be nothing without the other. Some friendships like romance have the feeling of fate. Skinny nine year old orphaned Doris is working in the kitchen of a sugar plantation in 1930s Brazil when she meets a girl who changes everything. Gra, a spoiled daughter of a wealthy sugar baron, is clever, well fed, pretty and thrillingly ill behaved. Born to wildly different worlds Doris and Gra quickly bond over shared mischief and then on a deeper level over music. One has a voice like a songbird, the other feels melodies in her soul and composes lyrics to match. Music will become their shared passion, the source of their partnership and their rivalry and for each the only way out of the life to which each was born. But only one of the two is destined to be a star. Their intimate volatile bond will determine each of

their fortunes and haunt their memories Traveling from Brazil's inland sugar plantations to the rowdy streets of Rio de Janeiro's famous Lapa neighborhood from Los Angeles during the Golden Age of Hollywood back to the irresistible drumbeat of home *The Air You Breathe* unfurls a moving portrait of a lifelong friendship its unparalleled rewards and lasting losses and considers what we owe to the relationships that shape our lives *Come Together, Fall Apart* Cristina

Henríquez, 2007-04-03 With eight short stories and a novella that travel from dusty city streets to humid beaches Cristina Henríquez carves out a distinctive and unforgettable vision of contemporary Panama The stories of *Come Together Fall Apart* combine to create a seamless fictional world in which the varied landscapes and shifting culture of a country in transition and the insistent voices of its young people are vividly represented In *Yanina* a young man's fidelity is tested when a new living situation strains his relationship with his girlfriend For the young woman in *Ashes* the very notion of fidelity is shattered and her lover's philandering is only one link in a chain of traumatic events that begins with her mother's death In *Mercury* an American girl visits her grandparents in Panama while her parents divorce at home and attempts to connect with her ailing grandfather in broken Spanish that he'll never understand Again and again characters find their fates irrevocably tied to those of their families in *Beautiful* as fortunes rise and in *Come Together Fall Apart* as they collapse These are stories of family bonds and generational conflicts youthful infatuation and genuine passion that are tender ambitious and unflinching from a bold and original young writer who is not only an accomplished prose stylist but also an irresistible storyteller *The World in Half* Cristina Henríquez, 2009 Miraflores has never known her father and until now she's never thought that he wanted to know her She's long been aware that her mother had an affair with him while she was stationed with her then husband in Panama and she's always assumed that her pregnant mother came back to the United States alone with his consent But when Miraflores returns to the Chicago suburb where she grew up to care for her mother at a time of illness she discovers that her mother and father had a greater love than she ever thought possible and that her father had wanted her more than she could have ever imagined
