To Die For Slumber Party Weekend By Christopher Pike:

To Die For Christopher Pike, 2010 This juicy volume features two classic Christopher Pike thrillers **Slumber Party** and **Weekend** This double feature of romance betrayal and horror is to die for **The Vampire's Promise** Caroline B. Cooney, 2011 Althea Devnee and Lacey all bargain with a vampire for popularity beauty and freedom but are faced with the consequences of their deals when the vampire chooses his victims **Die Softly** Christopher Pike, 1991 Herb just wanted to photograph the cheerleaders in the school showers but then he realizes he may also have photographed a murder

Slumber Party Christopher Pike, 1985 When a ski weekend reunites a group of teenage girls eight years after a fire at a slumber party disfigured one of them and killed her sister new fire related accidents suggest that one of them may have been responsible **The Midnight Club** C. Pike, 2012-05-03 5 *Private Practices* Meredith Rogers Cherland, 1994 A constructed world Gender practices Literacy practices Instructional practices Identity practices Private lessons *Private Practices* Saskatchewan Meredith Cherland University of Regina, 2013-10-23 First Published in 1994 The study of literacy no longer focuses solely on psychological processes In the past ten years literacy has been reconceptualized as a social practice or rather as social practices that make up the fabric of daily life Using an anthropological perspective *Private Practices* examines the broad fictional reading of middle class pre teen girls and offers fresh insights into the place of literacy both at home and at school in the construction of gender The author provides a wealth of evidence to support the central assumption of the book Gender is a cultural and social construction not a biological given Gender is something that people create while interacting with each other in all the practices of their daily lives including their literacy practices The book also provides critical analysis and commentary concerning the role that reading fiction plays in cultural reproduction In the hope that deeper knowledge of literacy as a social practice will support social transformation and eventually social justice the author suggests compelling reasons for the fact that girls read more fiction and different fiction than do boys School Library Journal, 1990 Supernatural Literature of the World: P-Z S. T. Joshi, Stefan R. Dziemianowicz, 2005 Approximately one thousand alphabetically arranged entries cover authors themes and works of the nineteenth through twenty first centuries including Alexander Dumas Charles Baudelaire Daphne du Maurier Katherine Dunn Shirley Jackson and A R Morlan

Paperbacks from Hell Grady Hendrix, 2017-09-19 From the New York Times best selling author of *The Southern Book Club's Guide to Slaying Vampires* comes a nostalgic and unflinchingly funny celebration of the horror fiction boom of the 1970s and 80s Take a tour through the horror paperback novels of two iconic decades if you dare Page through dozens and dozens of amazing book covers featuring well dressed skeletons evil dolls and knife wielding killer crabs Read shocking plot summaries that invoke devil worship satanic children and haunted real estate Horror author and vintage paperback book collector Grady Hendrix offers killer commentary and witty insight on these trashy thrillers that tried so hard to be the next *Exorcist* or *Rosemary's Baby* Complete with story summaries and artist and author profiles this unforgettable volume dishes

on familiar authors like V C Andrews and R L Stine plus many more who've faded into obscurity. Also included are recommendations for which of these forgotten treasures are well worth your reading time and which should stay buried.

Publishers Weekly, 1990 **Young Adult Literature: From Romance to Realism, Third Edition** Michael Cart, 2017-11-21 *Reading the Adolescent Romance* Amy Pattee, 2011-01-25

Reading the Adolescent Romance provides an exhaustive study of the developments in young adult literature since the 1980s with a focus on Francine Pascal's Sweet Valley High series which has become a cultural and literary touchstone for both fans and critics of the novels. Pattee carefully examines the series content structure and readers allowing her to investigate an influential marketing and literary phenomenon and to interrogate the intersecting influences of history, audience positioning and readability that allowed Sweet Valley and other teen series to flourish. This book demonstrates that as a series of generic romance novels, Sweet Valley High exhibits tropes associated with both adolescent and adult romance and as a product of the early 1980s has and continues to espouse the conservative romantic ideologies associated with the time period. While erstwhile readers of the series recall the novels with pleasure, re-readers of Pascal's novels who remember reading the series as young people and have re-visited the books as adults are more critical. Interestingly, both populations continue to value Sweet Valley High as an identity touchstone. Amy Pattee is an associate professor of library and information science at the Graduate School of Library and Information Science at Simmons College in Boston, Massachusetts. There she teaches children's and young adult literature in both the library school and in a dual degree program affiliated with Simmons College's Center for the Study of Children's Literature.

Once Upon a Time in a Dark and Scary Book K. Shryock Hood, 2018-06-07

Contemporary American horror literature for children and young adults has two bold messages for readers: adults are untrustworthy, unreliable and often dangerous and the monster always wins as it must if there is to be a sequel. Examining the young adult horror series and the religious horror series for children, *Left Behind: The Kids* for the first time and tracing the unstoppable monster to Seuss's Cat in the Hat, this book sheds new light on the problematic message produced by the combination of marketing and books for contemporary American young readers.

Campbell's Scoop Patty Campbell, 2010-02-19

At the request of her many fans, Patty Campbell, editor of the Scarecrow Studies in Young Adult Literature series, has selected some of her best essays, articles, columns and speeches in *Campbell's Scoop*. These pieces define the boundaries between children's and adult literature and review the trends, censorship problems and glories of the genre. Other essays reflect on some concerns and interests of young adult literature as it has matured: the verse novel, ambivalent endings, violence, the sometimes dubious value of awards and honor lists, the graphic novel and the difficulties of the genre's recent overwhelming success. A section titled *Inside ALA* looks at the author's many years of service to that organization with, among other pieces, a firsthand look at the Best Books committee at work and a report of her attempt to unite booksellers and librarians in common cause. Many of these selections show the idiosyncratic wit and passion that have made Campbell's column a favorite with Horn Book readers; an exploration

of the meaning of the glut of YA novels with death as a theme or character an indignant denunciation of the fictional abuse of animals a snarky analysis of chick lit and a technical review from the belly dancing critic of a YA novel featuring that ancient art On a more serious note Campbell pleads for what she calls Godsearch in books for teens and pays tribute to her late friend Robert Cormier Without question the essays in Campbell s Scoop provide readers with the unique insights of an advocate who is passionate about young adult literature and its future
